On Hold

Effective March 2026, organizations that present but are not selected will be removed from the draw for one year. After that period, they will automatically be reinstated, provided the nominating member remains in good standing. This approach allows members to learn about a broader range of local causes and ensures more charities have the opportunity to benefit.

To be reinstated May 2026

1. Participation Lodge – Adrianna Bell
2. Please Bring Me Home – Elaine Bell
