PRESIDENTS MESSAGE

Summer is knocking on the door, and most of us have gone from almost two years of very trying, and challenging days, to the prospect of a return to near normal and yet uncertain times. But hopefully for many of us, change for the better is in the air.

The thought of summer has many of us excited and hopefully are cars have been prepared and, are looking and running well. The Jaguar Touring Club for 2022 I think we have put together a wonderful slate of events, starting with our Spring Dust Off which was held at Princeton Jaguar on April 24th and had over 35 wonderful and beautiful cars. As always our hosts were more than gracious and supplied a great lunch and refreshments throughout the day. Our next show will be on May 22nd at Thatcher Magee's on Passaic Ave in Fairfield. Coffee will be available for those who come. Next on the calendar is our premier event Cats at the Garden which is scheduled for Father's Day June 19th at the Van Vleck Estate in upper Montclair. The next show that we have scheduled is something a little different for us, It will be JTC's version of Cars and Coffee and will be open to all British Marques. It is planned for August 28th at the Loft in Fairfield. The final show that we have planned for this season will be the British Car Festival at the Tincum Polo Club which is to be held on September 24th.

At the AGM which was held in March the current slate of officers was again nominated and elected to serve another 2 yrs. It was suggested, voted upon and approved that 2 issues per year of the Catalogue be electronically sent out each year. (This is our inaugural issue)

In closing I would encourage everyone that has an idea for an event, show or outing, and wants to take the lead to put it together, JTC will do all that it can to bring your idea to fruition. Remember a club is only as strong as its members!
