Events 13-24 will take place rapidly once they begin. These are not predictions but represent a reasoned biblical analysis.

#24: - BRINGS GOD'S VISUAL RAPTURE.

THE SEVEN-YEAR TRIBULATION THEN BEGINS ON - THE SAME DAY!

The visual Rapture will happen for the whole world to witness by design as explained in my Podcast Episode 001. It occurs **mere hours before Israel's covenant is signed** with the Antichrist starting the literal Biblical 7-year Tribulation period. The visual Rapture and the start of the Tribulation must happen within the very same 24-hour day as we see explained in Luke 17:26-36.
