WHAT WE DO

Support.

Helping Eagles soar – on and off the pitch. We support USA Women's Rugby athletes through financial resources, visibility, and direct community engagement.

Impact.

\$381,000 raised since 2020

\$352,000+ funds distributed to players

Over 92% of donations directly support our Eagles

\$63,000+ distributed for 2022 Rugby World Cup athletes

Solution.

With your help, we will raise a minimum of \$150,000 to provide performance-based bonuses for our athletes at the 2025 Rugby World Cup. The more raised, the greater the outcome for the players.
