Hello Everyone,

Friends and family. A few housekeeping rules for VCCI Saturday distribution:

We are growing and now serve over 200 recipients at VCCI each Saturday, with numbers continuing to increase.

- Distribution hours are from 9:00 AM to 10:30 AM.
 - If you arrive after 10:30 AM, you will not be able to register, receive a ticket number, or be served that day. The cutoff time is a firm stop at 10:30 AM. Due to the growing number of recipients and long lines, we are already running later than scheduled. (Only exception if you take lots of boxes and garbage to help keep our overhead cast down)
- Ticket numbers are called in groups of 25.
 - If you leave the line, do not hear your number, or miss your group after your ticket has been called and we have already moved on to the next group, you will not be served that day. You will not be allowed to go to the end of the line, as this delays closing time for everyone. (Only exception if you take lots of boxes and garbage to help keep our overhead cast down)
- Please see the attached picture. Some people have been arriving very early and leaving carts, buggies, bags, or multiple items to reserve spots in line for themselves, family, or friends. This is not allowed. You must be physically present in line yourself to receive a ticket number. No one may reserve spots for others. Do not leave your belongings unattended, and do not use personal items to hold places in line for people arriving later.

- Once again, we kindly ask everyone to be respectful to our volunteers. Without their support, hard work, and sacrifice, we may be forced to close this distribution.
- Please help us so we can continue service the community, please take boxes and garbage to help keep our overhead cast down and clime your reward gift for doing so.
- Please reminder to return the card number if you decide to leave the queue for any reason. We are now missing 3 cards.

Please be respectful, responsible, and fair to others. Manage your time accordingly, remain in line, and do not block the doorway so we can stay on schedule. Our volunteers also have families, personal commitments, and cleanup responsibilities after distribution, as well as preparations for Sunday services. Your cooperation and consideration are greatly appreciated. Blessings VCCI and GSM Team

Blessing!
