FROM OUR SENIOR MINISTER

Rev. Dr. Elizabeth Bingham

FAITHFULLY YOURS

We hold our breath and we wait for Easter to dawn with its light, its hope, and its promise of new life, everlasting life. As we wait, we join Jesus for His Last Supper with His disciples. We kneel with Him in the garden as He prays to God in anguish, shedding tears of blood. We hear Peter's words denying He even knows Jesus, wondering and worrying that we might have said the same.

We journey with Him to Calvary, carrying our own crosses, our own burdens, our own sins, our own sorrows. And then at the foot of the cross we hear His last words, and weep with the other women who are there, with His mother Mary. And then we walk to the garden tomb where He was buried, trembling with sadness and fear for what might await us.

We hold our breath waiting for Easter's dawn of light and hope and promise, but as we wait our own world darkens. The cloud of darkness and shadows of grief overwhelm us as we hear, once again, twice again, sound of gunfire. Our hope is frozen.

We too walk to the garden tomb, trembling at what might await us. It seems sometimes as if the world can no longer hear the songs of rejoicing, the world can no longer dare to hope that the tomb will be empty, that the words will still ring true "Christ has risen, Christ has risen indeed."

And yet it is true. The tomb is empty. Christ has risen. Christ conquers death in each moment that one who was lost is remembered, is honored, is surrounded in prayer even as the soul returns to the God who gave us the gift of that very life. Christ conquers death in each time that a hand is offered to someone who struggles to find their way. Christ conquers death in every word that is spoken, every action that is taken to end the hatred, to halt the violence and to heal our broken world.

Yes, Christ has risen. Yes, Christ has risen. Christ has risen indeed!

Let us live in the light of the Lord! Love and blessings to all, *Beth*

DEACON NEWS

Nancy Nelsen, Chair

The trend of the data for the virus seems to be improving so that hopefully soon we will be meeting in person with appropriate precautions and beginning our new church year for boards and committees. In anticipation of this, the Deacons are asking for members who are not already on a board or are leaving another board to seriously consider joining the Deacons Board for 2021-2023.

According to the church's By-Laws, Deacons have several main responsibilities. The first is working with the pastors to minister to the spiritual needs of this church and community. They assist in the preparation and administration of ordinances, in caring for the poor, the sick, the sorrowing, and the stranger, as well as cultivating and nurturing prospective members. They also make the necessary preparations for communion services. There are a few other small responsibilities that they have as situations arise regarding membership and pulpit supply. In addition they are also responsible for several projects that have been established over the years, such as the Christmas Families project through the Children's Bureau of LA, the Christmas in July project, the Angel Fund, organizing the Laity Sunday service, hosting an all church picnic on Rally Day, and assisting with Holy Week services.

In the past, the Board consisted of 12 members that serve a two year term with the option of serving one more term. Currently there only eight active Deacons, and two of those have completed their two terms plus stayed on the board an extra year because of the pandemic. A minimum of two new people will need to be added in order to fulfill the responsibilities that need to be completed.

Being a part of the Deacons is interesting and very rewarding. Working together we become bonded in our service to God, our members, pastors, and community at large. There is a helpful manual that outlines the responsibilities and projects of the Deacons. If you have interest in joining the Deacons, please contact Robert Jones, chair of the Nominating Committee, Nancy Nelsen, Pastor Beth, or Pastor Curtis for further information. Thank you. *Nancy*

CHRISTIAN ED NEWS

Jan Long, Chair

The Christian Ed Board works diligently to provide interesting options for our members and children to be able to explore and expand each one's horizons and enlightenment as we grow in our spiritual pursuits. We are believing in five good souls to hear the calling to join the Christian Ed Board; each one of these individuals will bring a variety of talents and interests to help further these efforts. Could this possibly be you...? You'd be joining a fun group of people who do good things for our church. Please contact Jane Poole or Jan Long to explore the possibilities of becoming a part of COTC's educational pursuits. Thanks so much! *Jan*

JANE'S CORNER

Jane G. Poole, CE Director

“The world is a better place because of you. Yes YOU”

A man in the UK and his neighbor are the main characters in this story. The younger man’s name is Giorgio and he posted a video online of him listening to his neighbor play piano. From the start, he enjoyed hearing the neighbor’s playing. One day shortly after the playing began, Giorgio left a message on his neighbor’s door, asking if the neighbor could play the song “My Heart Will Go On”. The message back was clear when the neighbor began playing it. This was the beginning of a lovely friendship posted on Tik Tok. Giorgio left another note thanking them for playing, and they said, “this is actually fun, let’s keep doing this”. The note went on to say, “when I stop, you start”. Once Giorgio stopped playing a piece, he heard his neighbor through the wall pick up the playing. After a while of this wonderful interaction, they agreed to meet up on the weekend. It became a made for film perfect story.

Living through the lockdown can be lonely, and any interaction can lift someone’s spirits. One day Giorgio finally met the mysterious piano playing neighbor. He turned out to be a 79 year old widower who lost his wife due to COVID. His name was Emil originally from Poland. The apartment he was staying in was temporary, and the reason he played was because his wife loved when he played the piano. It gave Emil comfort. From this interaction, they both felt hope and a special friendship.

Whether you are playing a musical instrument together or knitting together, friendships are fundamental in our lives. We need to cherish them, nurture them and be present in them. Same goes with our relationship with Jesus. Jesus is on the other side of the wall, playing a life duet with us. We should reach out and leave notes for him (prayers) as he is the light in our lives, in daylight and in darkness.

Peace, hugs and love, *Jane* PS. *Please remember to be quiet with God!*

THROUGH IT ALL

Trust in the Lord with all your heart; do not depend on your own understanding. Seek His will in all you do H will show you which path to take. Proverbs 3:5-6

Through it all...our greatest calling in life is to trust the Lord with all our heart. I know that you may not understand the hardship that you are going through.

The struggle is real. Maybe you are “doing” all the right things and making good choices in your life, but still are not satisfied or overcoming. But wait...do you trust God? Recently I was reading a “How To” article that popped up on Facebook; this one happened to be on saving money and better budgeting that would supposedly save you hundreds of dollars each month. Who couldn’t use some extra money? I am a budgeter and bargain shopper by nature.

At the end of the blog, I realized that I was doing all but maybe one of the things on the list, and that I was working on this year already. As I was contemplating the message and what I was doing wrong on the list a still small voice said, “But are you trusting me?”

How many things in our life do we think we are trusting God for but are still trying to do things on our own? I don’t believe that the meaning of “through it all” is an “in -case-of-emergency” situation. In every aspect of our life as we go through it all we learn to trust God and depend on His Word in every moment and with every breath.

I thank God for the song written by Andrae Crouch. It was this song that brought me through many hard and difficult situations. Learn to trust in God even when maybe you don’t feel worthy of the words or calling on your life. God is still able to render a harvest in your life. **Believe it! Curtis**

Thank you, Lord, for using ordinary people to share your extraordinary message of faith, hope and love. Thank you for giving us the opportunity to learn to love and trust you...though it all!

~~~~~  
**Through It All** by Andrae Crouch

I've had many tears and sorrows,  
I've had questions for tomorrow,  
there's been times I didn't know right  
from wrong.  
But in every situation, God gave me  
blessed consolation, that my trials come  
to only make me strong.

Refrain:

Through it all, through it all,  
I've learned to trust in Jesus,  
I've learned to trust in God.

Through it all, through it all,  
I've learned to depend upon His Word.

I've been to lots of places,  
I've seen a lot of faces,  
there's been times I felt so all alone.  
But in my lonely hours,  
yes, those precious lonely hours,  
Jesus lets me know that I was His own  
Refrain

I thank God for the mountains,  
and I thank Him for the valleys,  
I thank Him for the storms  
He brought me through.  
For if I'd never had a problem,  
I wouldn't know God could solve them,  
I'd never know what faith in God could

**A MISSION MOMENT: A letter from UrbanHarvester & StoneSoupProjectLA**

3/24/21

Happy Spring to our friends at Congregational Church of the Chimes!

Here's hoping you all are staying safe and healthy through these challenging times. It is with delight that I am sharing my *mission moment* with you for April '21.

Early in 2020, Urban Harvester launched "The Chill Project" to help non-profits gain extra freezer space for food donations. Our plan began with the purchase of a small freezer to expand capacity in order to distribute frozen meals, like quarts of soup and chili. We successfully placed our first freezer at the start of the pandemic with The Senior Center of Pasadena, whose clientele includes homeless and senior adults from surrounding areas. The Chill Project facilitated dozens of precooked soups and stews for their clients to enjoy at home. Soon after, we began connecting ready to share meals and produce to many non-profits such as Hope of the Valley, Mend and the Hollywood Food Coalition.

One of our partners is locally-based Chef Richard Weinroth: You may remember Richard for his inspiring western-themed meal that he created for the CotC annual dance and fundraiser. I was proud to be his sous Chef and many friends came forward to assist us that day as well. Richard recently launched a new project called *The Stone Soup Project LA*. For those who love a hearty soup or stew, Richard cooks them fresh in a professional kitchen and hand delivers to your door throughout Los Angeles. Customers purchase freshly frozen quarts of soup for their home, and many happy customers end up freezing his products for future use. *The Stone Soup Project* donates additional quarts to non-profit organizations, and Urban Harvester sponsored enough for Richard to cook 50 quarts of soup to assist Church of the Chimes' community service efforts. If you'd like to join in supporting this project with us, we invite you to check out his tasty soup and enjoy!

Looking forward to seeing everyone again in the near future, and hope you and your communities stay safe and well!

## Thoughts to Ponder

One day, you are going to hug your last hug, kiss your last kiss and hear someone's voice for the last time, but you never know when the last time will be. Live every day as if it were the last time you will be with the person you love.

Between yesterday's mistakes & tomorrow's hope, there is a fantastic opportunity called

### Today

Live it! Love it!  
The day is yours!

As you get older, you'll realize that a \$300 watch and a \$30 watch both tell the same **time**. A Michael Kors wallet and a Forever 21 wallet hold the same **amount of money**. A \$100,000 house and a \$300,000 home host the same **loneliness**. A Bentley will also drive you **as far** as a ford.

True happiness is not found in materialistic things, it comes from the **love and laughter** found with each other.

John Bogle, the Vanguard founder who passed away in 2019 once told a story about money that highlights something we don't think about enough:

At a party given by a multi-billionaire on Shelter Island, Kurt Vonnegut told his pal, Joseph Heller, that their host, a hedge fund manager, had made more money in a single day than Heller had earned from his widely popular book, *Catch 22*, over its whole history. Heller responded, "Yes, but I have something he will never have...enough.

**Enough**...I was stunned by the simple eloquence of that word—stunned for two reasons: first, because I have been given so much in my own life, and, second, because Joseph Heller couldn't have been more accurate....

For a critical element of our society, including the most wealthy and powerful among us, there seems to be no limit today on what enough entails.

People: She doesn't act like a Christian  
God: I don't need actors

**We are not aging, we are ripening to perfection.**

~~~~~

Lilies may be ordered for \$12 each through the church office and may be picked up any day the following week.

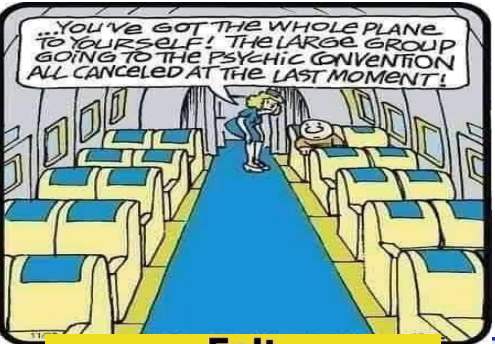

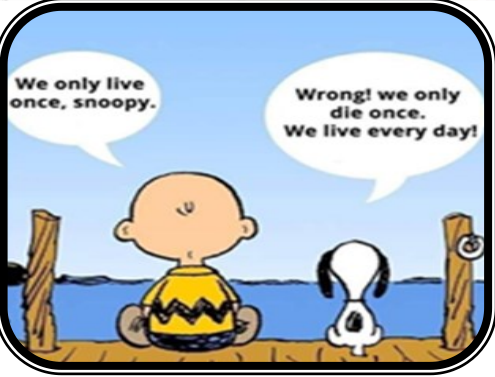

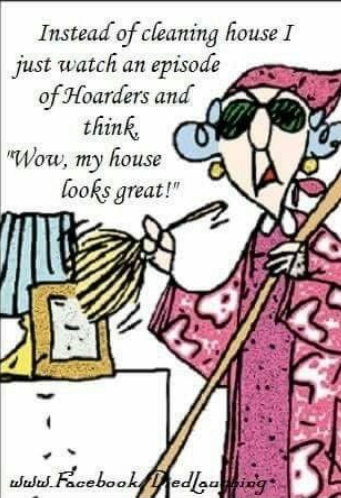

**GET AMUSED...**

One day 2020 will be the one-word Catchphrase for everything messed up. "Hows your day?", "A total 2020.", "Say no more."

**My truck load of antidepressants has arrived.**

**Felt uncomfortable driving into the cemetery. The gps blurted out you have reached your final destination.**

**Two things to make your day better:**

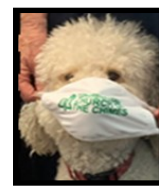

- Do not watch the news.
- Stay off the bathroom scales.

"No! She can't come out to play again."

## TRUSTEE NEWS

Greg Abbott, Chair

Not a lot to report this month. The biggest thing is we met in person, being the first board to do so. We will continue as all those attending are either vaccinated or have had the virus. Curtis Leseman continues to work on the sign permit. He has not yet located permits for the existing signs on Magnolia and Hazeltine as we don't know when they were constructed. Can anyone help us with this? There was a leak around a vent in the Bower Hall kitchen that has been repaired. One of the Bower Hall refrigerators suffered a compressor failure which has been replaced. The area around the CE building oak tree has been secured with cones; a more permanent solution is forth coming. Till next time, **Greg**

## COTC: A diverse, and loving Christian community accepting of all.

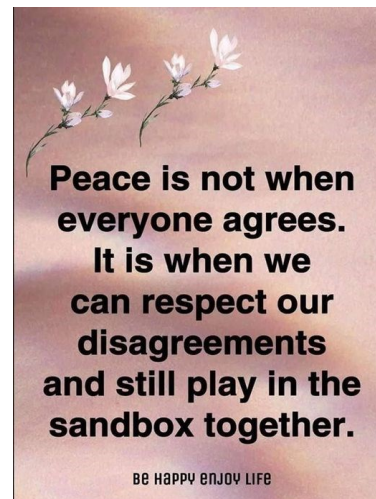

We have been through much this last year: We have fought a virus, experienced an intense election, and became tragically aware of the continuing presence of hatred and racism in our country. In the midst of the pandemic people took to the streets to protest the death of George Floyd and the new awareness of the racism our African American brothers and sisters continue to endure. As a nation our eyes and hearts were opened wide.

Now we are seeing racism and hatred finding a new target. Our hearts open wider as we see the racism and hatred and prejudice that our Asian American brothers and sisters have experienced for so long, that became so horrifyingly visible to all of us after the Georgia shootings. Much of the discrimination and hatred that the Asian community has experienced has been spoken by the victims but not heard or heeded. This must change. On March 26th we observed the National Day of Action and healing and answered the call **#stopAsianhate**.

At Church of the Chimes we are committed to supporting the Asian American community, and all those who are targets of hate. In the words of our Racial Equity discussion group, Church of the Chimes is "A diverse, and loving Christian community accepting of all." And we heed the Lord: "This is the greatest commandment, that you shall love the Lord your God with all your heart and with all your mind and with all your strength. The second is like unto it: You shall love your neighbor as yourself." Let us remember that each one of God's children is our neighbor.

Let us take the next step together by committing our faithful selves to speak God's truth and live God's love as we follow Christ's path of justice and mercy and peace for all people. *Dr. Bingham*
