## **FROM OUR SENIOR MINISTER**

Rev. Dr. Elizabeth Bingham

### **FAITHFULLY YOURS**

Dear God,

Although I have talked to you a fair amount I haven't written you for a while, so I thought I send you a letter to catch you up on what is happening around here (although I am sure you have been keeping watch over us...)

Well, here in California it is very hot, and it is very dry and there are a lot of fires all over. I know you are trying to help us take care of the land. We are trying hard, and hope we can do better. But we are wanting to make sure that the brave men and women who are fighting the fires are safe. We know they are taking great risks to save property and lives.

And we are all worried about the Delta virus. It is spreading so fast and so many people who haven't had shots are getting sick. Now we are praying that they will get well. And we pray that everybody will do everything they can to stay safe: getting the vaccine, wearing masks and remembering that there are people who can't get shots. We worry especially about our children—because they are your children, God, and we have promised to keep their precious lives safe and healthy.

We also have been hearing a lot of angry hateful words these days. Help us to remember Lord that you have created each one of us as your beloved, no matter how we look or how we talk or where we live or who we love.

But there are some wonderful things too, God. Being the minister of this wonderful Church of the Chimes is such a great gift you have given me. The people here have great big hearts and are so generous in their time and in their gifts and in the way they watch out for each other. I love the banner on the lawn that says that we are a "Diverse and loving Christian Community accepting of all." We couldn't ask for more.

And God, I can't help but count my blessings every day. You guide us through the difficult times. You shine light on the shadows that darken our lives. You give us friends and family who walk with us and make your love real to us.

Thank you, God. Thank you! Love, Beth

P.S. You don't have to write me back. I see your answer in the sunrise and the sunset, in the good souls who help in so many ways, and in the love that protects me and assures me.

## **GRACE BEFORE EATING**

**Joi Staves, CO-EDITOR**

Whenever my family gets together, food is always involved, and before each meal we join hands and sing a song of thanksgiving twice through—the first time is reverently sweet and the second time is sung fast and joyously:

Oh the Lord's been good to me!  
And so I praise the Lord  
For giving me the things I need...  
The sun the rain and the apple seed!  
Oh the Lord's been good to me! Amen

### **Children & Youth**

It's been a very busy couple of months! We have resumed in-person gatherings with the two groups: Early/Older Elementary and the Youth BE Bold group. We have thoughtful Bible based sessions as well as movie nights with dinner and endless popcorn! Starting in August, we'll have the COTC Olympics, and then we'll start our summer project which will be making quilts with inspirational thoughts about our emotions and character. It's going to be super fun and we'll present the quilts to the congregation in September with a mission twist. Details to be revealed in the September Chiming In!

### **Woman's Bible Study (WBS)**

This group continues to gather weekly via Zoom. We're diving into the book of Acts, and we invite all women to join our caring sharing group!

### **10 THINGS GOD CAN'T DO!\***

Did you know there are things God can't do? Honest. Really! Maise Sparks put together this list of inspirational Bible verses to encourage and strengthen us. I hope they give you a bit of insight and support!

1. **God can't get tired!** "Do you not know? Have you not heard? The Lord is an eternal God, the Creator of the whole earth. He does not get tired or weary; there is no limit to his wisdom." ~Isaiah 40:28
2. **God can't take on a job he can't handle!** "Ah, Lord God! Behold, you have made the heavens and the earth by your great power and outstretched arm. There is nothing too hard for you." ~Jeremiah 32:17
3. **God can't be unholy!** "They called out to one another, 'Holy, holy, holy is the Lord of Heaven's Armies! His majestic splendor fills the entire earth.'" ~Isaiah 6:3
4. **God can't be prejudiced.** "Then Peter started speaking: 'I now truly understand God does not show favoritism in dealing with people, but in every nation the person who fears him and does what is right is welcomed before him.'" ~Acts 10:34-35
5. **God can't break a promise.** "I will not break my covenant or go back on what I promised" ~Psalm 89:34
6. **God can't remember sins he's chosen to forget..** "I, I am the one who blots out your rebellious deeds for my sake; your sins I do not remember." ~Isaiah 43:25
7. **God can't make a loser.** "Now thanks be to God who always leads us in triumph in Christ." ~2 Corinthians 2:14
8. **God can't abandon you.** "Be strong and courageous! Do not fear or tremble before them, for the Lord your God is the one who is going with you. He will not fail you or abandon you!" ~Deuteronomy 31:6
9. **God can't stop thinking about you.** "How precious also are your thoughts to me, O God! How great is the sum of them! If I should count them, they would be more in number than the sand; when I awake, I am still with you." ~Psalm 139:17-18
10. **And finally—God can't stop loving you.** "In a faraway land the Lord will manifest himself to them. He will say to them, 'I have loved you with an everlasting love. That is why I have continued to be faithful to you.'" ~Jeremiah 31:3

Blessings! Jane ~~~ PS. *Please remember to be quiet with God!*

Rev. Curtis Peek

### **IS MY LIVING IN VAIN?**

*"I, the Lord, search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings."*

~Jeremiah 17:10

I don't know about you, I'm so glad my fate is not in the hands of man, but in the hands of a Sovereign God. It is God who has the final say in our lives. He knows who is really on His side and who is faking and making a lot of noise that is all emotional and means nothing.

In the word of God it says, *"If I speak in the tongues of men or of angels, but do not have love, I am only a resounding gong or a clanging cymbal. If I have the gift of prophecy and can fathom all mysteries and all knowledge, and if I have a faith that can move mountains, but do not have love, I am nothing. If I give all I possess to the poor and give over my body to hardship that I may boast, but do not have love, I gain nothing."*

So if you know someone who fits into this category, don't worry about it because God has said all they are doing is worth nothing if they truly do not possess the love of God in their heart.

If you are rolling around speaking Jesus but do not have the love of God in your heart then your living is in vain and your effort and energy is nothing but noise to the Father. So make sure your heart is with the Father. If it is, then don't worry about what man says, just keep living your life for Christ. In the end you will be able to hear Him say, "Well done, my good and faithful servant."

These words coming from my Father will be all I need to hear because then I will know that my living was not in vain and He accepted what I did for His Glory. Don't waste your energy thinking about what people think, just keep your focus on the Savior and what He thinks of you.

Hear what God has to say...***Believe it!*** Curtis

### **Los Angeles County COVID Protocols: Masks indoors!**

As we have been since the beginning of the pandemic our church will follow the directives of the Los Angeles County Department of Health. The current directives are that all people should wear masks indoors regardless of their vaccination status.

This is a way to protect each of us, and to protect each other. We are especially concerned about our children who are not yet eligible to be vaccinated and those who are unable to be vaccinated. As you know the Delta variant is particularly contagious.

These are not easy times but we really appreciate your cooperation and understanding. Because when we are protecting and caring for others, we are living God's love....So thank you!

*But seek first the kingdom of God and His righteousness,  
and all these things shall be added to you.*

MATTHEW 6:33

**GET AMUSED...**

We all get heavier as we get older because there's a lot more information in our heads. So I'm not fat, I'm just really intelligent and my head couldn't hold any more so it started filling up the rest of me. That's my story and I'm sticking to it.

BAD NEWS SOLDIER. YOU'RE BEING TRANSFERRED TO A MASH UNIT.

I was at lunch with an old friend & pointed at two elderly ladies across the room and said "That will be us in 10 years". She said "That's a mirror".

**COTC'S POST-PANDEMIC RUMMAGE SALE** Michele Marot Co-Editor  
(And boy, did we need it!)

Yes, the sheds were overflowing with generous donations! But thanks to several volunteers, over the course of three days, most all of it was organized and piled high on tables with nicer items on display in the "Like New" Shop. Besides thanking our lovely lady volunteers, I'd like to give a quick shout out to some of our men who came out to help - love ya! It was a lot of work, but it included wonderful highlights and blessings throughout! And thanks to some lovely

neighborhood banners and timely advertising including an impressive ad in Craigslist, a surprisingly long line of customers formed early outside the doors in anticipation of finding the treasures inside. Curtis Peek showed up early with Starbucks coffee (Thank you - that was so thoughtful!), and at 8 o'clock we all formed a circle and prayed that all would go well. And it did!

Yes, there were pickers - people looking for items to resell for a profit - but they were well-behaved and paid the asking price. But most customers were from the community buying much-needed practical items for their families. There was a young girl who needed a cage for "Blueberry" And an older woman looking to replace items lost in a home fire. And there was a young man buying a pile of jeans and jackets who found \$19.00 and change in a pocket and turned it in to us. Why? Because he was honest and wanted to do the right thing by the church! Another blessing: Several gently used purses were snagged for a Women's Bible Study's Purse Ministry that will be filled with personal items/toiletries to gift to women in shelters. Folks were asking when we would have the next rummage sale. Some even showed interest in visiting our church! The day's proceeds will go toward college scholarships and church repairs. At the end of the day, blessings continued with all the left over items being bagged and ready for pick up by other non-profit groups. Thanks to all for your continued support!

- Rummage sale donation tips:
- Items should be clean and in working order
  - Clothes should not have paint, stains or holes (exception: popular "torn" jeans)
  - Shoes - no holes; no singles please
  - Check your purses and pockets for money before donating!
  - Donate jewelry separately for the Golden West Fair Jewelry Booth.
  - Items can be left in boxes/bags outside of the storage shed in the church parking lot, but maybe give the office a quick call so someone can put them away - unfortunately we've had people pilfering and stealing donated items in the past.

Since we have not returned to normal operations, communion cups will continue to be handed out as you enter the Sanctuary. Also, in spite of Ralph's best efforts, we were not able to put together Christmas in July with the LA Children's Bureau. We didn't meet in July and future meetings will be scheduled on an as needed bases. *All the best, Greg*

## **TRUSTEE NEWS**

Curtis Leseman, Chair

The Trustee Board held it's meeting on July 20, 2021, in person following current guidelines. The Treasurer, John Van Veen reported a small positive cash flow for the month of June due mainly to the use of the campus by the filming industry. While pledges received are increasing for which we are most grateful we are still below our budget predictions. The year-to-date budget still shows a negative cash flow.

In other news, the water heater in Bower Hall failed causing a flood in the basement damaging the air conditioning exchanges which has been repaired. The board is currently obtaining bids for repair of the fence along Hazeltine and for resurfacing the parking lot. A bid to replace the aging circuit boxes in Bower Hall was passed and the work should begin shortly.

The Trustees are reviewing a list of campus maintenance items and establishing priorities for their completion. We have received one bid and are awaiting a second for a possible security person to be present for our church service.

Respectfully submitted, Curtis

## **OUR STEWARDSHIP DRIVE: Reach in to Reach out!**

We thank each one of you for your continuing support of our Stewardship Drive: "Reach in to Reach out". Reaching into your pockets so we can continue to reach out with our worship, our educational programs, and our gifts to missions organizations is a blessing indeed!

Estimate of Giving cards are available in the office. Knowing the potential level of giving helps the church immensely as we continue our journey down the path of serving the needs of our church community. Thank you for the blessing of your generosity!
