## **FROM OUR SENIOR MINISTER**

**Rev. Dr. Elizabeth Bingham**

### **FAITHFULLY YOURS**

After the Congregational lecture, our National Association of Congregational Christian Churches' Executive Director, Rev. Dr. Ashley Cleere, gave at our annual meeting, I began to realize that some of the things I have always believed, might not be true—at least in their deepest sense. For years and years, at any chance I have, I talk about the Mayflower, and how full it was as it crossed the Atlantic to the New World where the “Pilgrims” could worship freely. Have you ever seen Mayflower II and how tiny it is? There were 102 in that vessel. Impossible to imagine how difficult that boat ride was. Eighty-eight “Saints” (which is what our spiritual descendants called themselves) and fourteen “Strangers” (those who were riding the seas to practice a trade or begin a business.)

Now there are manifests and journals which would claim that the number 102 was correct. But that was only that trip in 1620. As Dr. Cleere made clear, those were only the “Plymouth Pilgrims.”

We are pilgrims too. We too have the opportunity—the challenge, really—to get on a boat that will take us to the future where we can make God known, where we can follow Jesus as He calls us to Him. We are pilgrims too, seeking a place where we can make God known.

There will be wild seas, for sure. We will sometimes wonder, “What was I thinking,” but when the first light of hope dawns upon us, when the first soul responds to our gifts—to feed their body and their soul—well...we will have found our own Plymouth.

If the boat is crowded, that only means that more of us are on the same journey, to seek God. To know Christ. And to love one another!

*With Deep Affection, Beth*

**COTC DRAMA TEAM****Wade Young & Michele Marot, Co-Chairs**

On Saturday, July 9th, at 7 pm, a hush came over the crowd in Bower Hall as Jaqie Jones, dressed like Carol Burnett's "charlady," took the stage and inadvertently found herself competing against our own gorgeous Kerstin Schulz in a dance audition! Thus began an enchanting evening of entertainment! It was our first annual skit night production of COTC's Not Quite Ready for Chime Time Players, "Keep It Clean."

Despite a few COVID challenges, and related last minute changes, we were able to pull together 11 acts, 7 of which were original. The evening included music, dance, and comedy as well as a hula hoop act, a contortion act, drums, and Gaucho Boleadoras from "The Masters of Performing Arts Youth Circus Troupe" (led by Hayley Cabral). Another touching and insightful highlight from the evening was a viewing of the YouTube music video by Shirley Zaragoza's singer/song writer daughter Raye, called, "Change Your Name." But possibly the most exciting part of the evening's performance was when Jaqie and Michele (bandits) got to beat Beth (the victim in the "Good Samaritan") with pool noodles! (Opportunities like that just don't come along very often!)

We hope you were able to attend and enjoy the show in person; we've had a lot of good feedback. But if you missed it, you'll find a link for it on our social media pages in August. Enjoy!

Have you ever considered yourself an artist? Painter, poet, sculptor, performer, musician or other? As a child or teenager, did you have a passion for the arts, but then somehow life's challenges or some critique made you question your desire to artistically express yourself?

Coming soon: The Chime Time Players will be organizing a 12 week study workshop on the book, "The Artist's Way: A Spiritual Path to Higher Creativity," by Julia Cameron. We hope to start the workshop this Fall. Stay tuned for the Sunday announcements and next month's newsletter for more information on how to get involved.

Golden West Fair 2022 Coming Soon! October 8, 2002

Preparations are already being made by a group of us Chimers for Golden West Fair 2022. The plan is to return to a "normal" fair this year barring any unwelcome surges. We hope that all who are interested start planning their involvement. Let us know your area of interest. New suggestions are always welcome. Look for maybe two meetings after Church in August and maybe three meetings in September followed by set up Saturday October 1, 2022. It's going to be a great event. Come and join in the fun!

**FROM OUR ASSOCIATE MINISTER****Rev. Curtis Peek****FOR ITS ONLY A TEST!**

"No test or temptation that comes your way is beyond the course of what others have had to face. All you need to remember is that God will never let you down; He'll never let you be pushed past your limit; He'll always be there to help you come through it."

~ 1 Corinthians 10:13

We all go through times when our faith is tested. Some of us, though, need to take the test over and over. God often allows things to happen in our lives to test our faith in Him. But we can be assured that He will not test or try us beyond what we can handle - though at times it can seem overwhelming.

When going through these times, we still need to lean on God, in fact, we need to lean on Him more. God is not a mean God. He doesn't let us go through times of testing just to be entertained. Not at all. He is our loving Father. He knows that going through these times builds our faith, it builds our character, and we are more able to help those that are going through the same things.

It's much like us as parents. Though we love our kids, we need to allow them to go through the upsets and disappointments in life. Though we'd like to, we can't take their pain away. We also need to let them suffer the consequences of wrong choices. It's so hard to step back, but it's needful so they will learn and grow. I see that with God our Father. He loves us so much, and knows what's best for us. And He will never, never give up on us.

If you are going through a time of testing, remember God loves you, and He will walk with you. He will bring you back into a time of blessing . Remember the "Footprints" poem: If it gets too tough – God will carry you! **Believe it! Curtis**

## **DEACON NEWS**

Not a lot to report this month. Cindi is continuing our long tradition of sending birthday cards to everyone for whom we have contact info. Let the office know if you got missed as Cindi is constantly updating info. She is also sending other types of cards as the need arises. We tried new communion cups and they worked. We also purchased new ones that look the same as the others that didn't work, but these do. We are committed to hosting receptions in August. We will also put together a gift basket for the CWS BBQ. (Thanks, Jeri.) We continue to see new people come in on Sunday. Hopefully everyone will take the time to introduce yourself and make each new person feel welcome.

Until next time, Greg

## **PURSE PROJECT SUCCESS**

Fifteen well-stuffed purses were delivered to Genesis House on June 23 and were very well received!

Sponsored by the Women's Wednesday Night Bible Study, the Purse Project has become an annual event where many generous donations of toiletries and personal items are placed into gently used purses and delivered to women at a local shelter. It's women helping women at risk.

Also included in the purses are beaded bracelets, made by our Tuesday Craft Ladies, and our church calling card with a hand written message: "Handmade with TLC by the ladies of the church—A diverse and loving Christian community, accepting of all."

Thank you for your donations, and thank you to the ladies in the Women's Wednesday Bible Study and the Tuesday Craft Group for your good work!

**"Be strong in the Lord and the strength of His power!"**

What a VBS week we had! The campus was transformed into "Knights of the North Castle" over two weeks, and when the week of VBS began, we were transfixed by how utterly adorable and wonderful the kids were. They made us laugh, hugged us, and challenged us with questions like: "What does God look like?" Or, "When you get to Heaven what's it like?" Or, "Can we talk about the Holy Spirit please". Or, "Did Jesus have a beard like yours?" Answer to this one: I was gifted a "Jesus" beard from Pat Olsen before she and

Gary moved to Arizona. I led the "Armor Up" Bible Time area this VBS, and I can tell you with 100 percent of my heart, I felt her presence, but the beard didn't look nearly as good on me than it did on Pat...but I tried! Each day we focused on a "Castle Callout". These were the stories we talked about: Day one we Armored Up with Truth from the story of Shadrach, Meshach and Abednego. We Armored Up with Justice as we talked about the story of David defeating Goliath. We Armored Up with Peace as we revisited the Christmas story of Mary and Joseph and the birth of Jesus, and realized, this is a 24/7 365 days a year story! We Armored Up with Faith as we walked on water just as Jesus did. (Well to be truthful, we walked on a long piece of blue cellophane, and I have to tell you, this was a very powerful exercise.) And finally, we talked about midnight praise with Paul and Silas while Armoring Up with Salvation.

It was a blessed and totally fun week and SOOOO great to be back after a two-year hiatus.

Thank you to all the counselors who helped to decorate the campus and transform it into a frozen Knights of North Castle as well as helping with the kidlets. Also a big thank you to all the leaders for the areas of games, crafts, snacks and Bible story time. Can't wait until next year!

*Blessings and hugs, Jane....and remember to take some quiet time with God!*

### **STAVES CHAPEL ~ STAINED GLASS WINDOWS**

The history of Congregationalism from our roots in England to the founding of Church of the Chimes is depicted in the stained glass windows of the Staves Chapel. The twelfth of the Chapel's fourteen stained glass windows entitled "Gold Rush Churches" is pictured below with a description of its significance. To the right of this are the eleven windows that were presented in previous editions of Chiming In.

#### **12: GOLD RUSH CHURCHES:**

Americans of various Protestant denominations had made their way west. Once there, whether succeeding or failing to strike it rich in the gold fields, they chose to settle on the West Coast.

There was a growing demand by these new comers to have a chance to worship in the faith in which they were raised.

"13: KAWAIAHAO CHURCH" will be featured in the September 2022 edition of Chiming In.

1: "Robert Browne" 2: "Imprisonment of the Faithful"

3: "Pilgrims in Holland" 4: "Mayflower Sails"

5: "Plymouth Landing" 6: "Adoption of the Mayflower Compact"

7: "The First Thanksgiving" 8: "Establishment of Colleges"

9: "Haystack Meeting" 10: "Anti Slavery"
