FROM OUR SENIOR MINISTER

Faithfully Yours

Sometimes the words of the prayers and the poems speak our own hearts. This prayer by Ted Loder from his book Guerillas of Grace might not only be our own prayer, but a prayer for all of us as we gather in this beloved fellowship...

~~~~~  
God of history and of my heart, so much has happened to me during these whirlwind days:

I've known death and birth; I've been brave and scared; I've hurt, I've helped; I've been honest, I've lied; I've destroyed, I've created; I've been with people, I've been lonely; I've been loyal, I've betrayed; I've decided, I've waffled; I've laughed and I've cried.

You know my frail heart and my frayed history – and now another day begins. O God, help me to believe in beginnings and in my beginning again, no matter how often I've failed before. Help me to make beginnings:

to begin going out of my weary mind into fresh dreams, daring to make my own bold tracks in the land of now;

to begin forgiving that I may experience mercy; to begin questioning the unquestionable that I may know truth

to begin disciplining that I may create beauty;

to begin sacrificing that I may accomplish justice;

to begin risking that I may make peace;

to begin loving that I may realize joy.

Help me to be a beginning to others, to be a singer to the songless,

a storyteller to the aimless, a befriender of the friendless;

to become a beginning of hope for the despairing, of assurance for the doubting, of reconciliation for the divided;

to become a beginning of freedom for the oppressed, of comfort for the sorrowing, of friendship for the forgotten;

to become a beginning of beauty for the forlorn, of sweetness for the soured, of gentleness for the angry, of wholeness for the broken, of peace for the frightened and violent of the earth.

Help me to believe in beginnings, to make a beginning, to be a beginning, so that I may not just grow old, but grow new each day of this wild, amazing life you call me to live with the passion of Jesus Christ.

## **I REMEMBER**

### **The Church Truck**

### **Walt Staves**

Almost immediately after the church property was purchased, it became obvious that a truck was needed to use both on and off campus. Money was tight (or else the Staves family wouldn't have been living in Hamilton House!), so buying a truck, even used, was out of the question.

Instead, Andy Miller, the male half of the new on-site custodian couple, Andy & Alice Miller, along with the help of his son-in-law, created one!

Starting with a 1935 Plymouth 4-door sedan, they cut off most of the body, including the doors, rear fenders, and the back half of the roof. What remained were the front seat, floor, front fenders, hood, and the front half of the roof, ending just behind the front seat.

A wooden partition was built behind the seat to support the remaining roof, with a rectangular cutout, to provide a 'rear window'. In place of the rear seat and trunk, a wooden bed with low sides was constructed.

Today, besides being illegal, such a vehicle would certainly stand out. In the early 1950s, the days before tougher vehicle safety laws, in the rural setting of the Valley, the 'truck' fit right in; and it was licensed and insured without any problems.

Most of the driving was done by teenage boys (insurance coverage was different then), in a style that you would expect. I frequently rode along, and it was much more entertaining than most carnival rides of the day! No doors or seat belts, no handholds, lots of wind, few cops, and a young male driver, made for a wild ride!

Turning left was especially exciting for the passenger, since there was nothing to keep you from flying out during the turn. It was best to plan ahead, and grab something sturdy (not the gear shift), to remain in your seat. Thankfully, no one rode in the bed, but only because it was too small to do so, and carry cargo at the same time.

The truck got used on campus quite a bit as well. When it was moved from place to place, you never knew who would jump in and drive, or if they were paying any attention. I once had my foot run over (with no consequence — it was a light truck, even loaded), by an inattentive driver, who was busy flirting with the girls.

This primitive era ended nine years later, when Fred Young, a member of the church, and a partner in Wray Brothers Ford, helped the church buy a new 1959 Ford pickup. What a difference!

I learned how to drive a stick shift on the new truck. It was stored at our house, which was only a block down the street from the church. Vehicles were ridiculously easy to hotwire back then, so when no one was home, I would drive it up and down, up and down our long driveway.

By this time, there were insurance restrictions on under 25 year old male drivers, so I couldn't drive it on the street very often; only when Dad and the Trustees deemed it important to the church. Being a teenaged male and car crazy, I was always available!

### **BEING CONGREGATIONAL: CELEBRATING WHO WE ARE**

*On Sunday, January 5th at 12 noon, a group of people interested in learning more about Congregationalism, as well as about our church and its history, met for an hour in Dreier Hall, enjoyed light refreshments, and had a chance to get to know each other. Those in attendance who are interested in joining the church will be welcomed during worship on Sunday, January 26, in time to vote at our annual Budget meeting.*

If you have any questions, and/or are interested and couldn't make the meeting, please contact Dr. Bingham or Rev. Peek; they will find a time to get together!

### **COMING SOON! A PICTURE DIRECTORY!**

It is time to put together a new picture directory for our church! Lifetouch Photography will be on our campus on February 17 and 18, to take our pictures. They will be put together in a directory along with our contact information. There will be access to an app that will give us all that information on our mobile devices, as well. Each family will be given an 8 x 10 photo, and more may be purchased if desired. So keep the date open, and watch for further information. We will be taking sign up times in person, or you may also go on line.

### **BROWN BAG BIBLE RESUMES ON TUESDAY, JANUARY 7 AT 12:15 P.M.**

Each Tuesday, we bring our lunches and discuss the Scripture for the coming Sunday. The conversations and insights are wonderful, and make the Sunday service even more meaningful. Join us any time, as often as you can. We meet in Dreier Hall from 12:15 – 1:00pm.

### **PRAYER SERVICES: TUESDAYS AT 6 P.M.**

Every Tuesday evening from 6 to 6:30pm, we gather in the Sanctuary for a time of prayer and meditation. There are periods of silence, of community prayers, and a time to bring our concerns to each other. We have a "bidding prayer" when we lift up the prayers of others. If you have a concern you would like us to include in our prayers, please let Dr. Bingham or the office know.

## HISTORY FOR THE CURIOUS

Stanley Dong, Historian

### The Choir of the Kawaiahao Church

At one time the national church of the Hawaiian Kingdom and chapel of the royal family, Kawaiahao is popularly known as Hawaii's Westminster Abbey. It is built of coral blocks many feet thick, which were quarried from an off shore reef. The first service of this famous and historic church in Hawaii was held on April 24, 1820.

Church of the Chimes has had a long relationship with the Kawaiahao Church, because of the close friendship of their ministers, Dr. Abraham Akaka and Dr. Walter Staves.

In late June of 1964, Dr. and Mrs. Walter Staves and three of their children escorted 36 teenagers and their chaperones to Hawaii, to help refurbish parts of the church, and to visit many sites of historic interest. The youngsters had worked to save money for the trip, while studying the history and culture of the islands in preparation for this excursion.

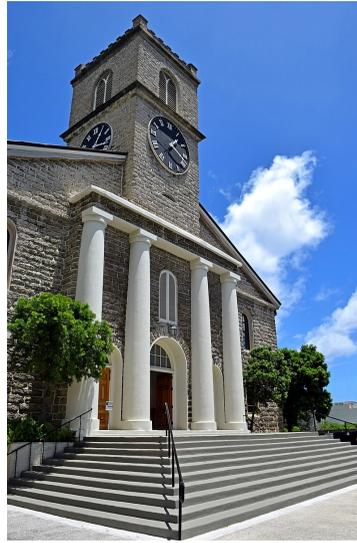

On August 14th and 15th of the same year, 45+ members of the Kawaiahao Church Choir presented concerts of sacred anthems, in both Hawaiian and English, in Fellowship Hall. This performance was part of their cross-country tour that would include performances at New York's World Fair, and the White House, to entertain President Lyndon Johnson and the first family.

The pageantry of the concert was woven with narration, chants, songs, dances and instruments, which portrayed the culture of Hawaii and its native people. The compositions were enriched and sung with great ease and much clarity, by vibrant and pleasant Hawaiian voices.

The choir had its beginning in the days of royalty, when Queen Liliuokalani, then a princess, directed the choir. The present Kawaiahao Choir is organized with officers and music staff members, all working toward developing the highest standard of Christian worship through music. Mr. Daniel Akaka, the Church's Minister of Music, is the Choir Director.

An interesting note is the fact that almost none of the choir members have had any specific voice training, other than the vocal exercises in their weekly rehearsals. The quality of their tones is *sou-expressed*, a rare gift that this group strives to maintain. The wonderful music of these devoted Christian lay people does much to *Glorify God in the Highest*.

### Jennifer Lee

Who's minding the store? That would be our amazing office manager, Jennifer Lee. The church office is often bustling with activity, and can sometimes be a bit chaotic, but in the midst of it all, Jennifer always manages to remain calm and helpful.

Each day she handles a multitude of responsibilities which range from being the first face of the church that people see when they enter the office, and the first voice heard when they call the church...to keeping in touch with the homebound...to accounting duties (various spreadsheets, payroll, payables, etc.)...to helping people unload donations...and even trimming our roses. Yes, Jennifer has a full plate.

In addition to her full-time job at the church, she is the mother of twins, Heather and Andrew. We have all had the pleasure of watching these lovely children grow up before our very eyes, and boy, have they grown. They are in the eighth grade, and now tower over their mother. We are so proud of them.

Jennifer's family is always busy. One of their favorite family activities is their involvement with a charity called Operation Progress. This organization is a non-profit program that works in conjunction with the LAPD. Their mission is to empower underserved youth. It provides scholarships, mentoring, job programs and a summer academy.

A little known fact about Jennifer is her background as a trained classical concert pianist. Jennifer attended the University of British Columbia where she was a music major. During college and her earlier years, she performed in many different venues, but unfortunately lately she has little time for the piano. We keep hoping one day she will perform for us, but she says, "I'm a little too rusty, that probably won't happen."

In any case, we are so grateful for her, and everything she does around here. I don't know how we would manage without her. We so appreciate her care of our congregation...and as our office manager extraordinaire!

Thank you, Jennifer.

### **DECEMBER MEETING REPORT**

Good news from Trustees - we are solvent. This has a lot to do with the income we receive from the entertainment industry, with parking and on-site shoots (thank you Joi). Without that income, we would not be making ends meet. The fact is, most independent Protestant Churches need outside income to balance their budgets. It's not like the old days when the giving from the congregation made up the major part of the budget.

I am encouraged by the fact that our stewardship campaign has yielded an increase in both the number of people and the amount. If you haven't yet submitted an *Estimate of Giving Card*, please do so ASAP as we will be submitting our budget to the Congregation, following church on January 26.

In other news, we have decided to bite the bullet, and submit a zoning variance, so we can proceed with the installation of our new sign. Also we have voted a cost of living adjustment of 4%, for the staff. This covers two years, as they did not get a COLA last year. We will review merit increases once we have input from the Personnel Committee.

The roofs over Dreier Hall, Bower Hall kitchen, and the school rooms have been repaired.

The Trustees will be hosting hospitality receptions in January.

### **ANNUAL BUDGET MEETING: SUNDAY, JANUARY 26**

Plan on attending our congregational meeting on January 26, following our Worship Service, when the Trustees will present their proposed budget for the 2020 year. There will be an opportunity for members to ask questions, discuss, and then vote on our budget.

This is an important meeting! The budget reflects who we are, what our needs are, and how we see ourselves moving into the future.

### **KEEPING UP WITH THE DIMES: *Blessed to Give***

We give out of thanks and appreciation for this church, and for the blessings God has bestowed upon each of us.

Please don't forget to keep up your giving! Our budget is in great shape, but we need the consistency of your generosity to keep the cash flow going. Thank you!

## **COMMUNITY AND WORLD SERVICES**

**Diane Delaney, Chair**

As many of you will recall, on November 17<sup>th</sup>, the CWS Board hosted their 11<sup>th</sup> annual *Samaritan's Purse Operation Christmas Child* (OCC) shoebox packing event. The 130 shoeboxes that were packed by the many members and friends of the church were shipped on Sunday, December 1, to a hard to reach destination. Hard-to-reach areas are nations in the world that are difficult to access with the Gospel of Jesus Christ, for geographic and/or cultural reasons. The specially packed shoebox gifts provide ease of access through customs, and give local believers a culturally-sensitive way to share God's love. *Samaritan's Purse* has delivered shoebox gifts to more than 50 of these countries since 1993.

The CWS Board will meet twice a month, beginning in January to focus on planning the Gala, which will be on Saturday, April 18th (week after Easter)

## CHRISTIAN EDUCATION

Jane Poole, Director

“The angel said, don’t be afraid for I bring good news to you - wonderful, joyous news for all people.”

— Luke 2:10

Biblical character monologues were presented, Bible verses were read; the cutest angels, animals and shepherds stood proudly; looking totally adorable, during our 2019 Christmas pageant, “The Night that Changed the World”.

The cherry on top was the youth bell choir playing “Joy to the World”, to culminate our pageant experience. Thank you to the children who gave it their all, and rose to the occasion, as well as a huge hurrah to the new young readers, who did a splendid job reading Bible verses.

All of the youth were simply marvelous in presenting the story of the birth of our Lord Jesus Christ. Thanks also to Jan, Gloria and Jon for your assistance during rehearsals, and on the day of the pageant, and to the parents who transported their kids for everything. You are all a blessing from God.

“So they went out and proclaimed that people should change their hearts and minds”.

— Mark 6:12

In the months ahead we will be talking about Jesus and the Disciples leading the community of new believers in sharing the Good News. We’ll explore the stories of Levi, Deborah, David, the servant girl, and Josiah, to name a few of the new believer stories we’ll talk about. We’ll learn sign language for scripture, and throw in some games and crafts to illuminate the message of the week.

At some point in the not too distant future, we’ll have a kid’s night out, which will give the new PF group of 6th - 8th graders their own night to hang out. 2020 will bring a couple of new programs; details to be shared at a later date. Woman’s Bible study will resume on January 8<sup>th</sup>, and continue on the 2nd and 4th Wednesdays of each month.

Thank you to everyone for your continued support of Christian Education Ministries! Blessings for a new year ahead.

Look through the eyes of another, be kind, forgive, love!  
And please take time to be quiet with God.

### OPERATION CHRISTMAS CHILD: Stories from the Field

Two young boys named Arjun\* and Vihaan\* were at their daily task of selling milk and bread when Aparna\* asked them their names. As the three began a conversation, the boys smiled and Aparna invited them to her home. There she surprised the boys with *Operation Christmas Child* shoeboxes, and told them about Jesus Christ. (\*Names changed for security)

The boys were so happy to listen to her Bible stories that they asked if they could bring their friends to hear them too. When the boys and girls came, Aparna offered them shoebox gifts and the Gospel as well. Excited, the children

kept coming back to learn more about Jesus. This was the beginning of a class of *The Greatest Journey* discipleship program. Thirty students from non-Christian backgrounds initially attended, and some began going to church services, bringing their parents to worship with them as well. Neighbors of another religion began asking them not to attend *The Greatest Journey*, but many of these children now believe in Christ and worship Him secretly.

### Pray for Your Shoebox Recipient

*Samaritan's Purse* is an evangelical Christian humanitarian aid organization that provides aid to people in physical need as a key part of Christian missionary work. The organization's president is Franklin Graham, son of Christian evangelist Billy Graham. His prayer is that we won't stop praying for the boy or girl that was lifted up when you packed your shoebox.

Please continue to ask God to soften his or her heart to the Gospel of Jesus Christ, so that he or she will follow Him all the days of their life. Pray also for families and entire communities to be transformed, as God's love is shared through your simple gift.

**“Whatever things you ask in prayer, believing, you will receive.”**
