FROM OUR SENIOR MINISTER

Rev. Dr. Elizabeth Bingham

FAITHFULLY YOURS

Some years ago these words from a New Year's prayer by Ted Loder lifted a friend out of despair. Reading this prayer he was able to look ahead to see light even from the shadows of his difficult time. May they offer all of us a hopeful vision of the year to come:

Patient God, in this teetering time this time in the balance, this time of waiting, make me aware of moments, moments of song, moments of bread and friends, moments of jokes [some of them on me] which for a moment deflate my pomposities, moment of sleep and warm beds, moments of children laughing and parents bending, moments of sunsets and sparrows outspunking winter, moments when broken things get mended with glue or guts or mercy or imagination; moments when splinters shine and rocks shrink, moments when I know myself blest, not because I am so awfully important, but because you are so awesomely God, no less of the year to come as of all the years past; no less of this moment than of all moments; no less of those who forget you as of those who remember, as I do now, in this teetering time...O Patient God, make something new in me, in this year, for you. (Guerillas of Grace p. 116)

With Deep Affection, **Beth**

CHURCH OF THE CHIMES TURNS 75 YEARS OLD!

HELP PLAN THE CELEBRATION:

We expect the year to be filled with fun and memories and plans for the future. The highlight will be a grand Birthday Party in May.

Two opportunities to get involved:

- I. Want to plan a party? A group is forming to plan the May Party; they will begin choosing a theme and then making it a wonderful and gorgeous fun filled event...Or...
- II. If you would like to join a group looking at all the ways to make our 75th year memorable, they will be publicizing our 75 years, planning special events throughout the year, reaching out to people from the past and setting goals for the future.

We would love your energy and ideas. Please contact Dr. Bingham or Jennifer in the Church office if you are interested.

YOU ARE WORTH FIGHTING FOR

“God's way is perfect. All the LORD's promises prove true. He is a shield for all who look to him for protection. For who is God except the LORD? Who but our God is a solid rock? You have given me your shield of victory. Your right hand supports me; your help has made me great. Psalm 18:30-31,35
The Lord told Paul (Saul at the time) that “it is useless to fight against my (God's) Will.” You will never change God's mind concerning you. He loves you.”
Numbers 23:19

God desires a right relationship with you and nothing will ever change that. He sent His Son, Jesus Christ, to allow us each a position of righteousness once again. There is nothing we can do other than put our faith and trust in the Lord to receive justice and be made right with God again. Nothing.

God is intent on perfecting that which concerns us. (Psalm 138:8) He is making every detail turn out for good (Read Romans 8:28) according to His Perfect Plan that contains a future and hope. (Read Jeremiah 29:11)

Every single promise God has made to you has the potential and the power to become a reality in your life. The outcome is not based on one's ability to remain righteous standing on their own two feet, but rather one's ability to put all their faith in the Lord and trust Him completely waiting for His outcome rather than settling for less than God's Best.

He has given you a shield of protection that is marked with victory. You are going to win if you do not give up on the Lord. Faith and confident hope produce victory after victory from glory to glory in the life of a believer. This is God's Perfect Plan for your life. He has written every detail with a positive outcome no matter how things look today.

If you believe it, you will receive it. But all too often we are like the Israelites wandering in the wilderness who continually forgot all that the Lord did for them when He brought them safely out of Egypt.

Some cried to go back into bondage fearing they would die on the journey. I must admit there are some days I try to remember what life was like before everything changed. To live carefree in the moment rather than with this burden on our heart. Some days I yearn to go back, but God reminds me to press on. God is with us. He is going to bless us with overwhelming victory if we will just cling to our faith—refusing to settle for anything less than God's Absolute Best.

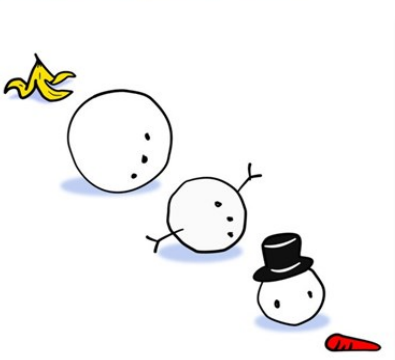

The Lord is on this life journey with you! He will fight against your enemies! He will give you victory! (Deuteronomy 20:1-4) The Lord is fighting for us! (Read Exodus 14:13-14) It is His battle for our heart, and know this: **YOU ARE WORTH FIGHTING FOR...**

Believe it! **Curtis** [Revisiting Curtis' article from the January 2021 Chiming In.](#)

Let There Be Light – Fiat Lux*

Genesis 1:14 begins with the words *And God said “Let there be Light.”*

The acquisition of the light poles on our campus is documented in the *25th Anniversary Volume*, a history of the first 25 years of the Church of the Chimes. This volume was so ably prepared with the loving care and inspirational leadership of the late Alan Ross and his committee. The following narrative was taken almost verbatim from an article in this Volume.

The need for lighting on our campus was a topic of continuing discussion in the early years of the Church. In Spring 1963, an opportunity to acquire some light standards from the city of LA was made known to us by the late Jack Pratt, a LA city inspector and church member. Seventeen light standards in Canoga Park, that were fabricated by the Llewellyn Foundry, were declared surplus as that community was undergoing a modernization of their street lights. Jack notified the Church, and a bid was promptly tendered and accepted by the contractor who was doing the job for Canoga Park. A week later, this contractor was offered 10 times above our bid by Disneyland, but the deal had been struck. These iron light standards were delivered in April of 1963. The Church membership were quick to underwrite the cost of installing these lights through a project called *Buying a Pole*, that provided funds for a crane and other materials. With volunteer help, the standards were set in place within a month.

The plan was to have these lights wired up and ready for use as part of the celebration of our 13th church birthday. For this event, a bandstand on the lawn, complete with bunting, was erected. After the birthday dinner, the members were to arise from their tables and move toward the bandstand, accompanied by the sound of drum rolls. This plan included the spectacle of pushing a plunger to initiate the electricity into the light poles just at the close of twilight. It was meant to be very dramatic. But unbeknownst to all was the fact that the wiring was not completed until just before dinner, and there was no opportunity to test them. Under this setting, can you imagine the apprehension running through the hearts and minds of those involved in this last phase of the installation process?

The enactment took place with Dr. Staves depressing the plunger...

Voila! Lights burst forth from the globes and a tremendous shout went up. The congregation spread out, and groups strolled, hand in hand, over the lawn beneath the gleam of the lights. It was a night and a project to remember!

*Fiat Lux is Latin for *Let There Be Light*, and this phrase is also the motto of the University of California. And do you know that its 1st President in 1868 was Henry Durant, a Congregational Minister from Yale.

Submitted by Stanley Dong during his tenure as Historian.

Dear church family,

Thank you all for your love, support, and prayers after Randy passed so unexpectedly. The many texts, emails, phone calls, cards, & Facebook greetings have been so deeply appreciated. It warmed my heart with the love so many of you shared when you attended his Celebration of Life service. I needed those hugs! You know he loved you all! Thanks also for the beautiful bouquet of flowers sent from the church that was displayed at the reception and kept for the next day's service. I don't know how often I will get back to see you all, maybe for one of the special events coming up in the next year. I appreciate so many of you keeping in touch with me by text, email, or calls. I don't want to lose my connection to you. Please know that I keep my church family in my daily thoughts and prayers! With love and gratefulness, Nancy Nelsen

CHRISTIAN ED NEWS

Julia Keiper, CE Director & Jan Long, CE Chair

Happy New Year 2025 to COTC's friends and families. December was an eventful time for the CE Board and our youth. We want to thank the CE Board members, our BE BOLD teens, and the Sunday School children and families for all your support in filling Christmas Boxes, Hanging the Greens, Lighting up the Night, the Children's Bureau toy drive, and our annual Christmas Pageant. Each of these events brought both joy and hope to my heart and reminded me of the continued generosity of our congregation and community. I hope you were also blessed as you participated in these many holiday activities.

As we enter the New Year, we reflect on the events of the past year and plan for ways to continue celebrating this joyful holiday season in 2025. With the leadership of dr. Bingham, the church council, and all the many boards that support our mission, the future is bright. Our beautiful church is headed for a fantastic celebration of 75 years of worship and fellowship, and the CE Board is looking forward to participating in the many anniversary events in the New Year.

We look forward to seeing our BE BOLD teens on the 1st and 3rd Friday of each month, 6-8 pm, at COTC. The event includes dinner and time for fun and fellowship. All are welcome, & we encourage you to bring a friend. Our schedule is slightly altered in January due to the holiday. We won't be meeting on January 3rd, but we will host a field trip to the Airport on Friday, January 10 and have our regular social time on Jan 17.

Our Sunday School program will expand to include a nursery program and classes for our children ages 2 – 5 in the lower classroom. We will continue to host Sunday School for our children in Grades 1 – 8 in the upper-level classroom following the Children's message each Sunday. A big screen TV in the lower classroom will allow parents to view the service while caring for their infants and toddlers, as needed.

We are grateful for your prayers and good wishes as we continue to provide educational and social opportunities for our children and the congregation. Here's to a fabulous 2025 for us all.

## **TUESDAY CRAFT GROUP NEWS** Cindi Olson | Michele Marot, Co-Chairs

### December 2024 Gift Giveaway at Le Blue Chateau (AKA "Savant")

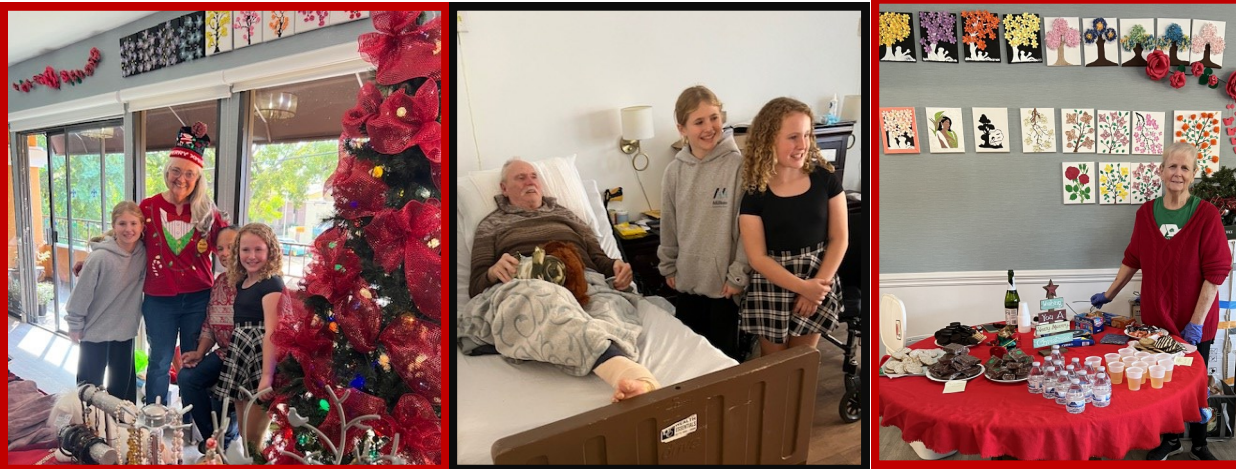

Besides remembering the residents at the assisted living facility with cards and crafts during the year, our Tuesday COTC Craft Group put on our annual "Free Holiday Gift Giveaway and Cookie Social" on December 19th - again a huge success!

Cindi Olson, Michele Marot, and Mary Rosebrock were joined by Julia Keiper and two of her granddaughters to make the party merry and bright! Christmas music, "shopping" (Mary and Michele have been collecting items all year for this event), and a table of refreshments were available after lunch until about 2:30. Residents could come in, choose 2 gifts from an assortment of hats, gloves, holiday mugs, stuffed animals, costume jewelry, 2025 wall calendars, plants, and more, and then partake of cookies, homemade fudge, Martinelli's, etc. with Cindi manning the refreshments table!

Everyone had a wonderful, magical time! One gentleman in a wheelchair showed us his wallet that he'd picked out the year before, while someone else pointed to a knit hat she wears all the time.

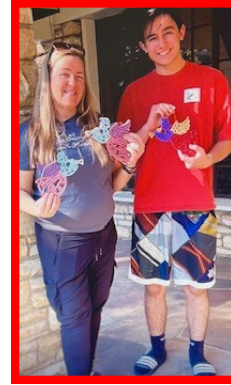

Towards the end, Yoley, Le Blue Chateau's Activities Director and Julia's granddaughters chose many gifts to put on a cart and take around to those residents who were bed-ridden: lap blankets, cozy socks, and stuffed animals were quite popular.

Thank you, Tuesday Craft Group, for creating and supporting this really worthwhile outreach - you made many residents happy for Christmas!
