# **SCHOOL RESOURCE MANAGEMENT NETWORK**

Working together to support schools & trusts

## **Examples of services from members**

**This list is not exhaustive**

## Support Offered to Schools & Trusts

The **School Resource Management Network** is a collaborative group of smaller, often local, consultancy firms and self-employed advisors. Our members cover a wide range of operational support and expertise. This is just a small selection of what they can offer:

### School and academy finance

- ICFP analysis
- SRMA-style reviews
- budget forecasts
- GAG-pooling
- SEND funding
- interim CFO, finance manager, operational support
- procurement projects

### HR for education

- performance management
- restructures
- investigations & formal hearings
- people strategy
- recruitment, retention and wellbeing
- absence management

### Governance support

- strategy planning
- board coaching and mentoring
- training for governors and trustees
- external reviews of governance
- advice and clerking

### Marketing & communications

- income generation
- stakeholder engagement
- grant applications

### Risk management

- risk appetite
- risk management
- resilience and disaster planning
- cyber security

### Estates and compliance

- CIF bids
- compliance checks
- catering and cleaning contract management

### Sustainability

- developing a sustainability strategy
- exploring potential savings

and more....

We also have highly experienced generalists with the skills & knowledge to support your day-to-day operations, to manage projects on your behalf or to temporarily add additional capacity to your team.
