**Subject:** Appreciation for CPR & AED Awareness Program

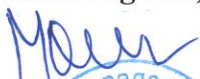

**Dear Sir/Madam,**

On behalf of our entire team, I would like to extend our heartfelt thanks to the Sabka Doctor Foundation for conducting a complimentary Awareness cum Demonstration Program on Cardio Pulmonary Resuscitation (CPR) and the use of Automated External Defibrillator (AED) at our premises on 6th May 2025.

We deeply appreciated the informative and hands-on nature of the session, which was attended by 50–55 participants. The practical skills and knowledge shared during the program are truly invaluable and will go a long way in equipping our staff to respond confidently and effectively in emergency situations—potentially saving lives within our community.

Thank you once again for your generous contribution and for your unwavering commitment to promoting public health awareness. We wish you continued success in all your future endeavors.

**Warm regards,**
