Dear Ms Hemlata,

We take this opportunity to extend our immense gratitude and appreciation for giving us your valuable time and inputs on "CPR- First Aid Training" with staff members of DPS R K Puram on March 07 and March 15, 2022.

The session was highly engaging and informative. The step by step demonstration of CPR guided the teachers, giving hands-on training on how to handle emergency situations with care.

Thanks

Warm Regards

Yours sincerely,

Principal
