Dear Madam,

Thank you very much for conducting a free Awareness cum Demonstration Program on Cardio Pulmonary Resuscitation (CPR) and use of Automated External Defibrillator (AED) in our premises on 27th December, 2021 for 19 students.

We really liked the program and I hope the practical skill gained by our students will be a great help in saving the lives of communities.

Thanks once again and keep up the good work.

For Prayatna
