**Subject:** Letter of Appreciation for Free CPR, AED, and First Aid Awareness Training

On behalf of the Bahá'í House of Worship, New Delhi, we extend our sincere appreciation and gratitude for conducting the free CPR and AED awareness training, along with other first aid topics, for our staff on 20th May 2025.

The knowledge and skills imparted during your session were highly informative and practical. The training has significantly enhanced our team's preparedness to respond to emergencies with promptness and care. The emphasis on life-saving techniques such as CPR is especially valuable in ensuring timely and effective first aid support within our premises.

Your team's dedication to promoting community health and emergency awareness is commendable. We deeply value your initiative and look forward to future opportunities for collaboration that benefit not only our staff but the wider community as well.

Once again, thank you for your selfless service and for empowering our team with critical life-saving knowledge.

Warm regards,

Jaideep Mahalati  
Director,  
Bahá'í House of Worship  
New Delhi.
