To Whom it may concern,

My name is Scott Banks, and I am a retired Senior Chief from the US Navy,

On the night of July 9, 2009, I personally observed our combat assault dog, "Remco" charge two enemy combatants that were hiding in a defilade attempting to ambush our patrol. He was shot in the head about 15 feet in front of the patrol. His actions saved three of our operator's lives. He died in action, saving American lives.

Very Respectfully,

Scott Banks
