

## Letter of Support for K9 Tambo

From: Abigail Bingham

To Whom It May Concern,

It is my sincere honor to write this letter of support for the nomination of K9 Tambo for the AWP Distinguished Service Medal. As the spouse of someone closely connected to K9 Tambo's journey, I have had the privilege of witnessing not just the incredible accomplishments of this heroic canine, but also the deep, personal impact he has had on those around him.

K9 Tambo is far more than a working dog—he is a symbol of unwavering loyalty, bravery, and resilience. Throughout his distinguished career, he protected countless lives through his work in explosive detection, taking on a demanding workload that very few in his field have matched. The sheer number of searches he completed, and the high-profile events he safeguarded, speak volumes about his capabilities and dedication.

But what makes Tambo truly special goes beyond the statistics. When he was forced to retire due to injury, it was heartbreaking to see such a powerful and purposeful animal sidelined. Yet even in the face of further medical challenges, Tambo's spirit never wavered. Thanks to the generosity of Project K9 Hero, he was given a second chance—not just at a healthy life, but at continuing his service in a new way. As an ambassador, he now represents the strength and sacrifice of all working dogs, and he does so with the same grace and quiet strength that defined his working years.

Watching Tambo interact with the public, support fallen officers, and visit Capitol Hill to help advocate for other K9 heroes has been truly moving. He continues to inspire everyone he meets and serves as a reminder of the often-unseen sacrifices these animals make in service to our safety and national security.

For his tireless dedication, his courageous service, and the positive impact he continues to make in retirement, I wholeheartedly support K9 Tambo's nomination for this distinguished recognition.

Sincerely,

Abigail Bingham
