Teen Personal Growth Group - Professional Services Agreement

The Ohio Counselor and Social Work Board regulations require that all clients are fully informed regarding the costs of professional services. I ask that you read this material carefully, and sign below to signify your acceptance of these terms. Members joining the TPG Group make the commitment to pay in advance on a monthly basis.

Expectations - Please read with your teen!

TPG Group members are expected to attend every group meeting. Continuity and showing up are important for group cohesiveness. If a member cannot attend a particular meeting, they are expected to inform the group facilitators that they will be absent.

TGP Group members are expected to attend a minimum of two consecutive sessions before deciding to leave the group. If the member chooses to leave the TGP Group, they are asked to return to briefly say goodbye to the other group members. TGP Group members are expected to respect each other's privacy and to refrain from discussing anything that occurs in the TPG Group with non-members. Any interactions between members that occur outside of sessions are expected to be discussed within the context of the next TPG Group session.

The Fee is \$100 per group meeting for a 75 minute group meeting. Bi-monthly meetings on Thursdays 5:45-7:00pm. Payments are accepted by cash, check (made out to Amy Luzar, LLC), Zelle payable to amy@amyluzar.com and credit cards via Ivy Pay (no need for you to get the app). Ask Amy about Ivy if this is your preference. There is a 3% charge for credit card transactions. Payment is expected for missed groups unless a leave of absence is planned in advance with the co-facilitators.

I have read and understand the above, and accept full financial responsibility for fees incurred within the framework of this agreement. I have received and read the Privacy and Confidentiality Notice Form (available on amyluzar.com) and I have signed the Telehealth Consent Form.
