About this item

- Portable external hard drive — Expand the capacity of your computer with a lightweight and compact solution. The ultra-thin body can be easily put into various pockets, so you can always find your favorite photos, videos, music, etc.
- Fast external hard drive — Upgraded USB 3.1 technology makes this USB hard drive faster and more reliable.ultra-fast transfer rates of up to 20mb/s. Its reading speed is as fast as ordinary hard drives, ensuring fast and stable use
- Metal shell — The sturdy aluminum alloy shell makes the portable SSD shock resistant, protects the core of the portable solid state drive and dissipates heat. Whether in the office or outdoors, your digital data will be well protected
- Easy to use — No tools are required, and the hard drive can be easily installed and unloaded. There is no need to install a driver, it can be hot-swappable, just plug in the cable and use it. Improve computer performance. Ideal additional storage space for PCs, desktops, laptops and game consoles
- Compatible with 99% of computers — Strong compatibility makes it suitable for 99% of PC systems, including Windows 7/8/8.1/10, Android, etc. Other operating systems may need to be reformatted. Compatibility depends on the users hardware configuration and operating system
