PRESS RELEASE

THE NEWEST BOAT SHOW IN LOS ANGELES ARRIVES IN LONG BEACH

In 2026, Industry Veterans will Launch the Premiere Destination for Boats and Marine Accessories in California

Legacy Show Production will present the highly anticipated **Los Angeles Boat Show**, taking place **January 30 – February 1, 2026**, at the **Long Beach Convention Center**.

What makes this show different? This event will bring back the energy of the shows of the past by offering a rejuvenated platform for boat manufacturers, marine product companies, and lifestyle brands to show off their latest products. This will be the ultimate showcase of boats, cutting-edge gear, marine accessories and family-friendly experiences. The 2026 Los Angeles Boat Show promises to be a must-attend event for both seasoned enthusiasts and new boating fans.

Run by a team of seasoned professionals from Southern California specializing in boating and outdoor consumer shows, Legacy Show Production is committed to producing events that prioritize quality, longevity, and special attention to the needs of modern consumers in the marine industry.
