01 · ABOUT THE SPEAKER

The broker who makes the *hard stuff* stick.

Debra Betolatti is a Georgia Real Estate Broker, national speaker, educator, and AI trainer with 32 years in the business \u2014 named GREEA's 2025 Educator of the Year.

She has trained thousands of agents, brokers, and leaders across the country \u2014 on the stages of the REEA National Summit, Triple Play, GREEA, and REALTOR\u2019s associations coast to coast. Her promise is simple: make it useful.

Named GREEA's Rookie Instructor of the Year in 2024 and Educator of the Year in 2025, Debra pairs deep command of AI, compliance, contracts, marketing, and leadership with the timing of a natural performer. Sessions move fast, land hard, and send people back to work with something they can implement immediately.

Fully bilingual in English and Spanish, she reaches audiences other speakers can't — and customizes every talk to the room in front of her. Approachable, funny, and refreshingly real, Debra is the rare educator people quote long after the badge comes off.
