Leather Tooled - Woodburned Ornament

Instructor: Jeanine Williams

Class Fee: \$65

Class min. Min. 2 / Class max. 10
Not accepting walk-ins

In this class, Students will learn basic wood burning by creating a leather tooled floral design. The class will cover applying the design onto a gourd using stick -n -burn, shading, and detailing using 1-3 burning tips. This is not the traditional leather tooling, rather a more natural look. Students will leave class with a finished gourd.

The instructor will provide: Gourd, tape, pencil, hook, formula 49, stick -n- burn patterns, mask

Students to bring: Wood burner, Woodburning pens/tips: at least a skew, and/or a writing tip, and small ball... (if unsure what you have, bring them all)

Questions about class email philip_williams_gd@yahoo.com

All Levels

Pine Needle Split Stitch Coiling

Instructor: Paul Butcher

Class Fee: \$75

Class min. 2 / Class max. 8

Walk-ins welcome if space available

In this class, the instructor will demonstrate, and the students will learn the split stitch technique of pine needle coiling around the open top of a gourd. Numerous laps around will be made until the top opening is too small to enter with the needle and fingers or until it looks finished to the student. The technique for beginning, splicing, and ending the stitch will be learned. Depending on the speed of stitching by the student, some projects may be finished in class.

The instructor will provide: Medium gourd colored, finished and holes made ready for pine needle coiling (contact instructor if a specific color is desired), pine needles, artificial sinew, curved needle.

Students to bring: Students may bring their own gourd, but it should be prepared as follows: Cleaned inside & out, colored, finished, holes made ready for pine needle coiling. The holes should be made with a 7/64" or 1/8" drill bit and be 3/8" down from the edge and 3/8" apart around the top open edge of the gourd.
