

SaveryTech Recycle Program Agreement

This Agreement is entered into by SaveryTech, LLC ("SaveryTech") and the undersigned participant ("Participant") in the **SaveryTech Recycle Program**.

1. Program Purpose

- SaveryTech's Recycle Program is dedicated to reducing electronic waste and providing low-cost, reliable computers and technology for resale and donation.
- As part of this initiative, donations are **requested** to keep program costs low, ensuring affordable and accessible technology solutions.

2. Participant Responsibilities

- Participants agree to **comply with SaveryTech's recycling policies**, as detailed on SaveryTech's website.
- All devices donated must be legally owned and free of any financial obligations or restrictions.
- Participants are encouraged to erase any personal data prior to donation, though SaveryTech will take reasonable steps to ensure proper data sanitization.

3. Modifications to the Program

- SaveryTech reserves the right to **adjust program terms as needed** to maintain efficiency and sustainability.
- Any major changes will be communicated via SaveryTech's website or direct communication with participants.

4. No Liability for Donated Items

- SaveryTech **does not guarantee** the resale, reuse, or redistribution of any specific donated item.
- Items accepted into the program become the property of SaveryTech and may be used, refurbished, recycled, or disposed of at its discretion.

5. Give-Back Initiative

- A portion of the recycled and refurbished technology will be **donated to individuals and organizations in need**, reinforcing SaveryTech's commitment to community support.
- Participants understand that by contributing to this program, they are supporting a mission of sustainability and accessibility.

6. Governing Law

- This Agreement shall be governed by and interpreted in accordance with the laws of the State of Michigan.
