AGENDA

Hybrid Remote Public Meeting

(*Please see details below)

August 19, 2020 - 9:00 A.M.

- A. Call to Order.
- B. Prayer and Pledge of Allegiance.
- C. Roll Call and Announcement of a Quorum.
- D. Introductions.
- E. Approval of Agenda. (Action Item)
 - CRA Board Action
- F. Approval of Consent Agenda. (Action Items)
 - 1. Minutes
 - i. Joint CRA & MSTU Advisory Board Meeting for June 24, 2020 (Enclosure 1)
 - 2. Operations Manager Report (Enclosure 2)
 - 3. Project Manager Report (Enclosure 3)
 - 4. Budget Reports (Enclosure 4)
 - 5. Community Meetings (Enclosure 5)
 - *Public Comment*
 - *CRA Board Action*
- G. Announcements.
 - 1. Communications Folder
 - 2. Public Comment speaker slips
 - 3. Project Manager Position
- H. CRA New Business.
 - 1. 7 Eleven Planned Unit Development Rezone (PUDZ) (Enclosure 6)
 - *Public Comment*
 - *CRA Board Action*
 - 2. Long Range Transportation Plan (LRTP) 2045 (Enclosure 7)
 - 3. Collier County United Arts Council "Call for Artist" (Enclosure 8)
 - 4. FHERO Guide 2020 Immokalee Section (Enclosure 9)
- I. CRA Old Business.
 - 1. CDBG Immokalee Sidewalk Project updates
 - i. Carver & South 5th Street
- J. Other Agency.
 - 1. TIGER Grant – Immokalee Complete Street updates
 - 2. Code Enforcement updates (Enclosure 10)
 - 3. FDOT updates
 - 4. Office of Business & Economic Development (OBED)
 - 5. Immokalee Culinary Accelerator
- K. Citizen Comments.
- L. Next Meeting Date. CRA will meet on September 16th at 9:00 A.M. at CareerSource SWFL.
- M. Adjournment.

*** Hybrid Remote Public Meeting**

The Advisory Board members will be appearing electronically, with some staff present in person. The public may attend wither electronically or in person.

If you would like to provide public comment, participate, and/or attend the meeting, please contact Monica Acosta via email at Monica.Acosta@colliercountyfl.gov by August 18, 2020 at 4:00 P.M. You may attend the meeting in person on August 19, 2020 at the South Immokalee Park, 418 School Drive, Immokalee, FL 34142.

The public is reminded that the CDC and Department of Health recommend social distancing and avoiding public gatherings when possible.

All meetings will be publicly noticed in the W. Harmon Turner Building (Building F), posted at the Immokalee Public Library and provided to the County Public Information Department for distribution. Please contact Christie Betancourt at 239.867.0028 for additional information. In accordance with the American with Disabilities Act, persons needing assistance to participate in any of these proceedings should contact Christie Betancourt at least 48 hours before the meeting. The public should be advised that members of the CRA/MSTU Advisory Committee are also members of other Boards and Committees, including, but not limited to: the Immokalee Fire Commission. In this regard, matters coming before the Advisory Committee/Board may come before one or more of the referenced Board and Committees from time to time.

MINUTES

Joint Meeting of the Immokalee Lighting and Beautification MSTU Advisory Committee and the Community Redevelopment Agency Immokalee Local Redevelopment Advisory Board on June 24, 2020. The Advisory board members, staff, and public appeared virtually and in person.

Hybrid Remote Public Meeting

South Immokalee Park
418 School Drive
Immokalee, FL 34142

A. Call to Order.

The meeting was called to order by Bernardo Barnhart, MSTU Chair at 9:04 A.M. Dr. Frank Nappo will chair CRA items and Bernardo Barnhart will chair MSTU items.

B. Moment of Silent.

Bernardo Barnhart led a moment of silence.

C. Roll Call and Announcement of a Quorum.

Christie Betancourt opened roll call. A quorum was announced for the MSTU board and the CRA board.

MSTU Advisory Committee Members Present:

Andrea Halman, Bernardo Barnhart, Peter Johnson, and Cherryle Thomas (9:18 a.m.)

MSTU Advisory Committee Members Absent/Excused:

Norma Garcia.

CRA Advisory Committee Members Present:

Frank Nappo, Patricia “Anne” Goodnight, Andrea Halman, Francisco “Frank” Leon, Edward “Ski” Olesky, Yvar Pierre, and Estil Null (9:30 a.m.).

CRA Advisory Committee Members Absent/Excused:

Mark Lemke, and Michael “Mike” Facundo.

Others Present:

William “Bill” McDaniel, Fred Richards, Lupita Vazquez Reyes, Christin Plummer, Omar DeLeon, Victoria Peters, Juanita Martinez, Mark Beland, Silvia Puente, Maria Baca, Isrrael Pena, Pete Cade, Maria Espinoza, Jessica Sidney, Elizabeth Flores, Yesenia Romero, Maria Cardenas, George Smith, Mary Martinez, Sarah Catala, Magdalena Bustamante, Lisa Loren, Hilda Bustamante, Tomas Soliz, Sonia Reyna, Elva Santos, Alberto Estrada, Misty Smith, Eric Ortman, Megan Greer, Valentina Ortiz, Abel Jaimes, and Dottie Cook.

Staff: Debrah Forester, Christie Betancourt, and Monica Acosta.

D. Introductions.

All board members introduced themselves to the members of the public.

E. Approval of Agenda.

Staff presented the agenda to the board for approval. Agenda was approved as presented.

MSTU Action:

Action: Ms. Andrea Halman made a motion to approve agenda as presented. Mr. Peter Johnson seconded the motion and it passed by unanimous roll call vote. 3-0.

CRA Action:

Action: *Ms. Anne Goodnight made a motion to approve the agenda as presented. Mr. Frank Leon seconded the motion and it passed by unanimous roll call vote. 6-0.*

F. Approval of Consent Agenda.

1. Minutes
 - i. Joint CRA & MSTU Special Meeting for February 13, 2020 (Enclosure 1)
 - ii. CRA Advisory Board Meeting for February 19, 2020 (Enclosure 2)
 - iii. MSTU Advisory Committee Meeting for February 26, 2020 (Enclosure 3)
2. Operations Manager Report (Enclosure 4)
3. Budget Reports (Enclosure 5)

Staff presented the board with the Joint CRA & MSTU February 13, 2020 Special Meeting Minutes, the February 19, 2020 CRA Advisory Board Meeting Minutes, the February 26, 2020 MSTU Meeting Minutes, the Operations Manager's Report, and the Budget Reports.

A minor correction was made to the February 26, 2020 MSTU Meeting minutes. Norma Garcia was present and Cherryle Thomas was absent.

MSTU Action: *Ms. Andrea Halman made a motion to approve the Consent Agenda with a minor correction. Mr. Peter Johnson seconded the motion and it passed by unanimous roll call vote. 3-0.*

CRA Action:

Action: *Mr. Frank Leon made a motion to approve the Consent Agenda with a minor correction. Ms. Andrea Halman seconded the motion and it passed by unanimous roll call vote. 6-0.*

G. Announcements.

1. Meeting Calendar (Enclosure 6)

Staff reviewed the calendar with the board. Staff recommends moving the August CRA meeting to the CareerSource SWFL center instead of the Immokalee Pioneer Museum. Due to COVID-19 the CareerSource conference room is still closed. If it doesn't open by the August meeting staff will look for an alternate meeting site. Staff also said that boards are not scheduled to meet in July and will only schedule a special meeting if needed.

MSTU Action: *Ms. Andrea Halman made a motion to approve the Calendar with suggested staff changes. Mr. Peter Johnson seconded the motion and it passed by unanimous roll call vote. 3-0.*

CRA Action:

Action: *Ms. Anne Goodnight made a motion to approve the Calendar with suggested staff changes. Mr. Ski Olesky seconded the motion and it passed by unanimous roll call vote. 6-0.*

2. Revamped Website – www.Immokaleetoday.com

Staff invites all to visit the revamped Immokalee CRA website.

H. New Business.

1. Redevelopment Plan Update

Staff provided board with an update on the Redevelopment Plan for Immokalee. The plan was created in 2000 and a map of the Immokalee area was updated in 2019. Staff would like to hire Johnson Engineering to assist with the plan rewrite. Staff will focus on the language and Johnson Engineering will focus on the maps, tables, Sidewalk plan, and a Capital Improvement Plan.

Ms. Lupita Vazquez-Reyes addressed the boards with concerns of follow up after projects are done. She has utilized 311 in the past and the issues of sand and trash left behind after a project was completed were not addressed. Her question being who do residents need to contact. She also feels that Facebook is a good platform to use to reach most residents. Another one of her concerns is for the immigrant population and housing for them.

Mr. Issrael Pena Jr addressed the boards with concerns of residents being able to reach out to the right boards for issues that arise. He feels that there is a need for more outreach in different languages as well as different platforms so that all residents know what is going on in the community.

Mr. George Smith addressed the boards with concerns for residents that, like him, are in a wheelchair. He feels that there are a lot of obstacles for people in wheelchairs like businesses with no ramp, sidewalks that are not complete, or not wide enough.

Dr. Frank Nappo, CRA board Chair, encouraged the public to participate in helping with the Redevelopment plan moving forward.

After public comments board agreed to fund up to \$75,000 to update the plan.

CRA Action:

Action: Ms. Anne Goodnight made a motion to approve up to \$75,000 to rewrite the Immokalee Redevelopment Plan. Mr. Ski Olesky seconded the motion and it passed by unanimous roll call vote. 7-0.

2. First Street Corridor Improvements (Enclosure 7)

Staff provided board with a copy of Grady Minor's proposal for professional services for the First Street Corridor in the MSTU area. Staff reviewed the outline of each task that would provide future street lighting and pedestrian safety improvements along South First Street (from Main Street to Seminole Crossing Trail) in Immokalee. The work under this includes feasibility studies and conceptual plans for the purpose of relocating existing decorative light poles, considering the future street lighting and pedestrian safety improvements.

Additionally, this Proposal includes reviewing and providing recommendations for the location of new pedestrian crosswalks and the location of new landscape and hardscape elements, for areas in need of improvements, considering the future street lighting and pedestrian safety improvements. Estimated project costs and long-term maintenance costs will be included with the feasibility studies.

Staff recommends that the board approve modifying the current purchase order to include this work totally \$49,704.00. After much discussion board agreed to modify Grady Minor's PO to include proposal cost.

MSTU Action:

Action: Ms. Andrea Halman made a motion to approve Grady Minor's proposal of \$49,704.00 for Professional Services for the First Street Corridor area. Mr. Peter Johnson seconded the motion and it passed by unanimous roll call vote. 4-0.

I. CRA & MSTU Old Business.

1. Project Manager Report (Enclosure 8)

Staff reviewed Project Manager report with board and members of the public.

2. CDBG Sidewalk Project

i. Carver & South 5th Street

Staff provided board with a brief project history. The CRA received a total of \$676,365 of HUD funding allocation for CDBG projects.

The project will allow the CRA to complete sidewalk improvements along a portion of Carver Street & South 5th Street. The CRA has allocated \$160,000 of match funds for this project.

In June 2020, through a competitive bid process the CRA received six proposals for the construction of the sidewalks. The lowest bid came in at \$821,756. Construction is expected to be completed in December 2020. Total project cost is estimated at \$998,405. The CRA will need to allocate \$75,000 from the CRA budget to pay for CEI services.

a. CEI services

Staff recommends that the CRA allocate up to \$75,000 for the CEI services.

Ms. Debrah Forester, CRA Director, explained to the public that the funds for CEI services are for an inspector to be on site during the construction phase of the contract to assure that we stay on task, within budget, and on schedule.

Ms. Maria Baca through chat asked board who decided on this location to be worked on.

Ms. Lupita Vazquez-Reyes through chat asked what specifically was being voted on, is the funding for sidewalk improvement and drainage, and is there a separate budget for maintenance. Ms. Vazquez-Reyes also addressed the boards about Immokalee not being equally represented by Board of County Commissioners, not having Immokalee's best interest. She also feels that our boards should put pressure on Commissioner McDaniel to let him know that our boards have the backing of the community to get things done.

Mr. Issrael Pena Jr through chat asked if this projects location is near the Seminole Casino. He also addressed the boards about working together with the boards to help get the information out to others as to how as a community we can all work together to get things done better and more efficiently. He feels social media is the way to get the information to the residents.

Ms. Maria Espinoza addressed the boards with concerns on how to engage more of the public to show support for the boards and the community. She would be open to help find solutions to engage more people with community involvement.

Ms. Maria Cardenas addressed the boards. She is open to use her organization “The Grassroots Movement,” to get community involvement and get information out to all residents.

Mr. Omar DeLeon, Transit Manager for CAT, addressed the boards. He would like to know if there is a complete list of agencies and organizations in Immokalee. This list would help when addressing areas and getting resident input.

After public comments board agreed to fund up to \$75,000 for CEI services.

CRA Action:

Action: Ms. Anne Goodnight made a motion to approve up to \$75,000 for Construction Engineering Inspection (CEI) services for the CDBG Immokalee Sidewalk Project along Carver and South 5th Street. Mr. Estill Null seconded the motion and it passed by unanimous roll call vote. 7-0.

ii. CDBG Grant Status- West Eustis Avenue

Staff provided board and members of the public updates on the West Eustis sidewalk Project. On February 6, 2020 the CRA applied for a Community Development Block Grant (CDBG) for the construction of sidewalks along Eustis Avenue. Project area is about .3 mile of a mile along one side of Eustis Avenue. The total cost for the project (design and construction) is estimated at \$380,000. Staff were informed that they were not awarded the requested grant amount. The MSTU (Fund 162) will design the project in FY20, anticipated cost is \$60,000.

3. Welcome Signs – (Enclosure 9)

The MSTU Chair, Bernardo Barnhart suggested that the board consider increasing the board size. Staff will bring this item back for action at a future meeting. He also thanked staff for putting this item on the agenda and providing the history behind the project. He expressed wanting to hear from the public about the Welcome Sign.

Staff provided board and public a brief history and project updates of all three welcome signs.

Christie Betancourt read Enclosure 9 to the board and public. She said that Immokalee's welcome signs, the decorative light poles, banners, and landscaping along First Street, Main Street and SR29 are the responsibility of the Immokalee Lighting and Beautification MSTU.

The MSTU was established in 1985 to beautify and improve the public right of way. The MSTU Advisory Board, appointed by the Board of County Commissioners, provides representation of the Immokalee Community. The five-member volunteer advisory board provides input and recommendations to the Board of County Commissioners (BCC) on the use of the funds raised by the MSTU. The Advisory Board develops an annual work plan and budget that is approved by the BCC. The MSTU Advisory Board holds monthly public meeting seeking public input on the current and future work plans and projects. In 2011, the Community Redevelopment Agency was designated to administer and manage the Immokalee MSTU.

In 2012, the Advisory Board identified a need to replace the two existing welcome signs (First Street and SR29/New Market) that had been installed. Due to budget constraints the welcome signs were not added to the annual work plan.

As you may recall, the sign at First Street was damaged during Hurricane Irma. The Advisory Board also recommended that a third sign be installed on SR29 near Farm Workers Village. In 2017, a contract was approved to design and permit the sign. In 2019 a contractor was hired to build the new sign on First Street and reface the sign at SR 29/New Market. The third sign is currently on hold.

The conceptual design for the signs were reviewed and discussed at several MSTU Advisory Board meetings prior to final design approval. Status of the new welcome signs and input on the design were part of the meeting agenda for the past three years. In 2009, the Immokalee Local Redevelopment Advisory Board, selected the new Immokalee 21st Century logo. The MSTU purchased banners in 2015 which are displayed on the decorative light poles during the year. The decision to use the new logo was to provide a consistent brand for the community. The color of the bird of paradise is intended to symbolize the different facets of Immokalee and the curved lines represent the outreach and growth that is expected in Immokalee.

The sign on SR29 and New Market Road will be refurbished with a total cost of \$16,900. The sign on South 1st Street and East Eustis Avenue is a complete rebuild, design cost \$11,030, construction cost \$31,915, landscaping and electrical cost \$29,505, with a total cost of \$72,450. The sign at Farm Workers Village entrance (Panther Crossing) on SR29 will be a new build, design cost \$10,892.25, construction estimate \$30,000 (budgeted for FY2021), landscaping and electrical estimate \$15,000 (budgeted for FY 2021), with a total estimated cost of \$55,892.25.

Board Chair, Bernardo Barnhart asked the board for their comments first.

Board Member, Andrea Halman said she likes the bird of paradise and feels that Immokalee is not represented by the cornucopia alone as not everyone that lives in Immokalee now is part of the farming community.

Board Member, Cherryle Thomas said she agreed with Ms. Andrea Halman, she also reached out to Mr. Dorin Oxender with iTECH about having some renderings done for possible change to the sign.

Board Member, Peter Johnson said he was interested in hearing from the public.

MSTU Chair, Bernardo Barnhart asked the public for their comments.

Mr. Issrael Pena Jr. addressed the boards, his feeling of this sign is that he has been stripped of his identity, heritage, and culture by losing the image of the Cornucopia. The current design does not have meaning to anyone. Social media has shown that there are artists willing to put their time in to design something new. He would also like to have a timeline and a person of contact on the matter of local artists wanting to submit their rendering so that he can post on Facebook.

Ms. Lupita Vazquez-Reyes addressed the boards, her feeling is that the bird of paradise does not represent the community. She has seen the bird of paradise in the medians in Naples, but Immokalee is not worthy of expensive landscaping to include the bird of paradise in the median or even around the new sign. She feels that if you must explain what the sign means then you have lost the meaning behind it. She agreed with Mr. Issrael Pena Jr. that there are residents in the community willing to help with a new design. She also felt a need to inform all the participants that the Immokalee CRA isn't just about the welcoming signs but also help for the community and its beautification for local businesses and redevelopment in our community.

Ms. Misty Smith addressed the boards, her feeling on the sign is that it is very plain and basic. She feels that working with iTECH and local artists is a good idea.

Ms. Juanita Martinez addressed the boards, she feels that the bird of paradise does not represent the community of Immokalee but feels that getting more public input and community support so residents can be heard is very important. She also wanted clarification on who could vote and the make-up of the board members that would vote.

Mr. Francisco Leon, CRA board member, addressed the board. He expressed that because he is not from Immokalee, the Cornucopia sign had to be explained to him also. From his perspective, he respects that there are a lot of people that are from the farming community but there are also more people coming are not from the farming community. He feels the sign has served a greater purpose because more people have become involved in the community. He also feels that a compromise can be reached by utilizing the awaking of the community.

Ms. Maria Espinoza addressed the board and agreed with Mr. Francisco Leon that her generation has learned so much from this issue. She has seen various mock-ups of what a new sign could look like though social media. She suggested an "open-call" for local artists to turn in designs/murals and suggestions to submit to the boards for consideration. She also wanted clarification on who would oversee getting submission for artwork and what the deadline would be.

Ms. Maria Cardenas addressed the board and asked if a time frame will be given as to when a decision would be made on any revision on the sign.

Ms. Yvar Pierre, CRA board member, addressed the board. She asked about the landscaping and the funding that it would take to modify the sign. If funds go towards the sign, then that would take away funds from other projects that are needed. She also wanted to know what permits or compliance would need to be done in order to modify the sign.

Ms. Elva Santos addressed the board and agreed with modification of the sign but thinks the sign colors need to be changed and the word “Welcome” needs to be added.

Mr. Tomas Soliz through chat expressed that he wanted to see the original sign back or a sign that really represented Immokalee. He also addressed the board; he feels that the sign needs to be redone and represent the community better.

Ms. Jessica Sidney through chat expressed that she was not a fan of the bird of paradise but is up for having both the bird of paradise and cornucopia.

Mr. George Smith through chat expressed that the Facebook Immokalee group didn’t like the bird of paradise.

Ms. Magdalena Bustamante through chat expressed that she didn’t want the bird of paradise.

Ms. Maria Baca through chat expressed that Immokalee is known for agriculture and Lake Trafford.

Ms. Yesenia Romero through chat expressed that she did not like the bird of paradise, and she felt that something else needed to be added to represent the Immokalee people/community.

Mr. Alberto Estrada through chat expressed that the open call should be to all local artists. He also felt that progression is needed, and he would like to move past the cornucopia and farming.

Ms. Hilda Bustamante through chat expressed that she agreed to use Immokalee artists.

Mr. Estil Null, CRA board member, through chat expressed that the public should know that only 40% of the people in Immokalee pay into the CRA MSTU funds.

Ms. Debrah Forester suggested that the committee consider reaching out to United Arts Council who is recognized by the State of Florida as the Collier County designated Art Agency to conduct the “Call for Artist” and assist with reviewing the proposals to bring back to the full Advisory Board to review.

After public comments board recommended to modify the current design of the welcome signs. Board also agreed to have the United Arts Council take the lead on getting local artist involved with the design of the new sign. Staff will present the design at the August 26, 2020 MSTU Meeting.

MSTU Action:

Action: Ms. Cherryle Thomas made a motion to have staff work with the community to modify the welcome sign design. Ms. Andrea Halman seconded the motion and it passed by unanimous roll call vote. 4-0.

MSTU Action:

Action: *Ms. Cherryle Thomas made a motion to have the United Arts Council gather the local artist to design the Welcome Signs. Ms. Andrea Halman seconded the motion and it passed by unanimous roll call vote. 4-0.*

4. Main Street Improvements

i. FDOT Project #439002-1 Pedestrian Safety Improvements

Staff provided board and public with an update on the Main Street FDOT project. The MSTU provided an advance deposit of \$125,342 to FDOT for installation of holiday attachments on 30 light poles and all efforts associated with adding the attachments, including banner arms, GFCI outlets, additional conductors, mobilization and maintenance of traffic at SR29 from 1st Street North to 9th Street North in Immokalee.

Project Updates:

Staff is participating in biweekly progress meetings and is coordinating with FDOT, County staff, and Wright Construction on field issues. Staff is also coordinating the relocation of the Blue Light poles in the project area.

Staff reported that at one of the progress meeting an issue arose regarding replacing the stamped concrete areas that will be modified with regular concrete. After discussion with FDOT and Wright Construction it was announced that the CRA would have to pay the cost difference if they wanted to replace the area with stamped concrete.

Staff recommends board approve the funding of stamp concrete versus the regular concrete that is shown on the plans. After much discussion the CRA board agreed to fund the stamped concrete up to \$60,000 and the MSTU board agreed to take on the maintenance.

CRA Action:

Action: *Ms. Anne Goodnight made a motion to approve up to \$60,000 to fund the extra cost to install stamped concrete in the FDOT project area. Mr. Ski Olesky seconded the motion and it passed by unanimous roll call vote. 7-0.*

MSTU Action:

Action: *Ms. Andrea Halman made a motion to approve that the MSTU take on the maintenance once the stamped concrete is installed. Ms. Cherryle Thomas seconded the motion and it passed by unanimous roll call vote. 4-0.*

5. Contractor Reports

i. A & M Property Maintenance (Enclosure 10)

a. Maintenance Report & Schedule

Staff provided boards with updates on the upcoming maintenance schedule and reviewed maintenance reports for March - June.

Staff is continuing cleanup efforts with our Maintenance Contractor, Waste Connections and our Community Taskforce to keep Immokalee clean. Areas of concern have been the 9th Street property and portions of Main Street in the bulbout areas.

6. TIGER Grant – Immokalee Complete Street

Staff provided board and public a brief update on the TIGER Grant. The design/build portion of this project is set to start Early 2021 and construction is set to be completed December 2023.

7. Code Enforcement (Enclosure 11)

Chris Ambach provided staff with a copy of the code cases from April 22nd – May 20th. Staff reported that code enforcement continue to work on the removal of dilapidated homes.

8. FDOT updates

Victoria Peters, FDOT District 1 Community Liaison provided updates on local FDOT projects. A traffic analysis study was done in January for the intersection of SR29 and Westclox Street. FDOT will be moving forward in working with the county to decide how to best deal with that area. A copy of the report will be provided to the CRA once completed.

A Road Safety Audit was done last November for SR29 (15th Street) and Immokalee Drive because of the findings blank out signs have been installed in that area to ensure pedestrian safety. Ms. Peters also provided updates on the roundabout on SR29 and Gator Slough and other projects within that area.

9. Office of Business & Economic Development (OBED)

No updates.

10. Immokalee Culinary Accelerator

No updates

11. Other Agencies

Staff asked any other community organization if they had any community updates.

Immokalee Library

Silvia Puente, Library Program Specialist provided updates on the Immokalee Library. The library is currently closed but is offering curbside services Monday – Friday from 9:00 a.m. to 4:30 p.m. The library is providing virtual programming for story time every day at 10 a.m. through Facebook on the Collier County website. They are also providing other virtual programs through the county website. They are projecting to have every library open in Collier County by the end September.

Collier Area Transit (CAT), Public Transit & Neighborhood and Enhancement (PTNE)

Omar Deleon, PTNE Manager provided updates on the Collier Area Transit (CAT). CAT have all of their area busses continuing to work and have waived all fares.

They added three more busses to comply with social distancing for the direct Immokalee to Naples stop. He mentioned the contact less payment app.

Mr. Deleon said they are moving forward with the projects they currently have underway in Immokalee and are slated to be completed by the end of October. These include bus stop improvements for ADA accessibility to include boarding and lighting pads to be installed at the bus stops. Bus shelters and benches will be addressed as well. They have 40 bus stops that will be worked on.

He also said they are working on the Transit Development Plan; this plan will identify existing routes and what routes would be needed moving forward. A route connecting with Lee Tran has been identified as a need.

CareerSource SWFL

Yvar Pierre, Career Development Representative provided updates on the CareerSource SWFL services located at 750 South 5th Street. The CareerSource Center is open to the public but by appointment only. You can call or setup an appointment online. They are not the unemployment office, but they are assisting with password resets.

J. Citizens Comments.

No additional Citizens Comments

K. Next Meeting Date.

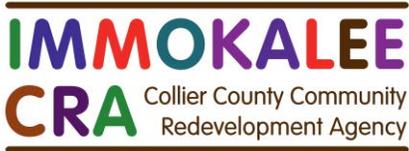

The next CRA meeting will be on August 19, 2020 @ 9:00 A.M.
location to be determined.

The next MSTU meeting will be on August 26, 2020 @8:30 A.M.
location to be determined.

L. Adjournment.

Meeting Adjourned @ 12:40 P.M.

** Zoom Meeting chat is attached to the minutes for the record.*

Operations Manager Report
August 12, 2020

1. Immokalee Area Master Plan (IAMP) Restudy (PL201880002258)

Approved by BCC for final adoption on 12/10/2019.

Copy of IAMP as amended by Ordinance 2019-47 can be found at www.ImmokaleeToday.com website.

2. CRA Office

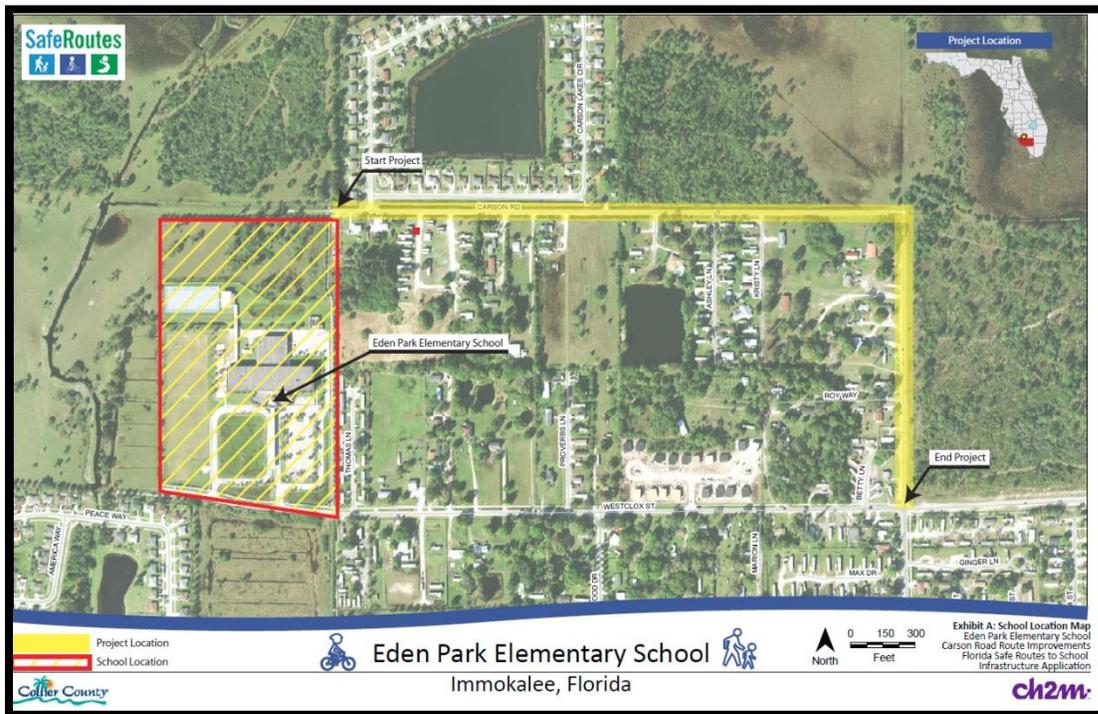

CareerSource SWFL building is open by appointment only.

- Job Bank Assistant – staff is continuing to use temp service until further action is taken.
- Project Manager position has been filled.

3. Sidewalk Projects in Immokalee

Eden park Elementary Safe Routes to School

- 6’ Sidewalk on the south and west side of the road.
- Construction costs \$663,000.
- Funded with Safe Routes to School funds in FY 21/22.

Lake Trafford Road

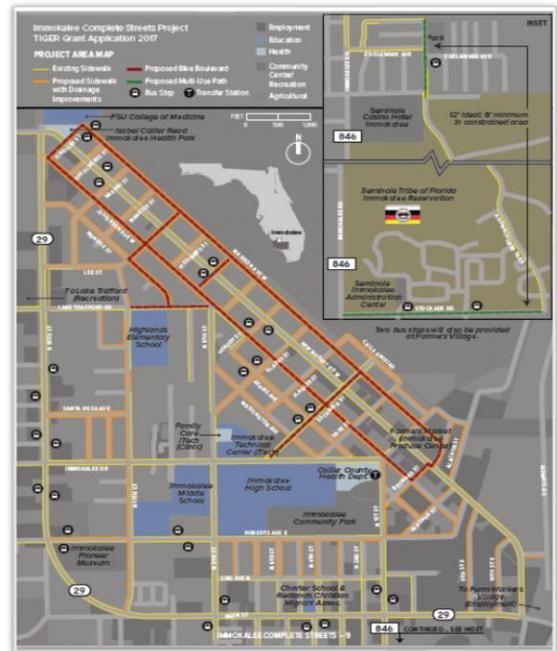

Project No.	Project Location	Project Description
1	Little League Road to Laurel Street	Add sidewalk (south side of the road) Design in FY 18/19 - \$92,245 (Legislative Appropriation) and Construction in FY 20/21 \$799,460 (MPO SU Box Funds)
2	Carson Road to Laurel Street	Add bike lanes. Design in FY 18/19 \$71,209 (Legislative Appropriation) and Construction \$571,675 in FY 20/21 (MPO SU Box Funds)
3	Little League Road to Tippins Terrace	Design programmed in FY 20 - \$800,000 (Stormwater – Capita) which will include a major stormwater project and pathway. Constructions Costs - TBD

4. TIGER (Transportation Investment Generating Economic Recovery) Grant

Immokalee Complete Streets TIGER Grant – \$16,415,864
 Project total. Funding sources are FHWA grand funds (80%) = \$13,132,691 County match funds (20%) = \$3,283,173.

- Includes design and construction of 20 Miles of concrete sidewalks, a bike boulevard network, a shared-use path, street lighting, bus shelters, a new transit center, landscaping, drainage improvements, and intersection and traffic calming retreats.
- Collier County has provided the CRA with an overview of estimated schedule with milestones. The design/build portion of this project is set to start Early 2021 and construction is set to be completed December 2023.

5. Commercial Façade Grant

Program is in place and being reviewed for revisions.

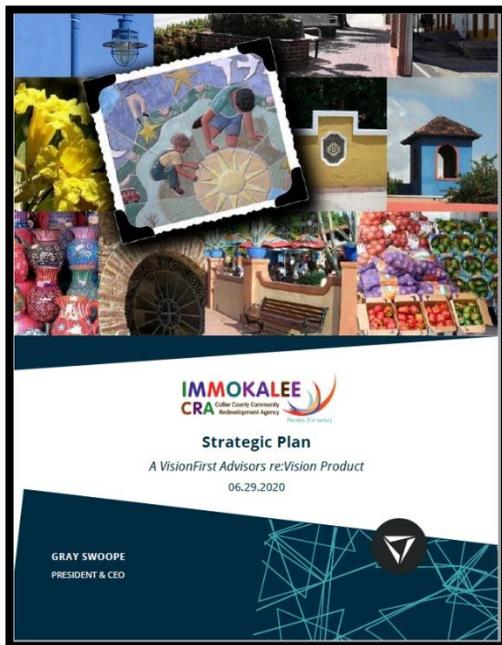

- On June 19, 2019 CRA board approved Lozano’s Mini Mart for a \$20,000 façade grant for improvements to property located at 102 New Market Rd.
- Staff met with Mini Mart owners to complete package for BCC submittal.
No update.

6. FHERO

Florida Heartland Economic Region of Opportunity – updates
Staff attended FHERO monthly meeting July 13, 2020.

FHERO was awarded a \$22,000 grant to prepare an Economic Strategic Plan for Immokalee. Site Tour was conducted by VisonFirst on March 13, 2020. Staff provide VisionFirst with updates to draft Strategic plan. Final copy will be presented at a future meeting.

7. Immokalee Unmet Needs Coalition

The Housing Committee is working on revising the Immokalee Disaster Recover Resiliency Plan and funding options for future projects. The Immokalee Unmet Needs Coalition (IUNC) is a long-term recovery group that formed in the fall of 2017 as the result of Hurricane Irma. This group is composed of non-profits, faith based, local, state or national organizations who work together to meet the unmet of Immokalee residents impacted by disaster.

Our objectives are to:

- Provide residents with spiritual and emotional care management.
- Home repairs according to unmet needs funding
- Community care through case management.

Priorities

The Immokalee Unmet Needs goal is to assure that our community is prepared for future disaster by:

- Educating about the process and resources for recovery
- Joining the county Emergency Management Plan (Including the IUNC in the Emergency Management Plan assures that necessary decisions are made beforehand.)
- Keeping donations local
- Workshops
- Improving communication

The committee held a meeting on June 15, 2020 where they provided annual updates from the IUNC.

8. EPA Brownfields Coalition Assessment Grant

Awarded to the Southwest Florida Regional Planning Council. Immokalee site identified in the grant was the **Immokalee Regional Airport** (165 Airpark Blvd., Immokalee, FL. 34142).

Airport staff is coordinating with Terracon to complete assessment.

Terracon provided staff with a draft report of the airport sites.

9. Development in Immokalee

- Proposed Guadalupe Van Otterloo Campus
- Proposed Immokalee Foundation Learning Lab 18-home subdivision.

- KFC remodeling (old Taco Bell building) on 15th Street
- Proposed 7 Eleven at corner of 9th and Main Street

10. Impact Fee Installment Payment Program

The program is for areas within the Immokalee CRA Boundary. The program took effect on October 2017.

- Pay your impact fees in installments over 20 years.
- Non-ad valorem special assessment on property tax bill.
- One-time application fee:
 - Residential Single Family - \$500.
 - Residential Multi-Family or Commercial - \$1000.
- Property Appraiser and Tax Collector Reimbursement:
 - \$200 one-time fee.
- An approved agreement must be executed and recorded prior to issuance of a Certificate of Occupancy or payment of impact fees.
- For complete program requirements call Paula Fleishman at 239-252-2924 or email her at paulafleishman@colliergov.net.

11. Collier County Opportunity Zone Program

A new community and economic development tool to drive long-term private investment in low-income communities!

Collier County hopes to leverage Opportunity Zones as an important tool to support the development of jobs, affordable housing and economic vitality in five areas in Golden Gate, Naples Manor and in and around Immokalee.

Low Tax Opportunity Zones, established by the federal Tax Cut and Jobs Act of 2017, encourage long-term investment and job creation in targeted communities by reducing taxes for many job creators. They enhance the ability to attract businesses, developers and financial institutions to invest in these targeted areas — distressed communities — by allowing investors to defer capital gains taxes through investments Low Tax Opportunity Zones, established by the federal Tax Cut and Jobs Act of 2017, encourage long-term investment and job creation in targeted communities by reducing taxes for many job creators. The zones enhance local communities’ ability to attract businesses, developers and financial institutions to invest in targeted areas by allowing investors to defer capital gains taxes through investments in federally established Opportunity Funds.

It's an economic and community development tax incentive program that provides a new impetus for private investors to support distressed communities through private equity investments in businesses and real estate ventures. The incentive is deferral, reduction and potential elimination of certain federal capital gains taxes.

U.S. investors hold trillions of dollars in unrealized capital gains in stocks and mutual funds alone, a significant untapped resource for economic development!

To become a Qualified Opportunity Fund, an eligible corporation or partnership self-certifies by filing [Form 8996](#), Qualified Opportunity Fund, with its federal income tax return.

Three areas in and around Immokalee, from Lake Trafford to the west to the county line to the east

- [Census Tract 112.05](#) area surrounding Immokalee
- [Census Tract 113.01](#) area surrounding Immokalee
- [Census Tract 114](#) Immokalee

Report by:

Christie Betancourt, Operations Manager

Project Manager Report 08/12/2020

1. Community Development Block Grants (CDBG) Sidewalk Projects

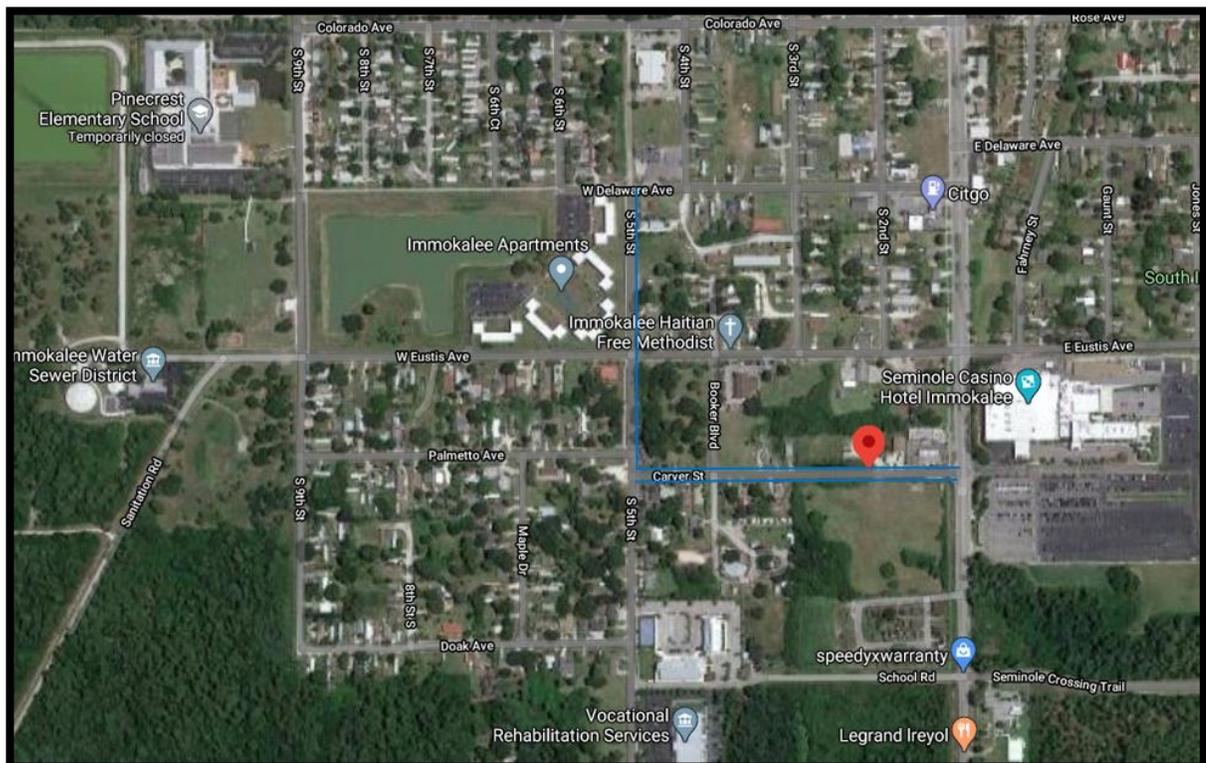

i. Immokalee Sidewalk Project Phase II

Carver Street and S. 5th Street (funded with CDBG and CRA funds) Project #33588.1

In June 2019, through a competitive process, the Immokalee CRA was selected and awarded grant funds for additional sidewalk improvements along the southside of Immokalee. The CRA received a total of \$676,365 of HUD funding allocation for CDBG projects. The Immokalee Sidewalk 2018 Improvement Project will allow the CRA to complete sidewalk improvements along a portion of Carver Street & South Fifth Street.

In June 2020, through a competitive bid process the county received six proposals for the construction of the sidewalks. Staff reviewed the bidders' submittals and found all six (6) bidders to be responsive and responsible. The lowest bidder, Andrew Sitework, LLC is not a Section 3 Business, while Coastal Concrete Products LLC d/b/a Coastal Site Development the second lowest bidder is and provided certification as a "Section 3 Business".

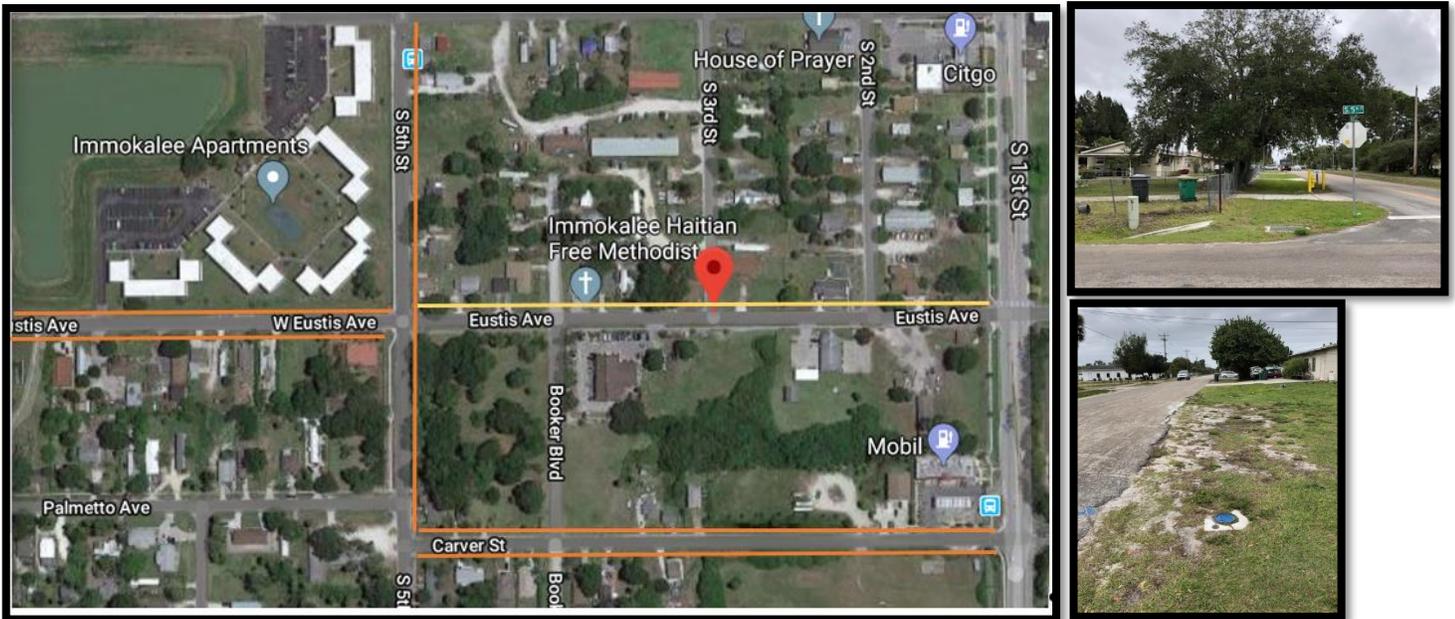

Coastal Concrete Products LLC d/b/a Coastal Site Development agreed to match the lowest bidder (Andrew Sitework, LLC) in the amount of **\$821,756.00**, as permissible per the Affidavit for Certification for Claiming Status as a Section 3 Business, award shall be made to the Section 3 Business. The low bid is approximately 13% lower than the Engineer's Opinion of Probable Cost. The average of the six bids was approximately 2% lower than the Engineer's Opinion of Probable Cost. Construction is expected to be completed in January 2021. Total project cost is estimated at **\$991,114**.

Project Timeline:

Invitation to Bid begins	5/4/2020
Invitation to Bid ends	6/9/2020
Execute construction contract (BCC)	7/28/2020
Notice to Proceed	8/17/2020
Pre-construction meeting	8/21/2020
Begin Construction	8/24/2020
Interim Monitoring	8/13/2020
CDBG Funding Ends	11/30/2020
Substantial Completion	12/1/2020
Final Completion	12/31/2020

ii. *Immokalee Sidewalk Project Phase III – Eustis Avenue*

On February 6, 2020 the CRA applied for a Community Development Block Grant (CDBG) for the construction of sidewalks along Eustis Avenue. Project area is highlighted in yellow (see above) from South 5th Street to South 1st Street (about .3 mile). Current and completed projects are highlighted in orange (see above). The total cost for the project (design and construction) is estimated at \$380,000. The MSTU (Fund 162) will design the project in FY20, anticipated cost is \$60,000. On March 6, 2020 CRA staff presented to CHS panel and staff for the grant project. In April 2020, staff were informed that they were not awarded the requested grant amount. Staff will move forward with design for this project in order to have it shovel ready for the next round of grant funding.

2. Beautification Enhancements

i. Welcome Signs (Monuments)

1. Construction of the monuments is currently on hold at both locations.
2. Staff is working with Collier County United Arts Council to modify the signs.

First Street and Eustis

Previous Sign

Original Design Concept

New Sign as of July 24, 2020

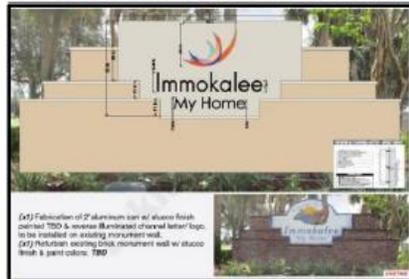

Landscaping will be added as noted on original concept plan

SR 29/New Market Road

Previous Sign

Original Design Concept

Sign as of July 24, 2020

Landscaping will be added after sign is completed

3. Main Street Improvements

i. SR 29 (Main Street) from North 9th Street to North 1st Street (Project #439002-1) Pedestrian Safety Improvements

Florida Department of Transportation (FDOT) partnered with the Community Redevelopment Agency (CRA) and the Municipal Service Taxing Unit (MSTU) to program a project on SR 29 in Immokalee due to a history high bicycle and pedestrian crashes and activity.

The purpose of the project is to increase pedestrian and bicyclist safety and consists of installing two RRFBs (Rectangular Rapid Flashing Beacons), signing and pavement marking improvements, reconstruction of the lighting system, constructing a new signal at 3rd Street, drainage improvements, and sidewalk enhancements. The project is estimated at 1.98 Million. The FDOT Project Manager for this project is Josephine Mak.

Project Schedule:

- Construction began in May 2020.
- Expected completion by **September 2020**.

Background:

- FDOT will pay the cost to install 30 standard LED light Poles.
- MSTU will pay the cost difference to add the enhancements.

The MSTU provided an advance deposit of \$125,342 to FDOT for installation of holiday attachments on 30 light poles and all efforts associated with adding the attachments, including banner arms, GFCI outlets, additional conductors, mobilization and maintenance of traffic at SR29 from 1st Street North to 9th Street North in Immokalee.

Project Updates:

- Staff is participating in biweekly progress meetings.
- Staff is coordinating with FDOT, County staff, and Wright Construction on field issues.
At the June CRA board meeting a motion was carried to fund the cost of stamped concrete instead of regular concrete. Due to time constraint staff will not move forward with stamped concrete. Contractor (Wright Construction) will construct per plans.
- Staff is coordinating the relocation of the Blue Light poles in the project area.
At the last progress meeting on August 5, 2020 contractor announced that the pole removal/relocation is still a month away. Contractor will coordinate with Immokalee Airport staff to get access to storage area being utilized by the CRA for the storage of 47 blue light poles.

4. First Street Corridor Conceptual Plan

i. First Street Lighting

Q. Grady Minor & Associates, P.A (GradyMinor) has been hired to provide professional services for future street lighting and pedestrian safety improvements along South First Street (from Main Street to School Road/Seminole Crossing Trail) in Immokalee.

The work includes feasibility studies and conceptual plans for the purpose of relocating existing decorative light poles, considering the future street lighting and pedestrian safety improvements. Additionally, it includes reviewing and providing recommendations for the location of new pedestrian crosswalks and the location of new landscape and hardscape elements, for areas in need of improvements, considering the future street lighting and pedestrian safety improvements. Estimated project costs and long-term maintenance costs will be included with the feasibility studies. Tom Hollis Engineering Consultants, Inc. will provide sub-consultant assistance for determining lighting requirements, light pole locations, and lighting specifications. Total project cost is \$43,872. Work is scheduled to be completed 180 from notice to proceed.

ii. First Street Insurance Claims

Status of Insurance Claims:

All claims have been paid to date. Total reimbursed this fiscal year is \$67,366.97 to MSTU funds (\$66,466.97 fund 162 and \$900 fund 111).

5. Trash Cans & Garbage Pickup

Staff is continuing cleanup efforts with our Maintenance Contractor, Waste Connections and our Community Taskforce to keep Immokalee clean.

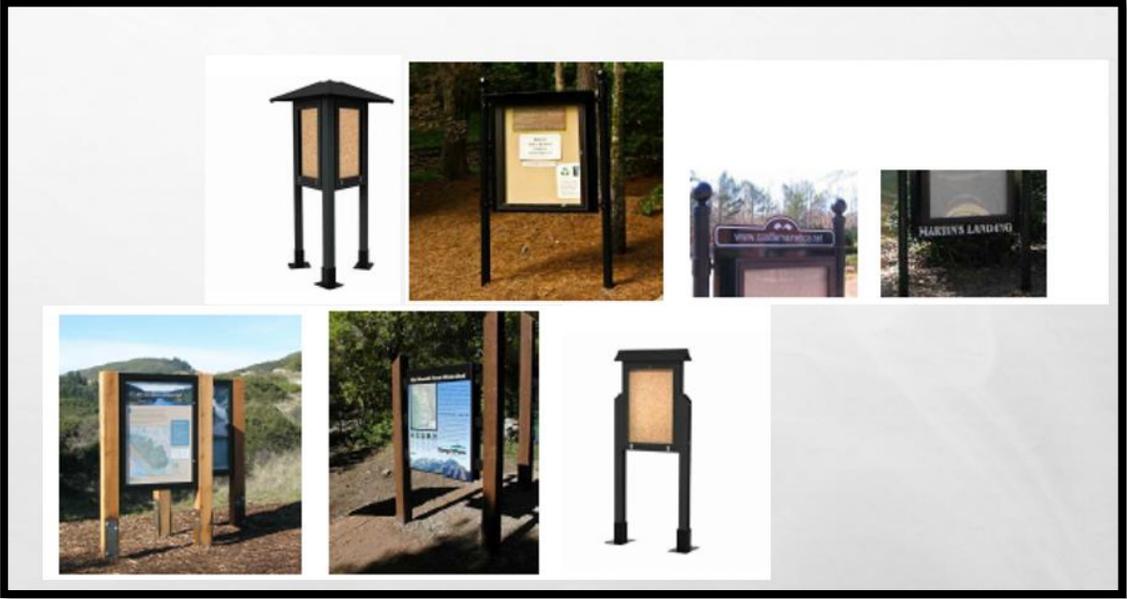

6. Zocalo Plaza

i. Parks & Recreation Monthly Maintenance

- Staff is doing monthly maintenance of plaza. Monthly reports are being provided to CRA staff on a quarterly basis.
- Staff is billing CRA & MSTU funds quarterly.
- Staff is cleaning, painting, trimming, installing mulch when available.

ii. CRA Staff

- Staff is seeking better option for decorating at the plaza.
 - Kiosk to be installed
 - New lighting and decorations
 - 3-year contract for installing Holiday Decorations

7. Roadway Improvements

i. SR 82 Road Widening Project Gator Slough Lane to SR 29 (Project # 430849-1.

The Florida Department of Transportation (FDOT) held an information session for the community to illustrate plans and renderings for the upcoming four-lane roadway widening project which includes a roundabout. Improvements will be made to a stretch of 3.2 miles of roadway. The community outreach manager is Lisa Macias. The Project Manager is Dennis Day.

Roundabout added features:

- Shoulder (5 feet wide)
- Bike Lanes on south side
- Sidewalk (5 feet wide) on north side
- Median (54 feet wide)
- Multi-use Trail (10 Feet) along south side

Project Outline:

- Scheduled to begin towards the end of 2019
- Construction ending in 2022
- Estimated cost of \$29 million
- Contractor is Ajax Paving Industries of Florida

8. Panther Path Pedestrian Crossing Bridge

Bridge was pressure washed and painted.

Update: Need to coordinate with school and county to get a skilled volunteer artist to finish the unpainted areas.

INTRODUCTION TO THE IMMOKALEE 7-ELEVEN

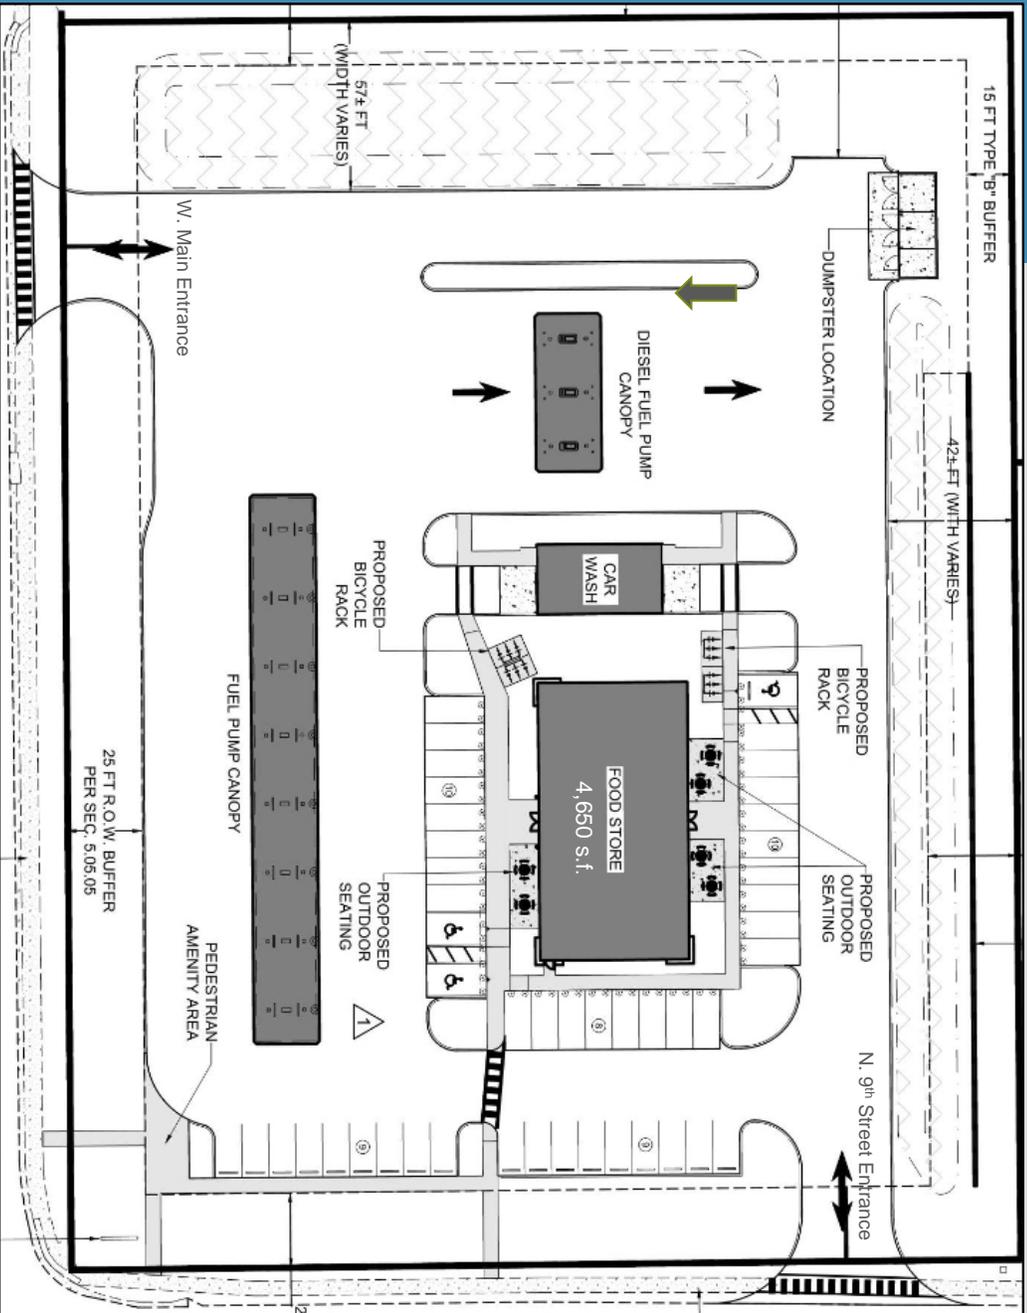

- Located at the northwest corner of W. Main St. (SR29) and N. 9th St.
- The site is in the process of being platted into two properties
- 7-Eleven site is 3 acres
- No current plans for remaining 4 acres
- Existing businesses on site will be removed
- Being rezoned to a Planned Unit Development with accompanying automobile Service Station Waiver
- Seeking a vote of approval from the CRA

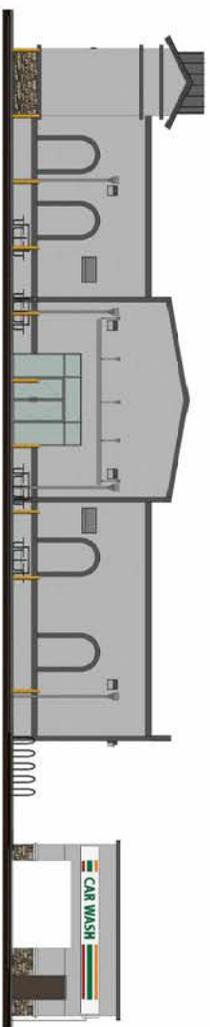

SITE PLAN HIGHLIGHTS

- A 4,650 sf convenience store – the largest 7-Eleven in SW Florida.
- A main fuel canopy with 8 MPDs (16 fueling positions)
- A diesel canopy with 3 MPDs (4 fueling positions) – one-way entry from N. 9th Street
- One self-service, single bay automated car wash
- Indoor and outdoor seating
- Two pedestrian interconnections to N. 9th Street with direct connection to front and rear entrances of the building
- Pedestrian connection to W. Main Street.
- Bike racks at W. Main, front and rear entrances
- Outdoor seating at front and rear

LONG RANGE TRANSPORTATION PLAN (LRTP)

Jacobs Engineering was awarded the contract and began work on the 2045 Long Range Transportation Plan (LRTP) in late Spring 2019. The project began in earnest when kick off meetings were held with the Technical Advisory and Citizens Advisory Committees (TAC and CAC) in August 2019. Jacobs hosted an informational booth at the Immokalee Ciclovía in early November 2019.

The MPO Board has approved the following documents for the 2045 LRTP:

- [Goals, Objectives & Decision-Making Framework](#)
- [Public Involvement Plan](#) including [Social Media Outreach Strategy](#)
- Existing + Proposed Roadway Network – [Map](#) and [Tables](#) – (Submitted to FDOT in December 2019)
- 2015 and 2045 Report on [Socio-economic Data](#) – (Submitted to FDOT in January 2020)

FDOT will run the District One Planning Model against the E+C Network to provide a Network Deficiency Analysis for each MPO. The scheduled delivery date was February 15, 2020, however it has been delayed by one month. The new delivery date is March 15, 2020. The Deficiency Analysis is the foundation for developing the MPO's Needs Plan, which is unconstrained by cost. The next step after the Needs Plan is to develop a Cost Feasible Plan (CFP) that balances projected costs with available funding. Alternative network scenarios will be tested and evaluated for how well they meet the LRTP's Goals, Objectives and Decision-Making Framework. This phase of developing the LRTP requires an intensification of public outreach which is beginning now. MPO representatives will present the Immokalee CRA Advisory Board with an overview of the 2045 LRTP process and next steps. A public meeting is scheduled to be held on March 26th, from 5:30 pm – 7:30 pm.

Location: Golden Gate Community Center
4701 Golden Gate Parkway
Naples, FL 34116

The Collier MPO webpage will be used to display on-line surveys, interactive maps, plan progress, meeting dates and documents. Please check back periodically to keep up to date with the Plan's progress, or if you prefer, join the [Adviser Network](#) to receive email updates on the Plan. You may also leave [comments](#) on the Plan or call Brandy Otero at 239-252-5859 for more information.

The following documents provide additional information that may be of general public interest:

- [FDOT District 1 – 2045 Cost Feasible LRTP Model Development Process and Schedule](#)
- [August 2019 TAC & CAC Project Kickoff Presentation on Schedule, Goals and Objectives](#)
- [October 2019 MPO Board Presentation on Goals and Objectives and Public Involvement Plan](#)
- [November 2019 MPO Board Presentation on Existing + Committed Network \(E+C\)](#)
- [December 2019 MPO Board Presentation on 2045 Zonal Data](#)

The 2040 Long Range Transportation Plan will remain in effect until the MPO Board adopts the 2045 LRTP. The 2040 LRTP was adopted by the MPO Board on December 11, 2015 and has been amended three times since adoption. The first two amendments (September 9, 2016 and October 14, 2016) are included in the final 2040 LRTP. The third amendment, May 25, 2018, was created as a standalone amendment and should be considered with the complete LRTP.

Below are links to the 2040 LRTP, the May 25, 2018 amendment and related technical documents. LRTPs prior to the 2040 LRTP may be obtained by contacting the MPO office at 239-252-5814.

2040 LRTP AND AMENDMENTS

[2040 LRTP Executive Summary](#)

[2040 LRTP as Amended September 9, 2016 and October 14, 2016](#). The May 25, 2018 amendment while created as a stand-alone amendment, should be considered along with the full LRTP – [2040 LRTP](#)

CALL TO ARTISTS

"Welcome to Immokalee"

Artistic Enhancement

In 2017, the Immokalee Beautification Municipal Service Taxing Unit (MSTU) hired a landscape architect to design a new Welcome Sign leading into downtown Immokalee (First Street and Eustis Avenue) and to reface the Welcome Sign at SR29/New Market Road. The SR29/New Market Road sign would not be a total rebuild; instead the base would be renovated, and a new aluminum sign-face would be installed to complement the First Street sign. In 2019, a contractor was hired to complete the work.

In May 2020, members of the Immokalee Community raised concerns regarding the new sign on First Street that was nearly complete, some of the comments included: the lack of connection to the heritage of Immokalee; the Bird of Paradise logo didn't represent the community; the sign was missing the cornucopia or representation of the agricultural-based community.

The MSTU in coordination with the Community Redevelopment Agency is requesting proposals to enhance the new signs to incorporate a work of art that will reflect the culture of Immokalee. Collier County United Arts Council (UAC) will facilitate the artist selection process.

Important Dates:

Deadline for entries: Friday, August 28, 5:00 p.m.

Phase 1 Notification: Wednesday, September 9, 5:00 p.m.
Three artists selected

Phase 2-Online Survey OPENS: Wednesday, September 9, 5:00 p.m.
CLOSES: September 16, 5:00 p.m.

Phase 3-Wednesday, September 23, 2020 @ 5:00 p.m.
1 Selected Artist Notified

Project must be completed by **October 30, 2020**

Eligibility

- This exhibit is open to artists residing in Collier and Lee County, both full-time and seasonal. Becoming a member of the United Arts Council for the purpose of submitting your proposal does not guarantee your work will be selected.
- Employees of the United Arts Council or Collier County Board of County Commissioners are ineligible to apply.
- All submissions must be original.
- Must be 18 years or older to submit.

Selection Process

Phase 1: All proposals submitted will be reviewed by the Selection Committee. The Selection Committee will consist of the Chairman of the Immokalee MSTU; the Chairman of the Immokalee CRA; one at-large representative from the Immokalee Community; one board member of UNC; and the Executive Director of the United Arts Council. The committee will rank the top three proposals (artists). The review will include confirmation that the proposal meets all the guidelines and applicable statutes and ordinances. The Selection Committee will present all proposals plus their recommendation to the Immokalee MSTU Advisory Board (Advisory Board). The Advisory Board may accept or reject the recommendation of the Selection Committee. The three (3) artist selected by the Advisory Board will each receive \$250.

Phase 2: The three selected proposals will be presented to the Immokalee Community via an online survey. The survey will be available from September 9 through September 16. Community members will be able to rank the proposals. One vote per individual.

Phase 3: The results of the survey will be presented to the Advisory Board at a publicly advertised meeting for review and approval. The top ranked artist will receive \$5,000 to cover the cost of supplies and for the purchase of the rights of the artists creative property. The artist will provide a high-resolution image of the selected artwork to be duplicated on the Welcome Sign at SR29/New Market Road.

- If your proposed design is selected during Phase 3 of the selection process, you will be required to sign the Public Artwork Services Agreement (Attachment 2).

Theme

- The "Welcome to Immokalee" sign proposal (artwork may be mural, mosaic, or sculpture) should reflect the vibrant culture of Immokalee. The existing Bird of Paradise Logo may remain on the sign or be removed.

The words "Immokalee My Home" will remain as installed. "Welcome To" consistent with Immokalee My Home will be installed based on the selected proposal placement. Please include "the words "Welcome To" on the proposal. The artwork must fit on the masonry wall located at the corner of 1st Street and Eustis Avenue. Landscaping will be installed following the completion of the art installation (see Attachment 1).

The design will also be duplicated onto an aluminum sign located at the Triangle area (located on SR29/New Market Road).

Details

- Artists may submit one (1) design proposal. Your proposal must include:
 - An image of the proposed design (Including the words "Welcome To"
 - The research and concept in a 250- word essay demonstrating the artist's connection to Immokalee.
 - Completed APPLICATION and Application Fee

Fees

- There is a non-refundable entry fee of \$30 per application (\$20 for members of the United Arts Council).
- Checks should be payable to United Arts Council, a 501(c)3 organization, your fee may be tax-deductible.
- Your application fee may be paid online, via PayPal, or by Check in the mail. Checks should be made out to United Arts Council of Collier County, and should be mailed to 953 4th Avenue North, Naples, FL 34102

Submission Procedures

- Send entries via email with jpeg attachments to: KDonovan@UACCollier.org.
 - Image File Size should not exceed 4MB
 - SUBJECT LINE: "Welcome to Immokalee" Sign Design
- Your completed application, and image must be received prior to the deadline of August 28, at 5:00 p.m. Late or incomplete applications will not be considered. All files must be sent together as one PDF.
- We will send an email upon receipt of your proposal and image. If you do not receive one, please contact us by email. (Please use email and not phone calls.) KDonovan@UACCollier.org

Notification of Acceptance

- Artists will be notified via email by Wednesday, September 9, by 5:00 p.m. whether or not they have been accepted to Phase 1, and the community survey will be released to the public and will close on September 16, at 5:00 p.m.
- Artists will be notified via email by Wednesday, September 23, by 5:00 p.m. whether or not they have been accepted to do the "Welcome to Immokalee" artwork during Phase 3 of the selection process.
- Due to the volume of entries, we are unable to respond to phone inquiries.

Project Timeline

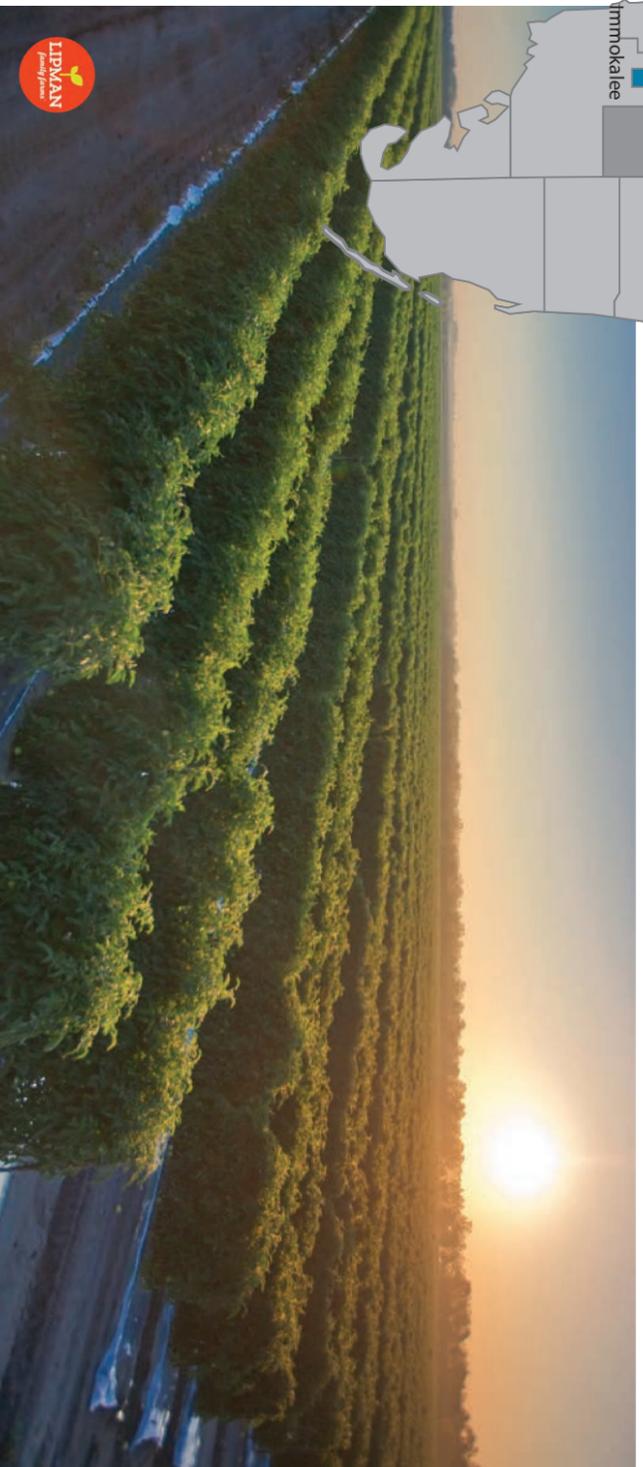

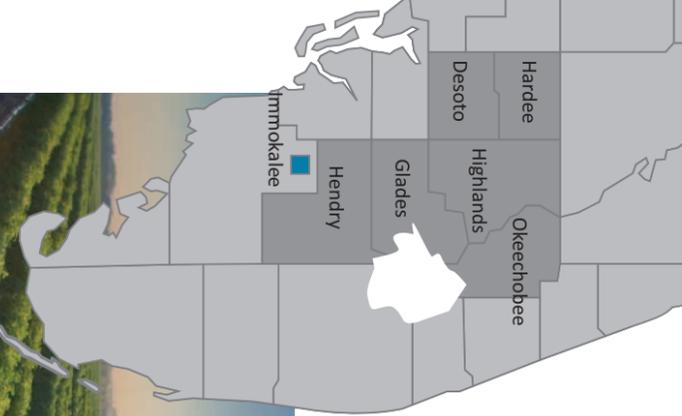

- Artists should include their proposed timeline and schedule in their proposal. The Project must be completed by **October 30, 2020**.

Agreements

- The artist selected to create the "Welcome to Immokalee" sign will be required to sign a PUBLIC ARTWORK SERVICES AGREEMENT.
- Artists will be required to complete a W-9 to receive payments above \$600

BUSINESS OPPORTUNITIES in Immokalee

Immokalee at a Glance
 Eastern Collier County
 Area: 23.3 square miles

Immokalee Regional Airport

Immokalee is Collier County's agricultural center and one of the most vital suppliers of the nation's winter fresh fruits and vegetables. Some of the leading agribusinesses in the nation are located in Immokalee, while small and midsize farms along with the local food movement provide additional opportunities for value-added agricultural products.

In addition, there is great access to food and agricultural brainpower with the University of Florida Institute of Food and Agricultural Sciences Research Center and IFAS Extension, located in Immokalee.

Other business assets include Immokalee Regional Airport. This county-owned general aviation airport is situated on 1,333 acres of land 35 miles northeast of Naples and less than 10 miles from the growing town and University of Ave Maria. The airport has abundant shovel-ready land available for development, including a 400-acre industrial park with a 60-acre Foreign Trade Zone (FTZ) and Federal Opportunity Zone designation.

Immokalee Technical College (ITECH) offers career and technical education programs, including upscale training for employers who need to fill skilled positions. ITECH programs include accounting, cybersecurity and health care.

Arthrex

Arthrex, a global medical device company headquartered in Naples has a state-of-the-art 490,000-square-foot manufacturing facility at the Ave Maria Industrial Park. The park is located in a Collier County Innovation Zone. The 960-acre Innovation Zone was created to provide targeted incentives for the area. Additional master-planned developments are anticipated in rural eastern Collier County, which will enhance economic development opportunities in Immokalee.

Turbo Services Inc., located its testing facility in Immokalee in 2011. The company repairs and overhauls Pratt & Whitney FT4 turbine engines.

Florida Culinary Accelerator @Immokalee

Target INDUSTRIES

- Agriculture
- Healthcare & Life Sciences
- Logistics & Distribution
- Manufacturing
- Tourism
- Aviation

SUCCESS STORIES

Located within 10 miles of the Immokalee Regional Airport, Ave Maria is a 4,000-acre, master-planned community centered on Ave Maria University. Named the fastest growing new home community in Collier County for the past six years, Ave Maria now has an estimated 10,000 residents. When complete, it will include up to 11,000 homes, and 1.7 million square feet of retail, office and business park uses.

Culinary Accelerator

The Florida Culinary Accelerator @Immokalee is a high-tech, state-of-the-art commercial shared kitchen and production space that provides assistance with nutrition, food safety, food testing and business plans. University of Florida Food Laboratory is located at the accelerator to provide onsite food testing to determine products' nutritional values and more. The facility offers shared-use cooking and food processing space, and dry and cold storage for a broad array of products.

CONTACT

The Immokalee Community Redevelopment Agency (CRA) works closely with the Collier Economic Development Office (EDO) to provide assistance for business recruitment and expansion. Call 239.285.8270 or 239.867.0028, or visit collierredo.com
