G. New Business.

1. Lake Trafford Cemetery Update

Mr. Dan Rodriguez, Collier County Public Utilities Department Head addressed the boards with updates on the Lake Trafford Cemetery. He said they have updated the drainage at that site along with enhanced landscape. The new gate got damaged, but they are working on fixing it. Their plan is to have a site person there and possibly in the future some cameras, there have been recent accounts of vandalism and items being taken. They want to make the signs in front more customer service orientated than enforcement. The enforcement signs that state the rules will be placed off to the side. The other thing they will be working on is getting contact information from the buyer of the plot to ensure they understand the rules and regulations. They have had a few people that have encroached on other plots and some have built structures that are not allowed. Their job would be to educate and reinforce the rules and guidelines with sensitivity due to the nature of the park. He is representing the county and caretaker and would like to get advice and recommendations that the board has as well as the community.

Ms. Andrea Halman said that many community members use that site for exercise, and she would like to see it improved and enhanced more.

Ms. Maria Pizarro commented that they have an AIMS issue opened for this park, it is being updated constantly to address the community members concerns.

Staff has someone in this department who is specifically responsible for managing the site, selling the plots, and working with anyone that may be having an issue at the site. Her name is Debbie Goodaker and can be reached at (239)-252-8922. If issues cannot be resolved, she may be contacted by email.

Mr. Dan Rodriguez stated that there will be a groundskeeper, depending on the budget, he would expect for the groundskeeper to be out at the site once a week or more. As to enforcement, he said we must work that out as a team, our concerns are the encroachment of other plots because the plots are personal property. He said education would be good and maybe doing a newsletter to help with education and provide updates with pictures.

After a Q&A session Mr. Rodriguez will look into providing updates on how many plots are available at the cemetery. He will also provide a site plan to see about getting benches, additional trees, trash cans, and lighting. His updates will be provided to CRA staff so that they can share at a future meeting. They will also look into providing annual updates as suggested by Dr. Nappo.

2. Immokalee Foundation Learning Lab Presentation

Mr. Julian Morgan with the Immokalee Foundation introduced himself and Walt Buchholtz the director of operations for the Immokalee Foundation and gave a brief introduction to their project.

Mr. Walt Buchholtz gave a brief history of his work with the Immokalee Foundation and explained that initially he was asked to look at the Immokalee Foundation programs regarding education from elementary through college for local students.

Collier Enterprises donated eight acres in Immokalee near the farmer's market and gave them \$100,000 to get it permitted and then gave them \$500,000 in a matching grant to put in the infrastructure to build 18 homes with the students. Students will be working with BCB Homes and iTECH to provide the instructions to the students so that they can get industry certifications and a platform to go to college to get an Engineering degree or a Construction Management degree. BCB Homes will be donating their time to the students. This program will be open to students enrolled in the Immokalee Foundation Program but also to High School Students that are enrolled at iTECH, this gives all students in Immokalee a chance to have an internship that will earn them credentials in this field prior to graduating High School.

This project will construct a total of 18 homes, 3 homes per year, and will be sold at market value, currently estimated at \$250,000. The homes will be 1650 square feet, three bedroom/2 bath, break room, kitchen, two car garage, and outdoor area. This will be a nice community and will take about six years to build. This project will benefit the students as well as the Immokalee community. The first slab will be poured tomorrow.

Mr. Walt Buchholtz stated that the mission of the Immokalee Foundation with this program is to educate students and provide them a pathway to successful professional careers. The secondary benefit to this program is providing good housing to attract business professionals to live in the community.

Mr. Julian Morgan said that the presentation was just for informational purposes. The goal was to let the boards know what the Learning Lab was and what they are trying to do to help the students of Immokalee.

3. Blue Zone Project – Donation/Grant Funding

Ms. Debrah Forester explained to the boards that Ms. Megan Greer was here on behalf of the Blue Zones Project to speak about donating money for an opportunity to buy bike racks or other materials to fulfill the Blue Zones Mission which is walkability and good lifestyle. Staff has been working with Megan because there is a requirement that the funds need to be donated by December 23, 2020. The money can be spent later, but the funds must be accepted. The money can be accepted by the CRA or Parks Department to be used in any of the facilities. Staff is asking for support for the donation by Blue Zones to be spent in Immokalee. The donation amount is \$7,500 and can be used on a variety of things and will go which ever entity can meet the time frame of acceptance. In order to meet the deadline Collier County Parks & Recreation has agreed to process the paperwork for the donation to Collier County Board of County Commissioners.

***CRA Action:***

***Action: Ms. Anne Goodnight made a motion to support the donation of \$7,500 from Blue Zones Project to Collier County Board of County Commissioners. Mr. Estil Null seconded the motion and it passed by unanimous vote. 7-0.***

**H. CRA & MSTU Old Business.**

**1. Immokalee Area Master Plan – Implementation Schedule (Enclosure 5)**

Ms. Michele Mosca addressed the board. She is now with Community Planning and she introduced the team, new team member, Eric Ortman, and Anita Jenkins, Planning and Zoning Director. She went over the Immokalee Area Master Plan Initiatives on Enclosure 5. The plan was adopted in December of 2019, within the plan, Immokalee has 15 planning initiatives that were identified. For ease of implementation the team has grouped the initiative into five groups. All initiatives have been started, three of the initiatives in group one will be looked at by a consultant group at the same time. The team can provide updates on an as needed basis.

**2. Casa San Juan Diego Housing Development – Letter of Support (Enclosure 6)**

Mr. John Raymond with National Development Corp addressed the board. He did a quick recap of his October presentation on the Casa San Juan Diego Housing Development. One of the questions that was brought up previously was the ownership structure and real estate taxes. The ownership structure is 0.01% non-profit associated with the Diocese of Venice and 99.99% for profit equity investor thus the project will pay Ad Valorem taxes on the development.

Mr. Rick Miller with National Development Corp explained further that they own several structures that are the same as this one and they pay taxes on all of them.

Mr. James Sainvilus was concerned with letting Immokalee be known as low income housing. He is also concerned with businesses coming in asking for support but then not supporting infrastructure or maintenance.

Mr. Rick Miller stated that this project will not be all low income, there will not be any rental assistance. Everyone who will live in the development will be gainfully employed and the development will provide a place for people who work in Immokalee a place to live that they can afford. The way to grow businesses in Immokalee is keeping residents in the community so that they buy goods and services in Immokalee and not from the area they are commuting from. He knows that there is a housing shortage everywhere in the state for every demographic. They will be paying taxes which will help with infrastructure, be it road or drainage improvements. This will be an asset to Immokalee. They are not low-income housing; they are moderate income housing for people who make moderate income.

Dr. Frank Nappo, CRA Chair, asked that each board member comment on the development before voting.

Mr. Francisco Leon is not in favor of the development because of the low-income situation.

Mr. Estil Null is in favor being that the point is to keep people here and it will give the middle class an opportunity to get good housing.

Mr. Ski Olesky did not care for the setup of the development but knows that housing is needed.

Ms. Anne Goodnight, CRA Vice-Chair, is in favor because better housing is needed.

Ms. Andrea Halman is in favor because the biggest issue was the development paying taxes and they have addressed that concern. Taxes will be paid, and housing is needed.

Mr. Mark Lemke is in favor because housing is needed and with the previous presentation stating that college kids want to come back to the community, this development would give them that chance. A college student will not want to live in a trailer after experiencing life away at a University. This would also give professionals like teachers a better housing choice to live in the community versus the surrounding areas. At this point the letter of support is for them to get the funding needed to build.

Dr. Frank Nappo held a roll call vote to approve the motion. Mr. Francisco Leon was the only board member to oppose.

***CRA Action:***

***Action: Ms. Anne Goodnight made a motion to sign the letter of support for the Casa San Juan Diego Housing Development. Mr. Ski Olesky seconded the motion and it passed with a vote of 6-1.***

3. MSTU Advisory Board Committee Expansion (Enclosure 7)  
Staff provided an update on the expansion of the MSTU Advisory Board Committee. The expansion will go to the Board of County Commissioners meeting on December 8, 2020 for approval. If the approval goes through it will be advertised and staff hopes to have applications for the MSTU committee to vote on in January.
4. Project Manager Report (Enclosure 8)  
Staff presented the board with the project manager report, enclosure 8. The welcome sign is now in permitting and once permit has been issued the artist will be able to come in and complete her portion of the sign.
  - i. CDBG Immokalee Sidewalk Project - Carver & South 5<sup>th</sup> Street  
Staff provided updates to the Carver & South 5<sup>th</sup> Street Project. Staff will be seeking to extend the CDBG grant after getting a substantial completion date from the construction company.
  - ii. Main Street (SR29) Improvements Project #439002-1- Update  
Staff provided board updates on the Main Street Project. Staff will be meeting with FDOT to address the lighting issue on Main Street as well as the sidewalks and pavers that are being removed.
5. Contractor Maintenance Reports
  - i. A & M Property Maintenance
    - a. Maintenance Report & Schedule (Enclosure 9)

Staff reviewed the schedule of maintenance with the board.

Mr. Armando Yzaguirre provided some updates, the schedule of maintenance has been business as usual. There was a recent irrigation break and FDOT needs to address it as it was in their construction zone.

Board is ok with Mr. Yzaguirre putting up lighted Christmas decorations on the blue poles the day after Thanksgiving.

Staff will contact Mr. Yzaguirre on the tree trimming schedule.

- ii. Project Manager Observation Field Report (Enclosure 10)  
Ms. Yvonne Blair reviewed the project manager observation field report, enclosure 12 with the boards.
6. The Face of Immokalee (Enclosure 12)  
Ms. Michelle Tricca addressed the board. She explained her project. She hopes to be able to utilize the Zocalo Plaza wall, as well as trucks, walls, and fencing at Lipman Farms. She said Lipman Farms has agreed to allow her to use two trucks, several walls, and the fencing that goes around their packing facility off of Main Street in Immokalee. She has been proactively seeking funding and now has a fiscal sponsor.

Mr. Peter Johnson, MSTU Vice-Chair asked what the fiscal goal of this project is.

Ms. Tricca explained that she needs approximately \$80,000 dollars which includes commercial grade weatherproof printing, installation, and graphic design/digital tech that is needed to compose all of the images that will be used.

Ms. Andrea Halman asked if any of the businesses that are giving her canvases are willing to give her money being that she is providing the business with an upgrade and improving their building.

Ms. Tricca stated that Jamie with Lipman has told her that they can give her \$2,500 for upfront costs but anything else would have to go through the family.

Dr. Frank Nappo, CRA Chair, asked for each CRA board member to give their opinion of this project.

Mr. Francisco Leon did not care for the project being that the repercussions to the individuals who have portraits up when someone vandalizes it and then there is retaliation.

Mr. Estil Null was concerned about graffiti with regards to portraits.

Mr. Ski Olesky was also concerned with vandalism and retaliation.

Ms. Andrea Halman was in support of the project since it is portraits of the community.

Mr. Mark Lemke supported it.

Dr. Frank Nappo held a roll call vote to approve the motion. Mr. Francisco Leon was the only board member to oppose.

***CRA Action:***

***Action: Ms. Andrea Halman made a motion to allow the use of Zocalo Plaza Art Wall as a canvas for Ms. Tricca's The Face of Immokalee Project. Mr. Estil Null seconded the motion and it passed with a vote of 5-1.***

***MSTU Action:***

***Action: Ms. Andrea Halman made a motion to allow the use of Zocalo Plaza Art Wall as a canvas for Ms. Tricca's The Face of Immokalee Project. Ms. Cherryle Thomas seconded the motion and it passed by unanimous vote. 3-0.***

Dr. Frank Nappo, CRA Chair asked if it was necessary for the boards to meet in December.

Ms. Debrah Forester explained that as of today there are no actionable items that need to be addressed by the CRA or the MSTU.

Dr. Frank Nappo recommended that there be no meeting in December and have the next meeting in January.

Ms. Debrah Forester stated that the decision to not meet in December was fine and there could be a special meeting done if any actionable item came up for either board.

### **Notice for MSTU Board Vacancy**

The **Immokalee Beautification MSTU Advisory Committee** has two vacant seats. Applicants must be permanent residents within the MSTU. This seven-member committee assists the Board of County Commissioners in the business affairs of the Immokalee Beautification Taxing District, and prepares and recommends an itemized budget to carry out the business of the district for each fiscal year. 4 members must be permanent residents, and 3 members must be business/commercial owners or represent a non-profit in the MSTU. Terms are four years.

Please see link below to apply for the committee.

To apply for an advisory committee vacancy, submit an application online at <https://www.colliercountyfl.gov/your-government/advisory-boards/online-advisory-board-application>. After you complete the application, click on "Submit Form." To receive an immediate e-mail confirmation that your application was received, you must include your e-mail address in the application.

Residents interested in applying for advisory committee positions may also obtain an application by calling 239-252-8400, or from <https://www.colliercountyfl.gov/home/showdocument?id=25235>. Please email to [DL-AdvisoryBoardOn-LineApplications@colliercountyfl.gov](mailto:DL-AdvisoryBoardOn-LineApplications@colliercountyfl.gov), or mail to the attention of Wanda Rodriguez, County Attorney's Office, 3299 Tamiami Trail East, Suite 800, Naples, Florida 34112-5746.

**AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, AMENDING ORDINANCE NO. 2002-52, AS AMENDED, WHICH ESTABLISHED THE IMMOKALEE BEAUTIFICATION ADVISORY COMMITTEE, BY INCREASING THE MEMBERSHIP OF THE COMMITTEE FROM FIVE TO SEVEN MEMBERS AND AMENDING MEMBERSHIP AND QUORUM REQUIREMENTS; PROVIDING FOR CONFLICT AND SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE OF LAWS AND ORDINANCES; AND PROVIDING FOR AN EFFECTIVE DATE.**

**WHEREAS**, Collier County Ordinance No. 2002-52, as amended by Ordinance No. 2011-39, established the Immokalee Beautification Advisory Committee to advise the Board on matters pertaining to the Immokalee Beautification Municipal Service Taxing Unit (MSTU); and

**WHEREAS**, the Board of County Commissioners desires to amend Ordinance No. 2002-52, as amended, to increase the membership of the Committee from five to seven members and further define the membership requirements for business and non-profit representatives.

**NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF COLLIER COUNTY, FLORIDA, that:**

**SECTION ONE: AMENDMENT TO SECTION TWO OF ORDINANCE NO. 2002-52, AS AMENDED.**

Section Two is hereby amended as follows:

**SECTION TWO: APPOINTMENT AND COMPOSITION.**

A. The committee shall consist of ~~five~~ (5) seven members which generally represent the area within the Immokalee Beautification Municipal Service Taxing Unit as said MSTU is described in Collier County Ordinance No. 92-40.

B. Members of the committee shall be appointed by and serve at the pleasure of the Board of County Commissioners. Four ~~(4)~~ members shall be permanent residents within the MSTU and electors of Collier County. ~~One~~ (1) Three members may be an owner of ~~residential~~ a business or commercial property within the MSTU or an owner or appointed representative of a business located non-profit entity owning property and operating within the MSTU, and electors of Collier County. An owner of ~~residential~~ a business or commercial property may be an individual, an officer of a corporation, or a partner of a partnership.

C. Appointment of members to the committee shall be by resolution of the Board of County Commissioners, which resolution shall set forth the date of appointment and the term of office.

**SECTION TWO: AMENDMENT TO SECTION FIVE OF ORDINANCE NO. 2002-52, AS AMENDED.**

Section Five is hereby amended as follows:

**SECTION FIVE: OFFICERS, QUORUM, RULES OF PROCEDURE.**

A. At its earliest opportunity, the membership of the committee shall elect a chairman and vice chairman from among the members. Officers' terms shall be for one year, with eligibility for re-election.

B. The presence of ~~three~~ four or more members shall constitute a quorum of the committee necessary to take action and transact business.

C. The committee shall, by majority vote of the entire membership, adopt rules of procedure for the transaction of business and shall keep a written record of meetings, resolutions, findings and determinations. Copies of all committee minutes, resolutions, reports, and exhibits shall be submitted to the Board of County Commissioners.

**SECTION THREE: CONFLICT AND SEVERABILITY.**

In the event this Ordinance conflicts with any other ordinance of Collier County or other applicable law, the more restrictive shall apply. If any phrase or portion of the Ordinance is held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision and such holding shall not affect the validity of the remaining portion.

**SECTION FOUR: INCLUSION IN THE CODE OF LAWS AND ORDINANCES.**

The provisions of this Ordinance shall become and be made a part of the Code of Laws and Ordinances of Collier County, Florida. The sections of the Ordinances may be renumbered or relettered to accomplish such, and the word "ordinance" may be changed to "section," "article," or any other appropriate word.

**SECTION FIVE: EFFECTIVE DATE.**

This Ordinance shall be effective upon filing with the Department of State.

**PASSED AND DULY ADOPTED** by the Board of County Commissioners of Collier County, Florida, this 8<sup>th</sup> day of December, 2020.

**1. Community Development Block Grants (CDBG) Sidewalk Projects**

*i. Immokalee Sidewalk Project Phase II*

***Carver Street and S. 5<sup>th</sup> Street (funded with CDBG and CRA funds) Project #33588.1***

In June 2019, through a competitive process, the Immokalee CRA was selected and awarded grant funds for additional sidewalk improvements along the southside of Immokalee. The CRA received a total of \$676,365 of HUD funding allocation for CDBG projects.

In June 2020, through a competitive bid process the county received six proposals for the construction of the sidewalks. Coastal Concrete Products LLC d/b/a Coastal Site Development (Coastal Concrete) was the second lowest bidder and provided certification as a “Section 3 Business”. Coastal Concrete agreed to match the lowest bidder (Andrew Sitework, LLC) in the amount of **\$821,756.00**, as permissible per the Affidavit for Certification for Claiming Status as a Section 3 Business, award shall be made to the Section 3 Business. Total project cost is estimated at \$991,114.

CRA Funds	\$145,391.00	18%
Awarded Bid	\$821,756.00	100%

11/30/2020 extended to 3/12/21

Staff has processed CDBG reimbursement request to CHS for Applications #1 (\$20,750) and #2 (\$56,353.35) invoices from Coastal Concrete (less retainage). Coastal Construction provided a new Schedule and an extension was approved for the CDBG funding deadline from 11/31/20 to 3/12/21. A Change Order to the Construction Contract was drafted on 12/4/20 for execution to extend the project completion from 2/28/21 to 3/17/21 to add an additional 17 days to the construction contract due to scheduling delays, modifications to shop drawings and weather conditions to allow for project completion. No additional funds are required. A couple utility conflicts on Carver Street near the 7/11 were encountered 1.7.21 and 1.11.21 that were not shown on as-builts or mark-up plans. Coastal Concrete and the Engineer of Record have addressed the conflicts and are modifying the pipe at these two locations and all other locations and elevations in the two drainage structures remain the same.

ii. *Immokalee Sidewalk Project Phase III – Eustis Avenue*

On February 6, 2020 the CRA applied for a Community Development Block Grant (CDBG) for the construction of sidewalks along Eustis Avenue. Project area is highlighted in yellow from South 5<sup>th</sup> Street to South 1<sup>st</sup> Street (about .3 mile). Current and completed projects are highlighted in orange.

The total cost for the project (design and construction) is estimated at \$380,000. The MSTU (Fund 162) will design the project, and the anticipated cost is \$60,000. On March 6, 2020 CRA staff presented to CHS panel and staff for the grant project. In April 2020, staff were informed that they were not awarded the requested grant amount. Staff will move forward with design for this project in order to have it shovel ready for the next round of grant funding.

No Updates.

2. **Beautification Enhancements**

i. *Welcome Sign (Monuments)*

*Removal of the bird of paradise.*

*Artist completed mural 12.23.20.*

*Lykins-Signtek (Lykins) approved sign for 1<sup>st</sup> and Eustis Welcome Sign*

1. The Survey results for modifications to the sign were presented to the MSTU for review and approval on September 23, 2020. The “Field of Dreams” proposal received over 60% of the votes and the winning artist was Martha M. Cantu. Staff coordinated with Lykins and the Artist to complete a new proof for the Welcome Sign incorporating the selected mural. On November 6, 2020, Staff emailed Lykins to remove the bird of paradise and existing lettering on the sign located at Eustis Avenue and 1<sup>st</sup> Street so selected Artist could complete art mural. Lykins removed the letters and the bird on December 16<sup>th</sup> and the Artist started the mural on December 17<sup>th</sup> and completed the artwork on December 24, 2020. The installation of landscaping and lighting at this location will begin in late January early February. Lykins will add the lettering “Welcome To” and “Immokalee My Home”.

- The reconfiguration of the signs and approval of the increase for the work is scheduled to go before the Collier County Board of County Commissioners on the January 26, 2021 Agenda for approval because the work will exceed the \$50,000 threshold to complete the two signs. There was funding on the existing Purchase Order to complete the 1<sup>st</sup> Street sign and the Triangle sign has been on hold until the BCC's approval. When funding is approved, Lykins can do a print on a ACM substrate and attach it to the Triangle sign with the lighted lettering underneath.

*Before plant are installed*

*Plants installed on December 15, 2020*

*Lykins-Signtek approved sign for Triangle Welcome Sign*

- Staff extended the 490 S 1<sup>st</sup> Street Right-of-Way Permit #PRRPW2019094077101 from December 13, 2020 to March 31, 2021. Lykins applied to extend the Monument Sign Permit #PRSG2020020671601 so the work may be completed.
- The installation of the planter pots on the 1<sup>st</sup>/Eustis monument sign, irrigation & electrical hookup and landscaping planting will be coordinated with Hannula Landscaping & Irrigation Inc. when Lykins has completed the installation of the raised lettering on the monument.

5. The Farm Worker's Village sign (Panther Crossing/SR 29) is pending the recording of the conveyance of an easement and the subordination, consent and joinder documents before Staff can proceed. The coordination of securing the required documentation is being managed by the Collier County Real Property Management Department.
6. The 100 bricks are stored at road maintenance, and Staff has sent Scope of Work for the proposals for bids to three vendors.

### 3. Main Street Improvements

#### i. SR 29 (Main Street) from North 9th Street to North 1st Street (Project #439002-1) Pedestrian Safety Improvements

Florida Department of Transportation (FDOT) partnered with the Community Redevelopment Agency (CRA) and the Municipal Service Taxing Unit (MSTU) to program a project on SR 29 in Immokalee due to a history high bicycle and pedestrian crashes and activity.

The purpose of the project is to increase pedestrian and bicyclist safety and consists of installing two RRFBs (Rectangular Rapid Flashing Beacons), pavement marking improvements, reconstruction of the lighting system, constructing a new signal at 3rd Street, drainage improvements, and sidewalk enhancements. The project is estimated at 1.98 Million. The FDOT Project Manager for this project is Josephine Mak.

Construction began in May 2020 and is expected completion in Mid-February 2021 followed by the punch list activities. FDOT will pay the cost to install 30 standard LED light Poles and the MSTU provided an advance deposit of \$125,342 to FDOT for installation of holiday attachments on 30 light poles and all efforts associated with adding the attachments, including banner arms, GFCI outlets, additional conductors, mobilization and maintenance of traffic at SR29 from 1st Street North to 9th Street North in Immokalee.

#### Project Updates:

- Project is 96% on time and 87% on budget as of January 6, 2021. Wright Construction is trying for a walkthrough at the end of January.
- On January 7-9, 2021, Wright Construction made pavement repairs to the northeast quadrant of the intersection of Main Street (SR 29) and 9<sup>th</sup> Street N. The permanent repairs are required by the FDOT as the result of a water line break earlier in 2020. This work required coordination with the schools and crossing guards.
- The Contractor is removing and relocating the remaining blue poles on the south side and all the poles on the north side to the Airport for storage once the new poles are powered.
- Wright Construction is to coordinate with CRA Staff and A&M on the installation of the banner arms on the new poles .
- Staff shall coordinate with Airport Staff to have a welder do repairs to the damaged blue light poles while stored at the Airport for future use.
- Staff expressed concerns to FDOT regarding the condition of finishing the sidewalks on November 18, 2020 in the 25 affected pole areas.

On December 23, 2020 FDOT at bi-weekly meeting advised that they have enough of the saved bricks for sidewalks after the removal of the blue light poles at no additional cost to CRA for the bricks. If they are short of bricks, they will put in concrete; but will focus on brick at the crosswalks and Zocalo areas and go from there with installations in other areas.

- Wright Construction coordinated with A&M to check the irrigation cycle to make sure repairs have been completed.
- FDOT was closed for the holiday December 23 6:30 PM – January 2, 2021 and on January 18, 2021 for Martin Luther King Jr. Day.
- 90% Walk-thru was conducted on January 21, 2021

**4. First Street Corridor Conceptual Plan**

Q. Grady Minor & Associates, P.A (Grady Minor) has been hired to provide professional services for future street lighting and pedestrian safety improvements along South First Street (from Main Street to School Road/Seminole Crossing Trail) in Immokalee.

The work includes feasibility studies and conceptual plans for the purpose of relocating existing decorative light poles, considering the future street lighting and pedestrian safety improvements. Additionally, it includes reviewing and providing recommendations for the location of new pedestrian crosswalks and the location of new landscape and hardscape elements, for areas in need of improvements, considering the future street lighting and pedestrian safety improvements. Estimated project costs and long-term maintenance costs will be included with the feasibility studies. The Work Order was processed on September 2, 2020. Tom Hollis Engineering Consultants, Inc. will provide sub-consultant assistance for determining lighting requirements, light pole locations, and lighting specifications. Total project cost for the evaluation is \$43,872. Notice to Proceed was issued on September 16, 2020. Work is scheduled to be completed 180 from notice to proceed (March 14, 2021). The Survey and on-site visits were completed in November and in December Staff discussed some conceptualizing ideas with the Consultants. Hollis Engineering to verify wind loads with the manufacturer and physically inspect the blue poles to complete an evaluation report and finalize recommendations to draft the concept plans.

**5. Trash Cans and Garbage Pickup**

Staff is continuing cleanup efforts with our Maintenance Contractor, Waste Connections and our Community Taskforce to keep Immokalee clean. As part of the MSTU roadway beautification, flowers were planted at the Triangle.

Trash along Main Street (Sunoco gas station bench area)

Almost daily cardboard boxes from the food distribution sites are being left on and around the Main Street benches and existing trash cans are overwhelmed with litter and boxes according to Park Staff, Library Staff, Sheriff’s Office and A&M. Staff is working on setting up an Interagency discussion for a solution and funding. Some possible solutions are daily walk throughs and clean up by workers, an local educational effort to keep the sidewalks clean and/or the removal of the benches from Main Street to stop the homeless from hanging out.

**6. Main Street Improvements**

In addition to trash removal, another issue is that mulch in the medians is coming into the roadway. Chickens are making beds in the mulch. The solution is to remove the chickens and to remove the dirt in the medians and replant in the problem areas.

**7. Zocalo Plaza**

*i. Parks & Recreation Monthly Maintenance*

Park staff continue doing monthly maintenance (painting, trimming, cleaning and mulch) of plaza; and Staff is billing CRA & MSTU quarterly. Staff is monitoring the quality of maintenance services being provided.

*ii. CRA Staff*

Simmonds Electric commenced work (Purchase Order issued for \$15,627,03) at Zocalo on January 7, 2021 for the electrical enhancements for additional loads and to provide a cut-off switch in the electrical room area for the Plaza.

This will include wiring for the proposed kiosk and better amps for holiday decorations, entertainment and increase potential rental venue opportunities. Electrical work should be completed in February 2021. On 1.8.21 the Electrician notified Staff that the step-down transformer located in the underground PVC Junction box was not sealed and there is water inside. Electrician recommended relocating the step-down transformer above ground level.

GEC, LLC's quote of \$4,514 was awarded as lowest bidder to purchase, permit and manage the installation of the kiosk together with the relocation of the pineapple bike rack after the Electrician has completed the electrical project. Purchase Order was received 1.11.21 and GEC will order and permit the single-sided all aluminum outdoor message center kiosk.

**8. Roadway Improvements**

*i. SR 29/Westclox Street*

The design for a roundabout for this intersection is completed. On 1.11.21 FDOT reported that the project is approved and is being authorized for the equipment to be purchased for a temporary full signal light for that intersection until the roundabout is completed. It should be constructed sometime early next year. Field reviews are being completed in January 2020 on the structures. A project timeline will soon be available.

ii. *SR 82 Road Widening Project Gator Slough Lane to SR 29 (Project # 430849-1).*

The Florida Department of Transportation's (FDOT) contractor, Ajax Paving Industries of Florida, began work at the end of the year 2019 to widen SR 82 from Gator Slough Lane to SR 29, from a two-lane undivided roadway to a four-lane divided roadway, while allowing for a future six-lane roadway. Additional improvements on this 3.2-mile corridor include construction of 5-foot wide paved shoulders, which will also serve as bike lanes, a 54-foot wide median, a 10-foot multi-use trail along the south side, and a 5-foot sidewalk along the north side.

The intersection at SR 29 will be changed from a stop condition with flashing beacon to a roundabout. The construction is expected to be completed by summer of 2022. On 1.11.21 FDOT reported that the contractor began paving the NW quadrant of the SR 82/SR 29 intersection in preparation of an upcoming traffic switch at this intersection which is scheduled for the end of January. FDOT is on track for the next major traffic switch in March of 2021 where the traffic on SR 82 will be placed into the new east bound SR 82 roadway. The community outreach manager is Lisa Macias. The Project Manager is Dennis Day.

**9. Status of Insurance Claim(s)**

An Incident Report #5010112010739 was filed on October 12, 2020 for a knocked down Streetlight #7 (LUMEC TYPE C 27) and landscape areas which include trees, plants and irrigation located on New Market Road/SR29 at the Triangle. Total cost less deductible was paid (\$20,152.86).

**10. CAT Bus Stop #353 located on Roberts Ave W in front of Roberts Senior Center**

Collier Area Transit (CAT) Manager, Omar Deleon reported that CAT has been working on various projects within Immokalee, of those projects the FTA 5339 project included bus stop 353 located on Roberts Avenue West in front of the Roberts Senior Center. The stop originally was planned for ADA improvement but after further review it was determined based on the counts it met the criteria for a bench to be incorporated into the improvements and a shelter. CAT did not have the funds to cover all the construction.

CAT obtain support from the CRA and the MSTU for a total shared cost between the CRA and MSTU of \$30,000 with each paying a not-to-exceed amount of \$15,000 to complete bus stop improvement to include ADA compliance, bench, bike rack, trash can, stormwater improvements and a shelter.

The contractor has completed the concrete work for site 353, and added a bench while waiting for the shelter, bike rack and trash to arrive. There are a few pending items: grading, sodding and addition of handrails due to slope adjacent to sidewalk. Grading and sod is scheduled to be completed the week of January 11, 2021. The shelter and amenities were ordered but are not anticipated to arrive until late Spring or early Summer.

1. Immokalee Area Master Plan (IAMP) Restudy (PL201880002258)

Approved by BCC for final adoption on 12/10/2019.

Copy of IAMP as amended by Ordinance 2019-47 can be found at [www.ImmokaleeToday.com](http://www.ImmokaleeToday.com) website. Implementation schedule was provided at the November meeting.

2. CRA Office

CareerSource SWFL building is open by appointment only.

Job Bank Assistant – staff is continuing to use temp service until further action is taken.

3. Redevelopment Plan

Staff issued Notice to Proceed to Johnson Engineering on December 1, 2020 to provide planning support services for the Immokalee Community Redevelopment Plan. Their proposal of \$79,710 is based on planning support services for the CRA staff's update to the Immokalee Community Redevelopment Plan. This effort is specific to Section 4 of the Collier County Community Redevelopment Agency Community Redevelopment Plan, amended May 2019. The Immokalee Community Redevelopment Plan will be prepared consistent with the policies of the Immokalee Area Master Plan adopted as part of the County's Growth Management Plan on December 10, 2019. Completion of this project is set for March 31, 2022 (485 days). Project schedule will be provided at a future meeting.

4. Infrastructure Projects in Immokalee

1) ***Eden park Elementary Safe Routes to School***

- 6' Sidewalk on the south and west side of the road.
- Construction costs \$663,000.
- Funded with Safe Routes to School funds in FY 21/22.
- Construction in FY 22/23

2) **Lake Trafford Road**

- Design for projects 1&2 (Lake Trafford) has not started. In Negotiations.
- BCC award of Design has been pushed back to February 2021.
- Construction 2022-2023
- Project 3 is discussed under Stormwater projects.

Design of bicycle and pedestrian features on Lake Trafford Road from Little League Road to Laurel Street. The project length is approximately 1.850 miles. Specifically, the design will provide for bicycle lanes on each side of the roadway within the project limits and design of a 6' sidewalk on the south side of the roadway from Carson Road to Krystal Lane and from North 18<sup>th</sup> Street to Laurel Street. Includes adjustment or relocation of the existing signalization at the intersection of Carson Road and 19<sup>th</sup> Street, if required. Constrained right-of-way at 19<sup>th</sup> Street intersection may require bike lane tapers to sidewalks and minor incidental intersection improvement at this location.

3) **TIGER (Transportation Investment Generating Economic Recovery) Grant**

*Immokalee Complete Streets TIGER Grant – \$16,415,864 Project total. Funding sources are FHWA grand funds (80%) = \$13,132,691 County match funds (20%) = \$3,283,173.*

Includes design and construction of 20 Miles of concrete sidewalks, a bike boulevard network, a shared-use path, street lighting, bus shelters, a new transit center, landscaping, drainage improvements, and intersection and traffic calming retreats.

Collier County has provided the CRA with an overview of estimated schedule with milestones. The design/build portion of this project is set to start early 2022 and construction is set to be completed early 2024.

4) **Stormwater Improvements**

The original Immokalee Stormwater Master Plan (ISWMP) was prepared by H.W. Lochner (2005). Camp Dresser & McKee (CDM) was contracted in 2010 to prepare construction plans for the Downtown Immokalee and Immokalee Drive projects plus update the ISWMP. A draft update document was prepared but not finalized. On November 28, 2018 county staff presented the follow-up analysis.

**Immokalee Stormwater Project updates:**

**North 3<sup>rd</sup>. Street Stormwater Improvements:**

The grant funding contract is now finalized, and the project is entering the contractor bidding phase. The new project manager is Brittany Lazo with Collier County Stormwater Management. The contractor procurement process typically takes 5 or 6 months, but the process is moving forward.

**Eden Gardens project:**

The County has again applied for CDBG-DR grant funding for this project. The application is now in the review and response to questions stage.

**Madison Avenue Channel project:**

On the northeastern side of Immokalee, county staff obtained Board of County Commissioners approval to purchase a 6-acre parcel just to the east of the Immokalee Foundation Career Path Learning Lab site. They are still working through the closing with the owner. That site will provide a pond site to improve stormwater quality from the outfalls along Madison Ave. Additionally, county staff is working with FDOT’s design firms to coordinate the alignment of the SR-29 bypass loop so they can avoid having to route the stormwater from the Madison Avenue channel all the way around the north and east sides of the airport. So far, this coordination looks favorable.

**Lake Trafford Road Area:**

The single negotiated contract for designing both the stormwater treatment facility in the SE corner (Tract 3) of Arrowhead Reserve and the pathway and needed drainage improvements along Lake Trafford Road from Little League Road to Tippins Terrace is being scheduled for Board of County Commissioners approval in October. County staff sent draft executive summary to Procurement on 09/28/2020. County staff is looking at phasing the construction, with Phase 1 being the Arrowhead Tract 3 site and Phase 2 being the pathway and drainage west of Little League Road. The goal is to get the Phase 1 design done by roughly late February/early March 2021 so county staff can then start bidding for its construction start in FY 20/21. Staff plan on bidding the Phase 2 construction in the following fiscal year FY 21/22.

5. Commercial Façade Grant

Program is in place and being reviewed for revisions. On June 19, 2019 CRA board approved Lozano’s Mini Mart for a \$20,000 façade grant for improvements to property located at 102 New Market Rd.

Staff met with Mini Mart owners to complete package for BCC submittal. No update.

6. FHERO

Florida Heartland Economic Region of Opportunity – updates Staff continues to attend monthly meetings. Last meeting was held on September 14, 2020. Next meeting will be held on November 18, 2020 at 1:00 p.m. in Hendry County.

FHERO was awarded a \$22,000 grant to prepare an Economic Strategic Plan for Immokalee. Site Tour was conducted by VisonFirst on March 13, 2020. Staff provide VisonFirst with updates to draft Strategic plan. Final copy will be presented at a future meeting.

The new digital flip-book edition of the **FHERO Guide** is live, active and public. For complete 32 page guide please visit [http://passportpublications.com/FHERO\\_Guide.html](http://passportpublications.com/FHERO_Guide.html)

Staff processed annual membership fee in the amount of \$2,415.40. Pursuant to Executive Order 16-150, the RAO designation for the area around Immokalee included within the Round II Federal Rural Enterprise Community located in northeast Collier County shall be in effect for five years and will expire on June 27, 2021.

Staff attended FHERO board meeting on January 11, 2021 via Zoom.

7. Immokalee Unmet Needs Coalition

The Housing Committee is updated the Immokalee Disaster Recover Resiliency Plan and funding options for future projects. The Immokalee Unmet Needs Coalition (IUNC) is a long-term recovery group that formed in the fall of 2017 as the result of Hurricane Irma. This group is composed of non-profits, faith based, local, state or national organizations who work together to meet the unmet of Immokalee residents impacted by disaster. Housing committee meetings are held the second Friday of every month via zoom.

8. EPA Brownfields Coalition Assessment Grant

Awarded to the Southwest Florida Regional Planning Council. Immokalee site identified in the grant was the **Immokalee Regional Airport** (165 Airpark Blvd., Immokalee, FL. 34142). Airport staff is coordinating with Terracon to complete assessment. Terracon provided staff with a draft report of the airport sites.

9. Development in Immokalee

1) *Guadalupe Center van Otterloo Campus for Learning*

The Guadalupe Center broke ground on October 30<sup>th</sup> for a new educational campus that will create lasting, transformational change for students in Immokalee. The van Otterloo Family Campus for Learning will feature two academic buildings with multiple classrooms, a library, learning lab, cafeteria and kitchen, playground, administrative offices, mentor lounges, commons areas, a medical and dental suite, outdoor gardens and a student wall of fame. The campus will accommodate up to 154 students in Guadalupe Center's Early Childhood Education Program, as well as 125 high school students in the college-preparatory Tutor Corps Program. Guadalupe Center named the campus in honor of Rose-Marie and Eijk van Otterloo, whose generous \$5 million matching gift helped launch the project and inspired others to give. Within the campus, Brynne & Bob Coletti Hall will become the new home for the Tutor Corps Program. Barron Collier Companies donated 9.5 acres for the new campus. For more information please visit [www.guadalupecenter.org](http://www.guadalupecenter.org)

2) **Immokalee Foundation Learning Lab 18-home subdivision**

The Immokalee Foundation Learning Lab 18-home subdivision is currently under construction. Collier Enterprises donated the 8 acres of land for a housing subdivision that will serve as a hands-on learning laboratory for students in the foundation's program., Career Pathways: Empowering Students to Succeed. BCB Homes, will be serving as the general contractor.

3) **Redlands Christian Migrant Association (RCMA) Childcare Development Center and Community Hub**

The RCMA proposed childcare center and community hub consist of Childcare classrooms, Area office, and playground. The development will accommodate 234 children and 30 employees. RCMA will be presenting to the CRA at a future meeting.

#### 10. The Face of Immokalee

On December 12, 2018 Michelle Tricca, a local Artist, presented The Face of Immokalee, a proposed outdoor photography installation celebrating the soul of Immokalee. CRA board supported the project and have formed a subcommittee to move the project forward.

The subcommittee last met on December 9, 2019 to discuss the art wall options for the old McCrory's building (S&O Grocery), Lipman Produce (trucks/building), site on 1<sup>st</sup> Street (Gadsden blue building), and the Zocalo plaza. Committee supported rendering provided by artist with minor changes. Ms. Tricca's photos were selected to be displayed at the BCC Chambers through February 29, 2020.

On October 22, 2020 CRA staff and Lipman staff met with Michelle Tricca to discuss project status.

On October 29, 2020 WGPU did a story on Ms. Tricca's public art installation for the Phase 1 portion of the project. Please see link to the WGPU Face of Immokalee story. [WGPU Face of Immokalee Story](#)

On November 18, 2020 both the CRA and MSTU board supported The Face of Immokalee project and made a motion to allow the use of Zocalo Plaza Art Wall as a canvas for the project.

#### 12. Collier County Opportunity Zone Program

A new community and economic development tool to drive long-term private investment in low-income communities!

Collier County hopes to leverage Opportunity Zones as an important tool to support the development of jobs, affordable housing and economic vitality in five areas in Golden Gate, Naples Manor and in and around Immokalee.

Low Tax Opportunity Zones, established by the federal Tax Cut and Jobs Act of 2017, encourage long-term investment and job creation in targeted communities by reducing taxes for many job creators. They enhance the ability to attract businesses, developers and financial institutions to invest in these targeted areas — distressed communities — by allowing investors to defer capital gains taxes through investments Low Tax Opportunity Zones, established by the federal Tax Cut and Jobs Act of 2017, encourage long-term investment and job creation in targeted communities by reducing taxes for many job creators. The zones enhance local communities' ability to attract businesses, developers and financial institutions to invest in targeted areas by allowing investors to defer capital gains taxes through investments in federally established Opportunity Funds.

It's an economic and community development tax incentive program that provides a new impetus for private investors to support distressed communities through private equity investments in businesses and real estate ventures. The incentive is deferral, reduction and potential elimination of certain federal capital gains taxes.

U.S. investors hold trillions of dollars in unrealized capital gains in stocks and mutual funds alone, a significant untapped resource for economic development!

To become a Qualified Opportunity Fund, an eligible corporation or partnership self-certifies by filing [Form 8996](#), Qualified Opportunity Fund, with its federal income tax return.

## S. 4<sup>th</sup> Street Homeless Camp Removal

Code Enforcement abated the violation by clearing the property of all prohibited exotic vegetation that once allowed cover for the homeless camp. These before and after pictures show the progress. The case will remain open until all vegetation has been removed but the camp is no longer an issue. This was a follow up to a CCSO request for assistance regarding the homeless camp.

*Safety, Innovation, Mobility, Attract, Retain & Train*

**SR29 and Westclox signal:** The project is approved and is being authorized for the equipment to be purchased and provided to the Collier. It should be constructed sometime early next year. Field reviews are being completed this week on the structures. A project/construction timeline and another will be provided as soon as it's available.

**SR82 update: (from Gator Slough to SR29 segment currently under construction)** The contractor began paving the NW quadrant of the SR 82 / SR 29 intersection when they return following the holiday suspension. This is in preparation for an upcoming traffic switch at the intersection that will occur near the end of January. FDOT is still on track for the next major traffic switch in March of 2021 where the traffic on SR 82 will be placed into the new east bound SR 82 roadway.
