## G. Announcements.

1. Communications Folder

Staff reviewed the communications folder with the board and members of the public. The folder contained the public notice for this meeting and the Public Utilities program and magnet on curbside collection program.
2. Public Comment speaker slips

Staff reiterated the public 3-minute speaker slip policy. The board will give more time if they feel it necessary.

## H. New Business.

I. Old Business.

1. Immokalee Litter Campaign (Enclosure 4)

Staff reviewed enclosure 4 with the board. Staff explained the issue of litter in the community and the possibility of educating the public to better deal with the litter. One idea was a possible door hanger that can be placed outside of every home. Staff would like for the board to consider the solar power compact trash cans; this could be something installed on Main Street when it gets redone. The trash cans are expensive, but they will keep the trash from overflowing and keep the buzzards away.

Commissioner William "Bill" McDaniel commented on budget amendments that had to be done because of the trash issue. The pandemic caused more waste therefore the county had to do more collections and disposals. He suggested that the board consider appropriating funds to be able to buy bear proof containers.
2. Mast Arm Maintenance (Enclosure 5)

Staff reviewed the Mast Arm cost comparison as shown on enclosure 5. Staff identified eleven (11) Mast Arm poles that need to be painted at the intersections of Main $\mathrm{St} / 9^{\text {th }} \mathrm{St}$, Main $\mathrm{St} / 1^{\text {st }} \mathrm{St}$, and New Market Road at Charlotte. The County's Traffic Operations approved vendor is Southern Signal \& Lighting and pricing is based on the County Contract \#19-7541 and valid until September of 2022. Three (3) quotes were provided from Southern Signal. There is a five (5) year warranty on the paint from the Manufacturer, Sherwin Williams.

Staff recommends paining the most needed poles now.
Commissioner William "Bill" McDaniel recommended that a capital asset budget be established to save for the maintenance/replacement of the Mast Arm poles.

After much discussion the Immokalee MSTU board members present made a recommendation to paint all three (3) intersections and to create a maintenance fund for future maintenance of the Mast Arm poles.

Action: $\quad$ Ms. Cherryle Thomas made a motion to approve painting all 11 Mast Arm poles at a not to exceed amount of $\$ 97,635.04$. Mr. David Turrubiartez seconded the motion and it passed by unanimous vote. 6-0.

Action: Ms. Cherryle Thomas made a motion for staff to come up with a maintenance fund for future maintenance of the Mast Arm poles. Mr. Peter Johnson seconded the motion and it passed by unanimous vote. 6-0.
3. Tiger Grant Updates

Staff gave updates to the board. The selection committee will be meeting to select the contractor that will be hired to do the design/build.
4. Contractor Maintenance Reports
i. A\&M Property Maintenance Report \& Schedule (Enclosure 6)

Staffed reviewed the schedule of maintenance with the board and members of the public.
Mr. Armando Yzaguirre stated that due to dryness, irrigation adjustments are taking place. Expect the water bill to be higher until the rains start. He gave staff samples of the rocks and estimated cost for the two (2) bulb outs trial dependent on the rock chosen. An official quote can be given once the rock is chosen. The purpose of the trial on two (2) bulb outs is to see how the chickens react to it as well as the community. The biggest issue with the mulch is the chickens getting into it and making a mess with it in the gutters. The rock will eliminate mulch being done every six (6) months.

After much discussion the board members chose to move forward with the marble rock at the two (2) bulb outs for a trial run.

Mr. Armando Yzaguirre also stated that he opened up the palm tree at the monument sign at Eustis and $1^{\text {st }}$. He noticed that the tree may need fertilizer or an injection, because of the dry weather if it doesn't start to improve something will have to be done. He will trim the tree and if injections are needed, he will provide a quote for it.

Ms. Debrah Forester stated that Hannula Landscaping should guarantee the tree for a year through the bid contract.

Mr. Armando Yzaguirre stated that if that is in Hannula's contract, then yes, they will need to come out and put fertilizer because after June $1^{\text {st }}$ there are only certain fertilizers that can be used.

## J. Staff Reports

1. Project Manager Observation Field Report (Enclosure 7)

Staff reviewed the PM observation field report with the board and provided updates as shown on enclosure 7. Staff provided the measurement of the bird of paradise to Lykins for installation.
2. MSTU Project Manager Report (Enclosure 8)

Staff reviewed the PM report on enclosure 8 with the board and provided updates. The Carver and South $5^{\text {th }}$ Street sidewalk project commenced on September 16, 2020 and has been completed as of April 2, 2021. Staff is coordinating with Road Maintenance on the installation of the raised RPMs at the South $5^{\text {th }}$ and Delaware Street intersection.

Agnoli, Barber and Brundage is the selected contractor and will be completing the design for the Immokalee Sidewalk Project Phase III, identified as Eustis Avenue and West Delaware Avenue. Staff will also be working with Stormwater management to evaluate the impacts on stormwater drainage in that area.

Hart's Electrical will be installing the electrical equipment needed in order for the lighted lettering on the Triangle monument to work. The Panther Crossing/SR 29 monument is still pending. This is due to the easement. Staff will proceed as soon as the documents have been recorded.

Commissioner William "Bill" McDaniel asked that staff copy him in on the emails with the Real Property Management Department on this topic.

First Street Corridor project is still in progress, at the coordination meeting it was recommended that a traffic count study be done.

Johnson Engineering will be the contractor preparing the design improvements to the streetscape of Main Street.

Armando Yzaguirre will be installing two different Sample Flag Banners on the new poles on Main Street.

The kiosk installation has not been completed; staff is looking into another option for installation.
The bus shelter at Robert's Ave has not been completed as of yet, the contractor is waiting for the delivery of the shelter and the permit.
3. Operations Manager Report (Enclosure 9)

Staff reviewed the Operations Manager report on enclosure 9. Staff is finishing up the Redevelopment Plan focus group meetings. Staff will then revise the goals and strategies before coming back to the board for approval.
K. Other Agency

1. Code Enforcement updates (Enclosure 10)

Staff reviewed the Code Enforcement update, enclosure 10. Staff recommends that the community use 311 when there are issues, sometimes the problem doesn't belong to Code Enforcement.
2. FDOT updates

No update.
3. Collier EDO/Immokalee Culinary Accelerator

Staff stated that the Culinary Accelerator has been very busy. One of the businesses, Corina's Sauces has grown tremendously. They have signed with Cisco to provide products to them.
L. Citizen Comments

No citizen comments.

## RE: Letter of Intent for 107 S 9 ${ }^{\text {th }}$ Street, Immokalee, FL property - Parcel No. 00122840009

Dear Debrah,
Catholic Charities Diocese of Venice, Inc. (CCDOV) respectfully submits this letter of intent for the above referenced property currently owned by the Immokalee Community Redevelopment Agency (CRA). As you know, Catholic Charities seeks to acquire and improve the $S 9^{\text {th }}$ street parcel as part of a communityfocused development that will have a positive, long term impact for the Immokalee community.

Over the last six months, CCDOV made two successive purchases of 5.5 acres adjacent to the west side of the CRA parcel. The successful acquisition of $107 \mathrm{~S} 9^{\text {th }}$ Street ( 2 acres) would allow Catholic Charities to realize a comprehensive 7.5 acre development that will include an advanced urgent care facility; improved Catholic Charities Guadalupe Social Services programming; community meeting room with free Wi-Fi; administrative office space; retail space along the W Main Street frontage; and at-market affordable housing that can serve a cross-section of the community.

Our vision for this site is informed largely by community needs assessments, local housing and market studies, and input from community stakeholders. We understand and appreciate the need for urgent care in Immokalee. We are cognizant of the CRA's intent to promote tax generating developments. We are also aware of the need for green space that is vital to building community. Our project will address these issues and more as it aligns with the CRA's mission of revitalizing Immokalee.

I have attached an initial concept rendering of our proposed development for your review. We would appreciate an opportunity to meet and discuss how we can partner together as outlined here. Please reach me at 941.445 .0062 or eduardo.gloria@catholiccharitiesdov.org at your convenience. Thank you for your time and consideration.

## Sincerely,

Eduardo Gloria Chief Operating Officer

CONCEPTUAL MASTER PLAN FOR A COMMUNITY CENTER IN IMMOKALEE

PLANNING NOTES
property area 6.94 acres
retail space $\quad 10,300$ sf
community center 28,000 sf on 1st and 2nd floors
clinic $\quad 25,000$ sf on second floor
$\begin{array}{ll}\text { at market housing } & 50 \text { units shown - potential for } \\ \text { residential over retail or clinic }\end{array}$
$\begin{array}{ll}\text { parking } & 86 \text { onstreet spaces } \\ & 100 \text { off street spaces }\end{array}$

Onstreet parking could be increased by 40-50 spaces with purchase of
Existing mature trees at the NE corner and center of site are amazing and
should be retained if at all possible. Built portions of site may need to be raised 24-48 inches above current grade
Surface storm water management areas can be an amenity for the beautiful and educational
Increased building area and residential density will require increased Off-street parking. Increased parking will require loss of
under buildings or structured parking (parking garage)

Staff is coordinating with Road Maintenance on the installation of raised RPMs at the S $5^{\text {th }}$ St and Delaware St intersection with the erosion of turf due to vehicles driving over the improvements.

ii. Immokalee Sidewalk Project Phase III - Eustis Avenue \& West Delaware

On February 6, 2020 the CRA applied for a Community Development Block Grant (CDBG) for the construction of sidewalks along Eustis Avenue and in April 2020, Staff was informed that they were not awarded the requested grant amount.

On 3.30.21 Staff identified the need for continuous sidewalks on West Delaware now that the S. $5^{\text {th }}$ Street improvements have been completed. Agnoli, Barber and Brundage (ABB) is the selected Contractor to prepare a Proposal for the design of this project to have it ready for consideration of grant funding. On 4.20.21, Staff applied for grant funding for the Project area highlighted in yellow on W. Eustis Street and W. Delaware Avenue from South $5^{\text {th }}$ Street to South $1^{\text {st }}$ Street (about 2,500 linear feet). Current and completed projects are highlighted in orange.

The total cost for the Eustis \& Delaware Project (design and construction) was estimated at $\$ 1.14 \mathrm{M}$. The MSTU (Fund 162) was identified as the funding source to design the Project with an anticipated cost of $\$ 114,400$. Equally important, a Stormwater Analysis was recommended to be incorporated into the scope of the Project and the costs are to be determined. Staff, ABB, and Stormwater Management are meeting to finalize the terms for incorporating a Stormwater Analysis within the scope of sidewalk project.

## Beautification Enhancements

## i. Welcome Sign (Monuments)

First Street/Eustis Sign:
Hannula Landscaping received the replacement planter pots from the supplier and will install them to complete the project. The maintenance and fertilizing of the tree are not part of Hannula Landscaping's bid contract; therefore, A\&M will be responsible for the care for the trees.

Triangle 6.8.21

Triangle 6.17.21

Triangle Welcome Sign:
Lykins has completed the Triangle sign with lighted lettering. On 6.4.21 Hart's Electrical rework the conduit to the back of the sign to connect to a J-box for the backlite lettering. The sign was missing on 6.17.21.

## Farm Worker's Village Sign:

The Farm Worker's Village sign (Panther Crossing/SR 29) is pending the recording of the conveyance of an easement and the subordination, consent and joinder documents before Staff can proceed. The coordination of securing the required documentation is being managed by the Collier County Real Property Management Department (RPMD).

On 6.8.21 RPMD advised they will contact the attorney for the Housing Authority to follow up on the Subordination of their mortgage needed to close.

## 3. First Street Corridor Conceptual Plan

Q. Grady Minor \& Associates, P.A (Grady Minor) is to provide professional services for future street lighting and pedestrian safety improvements along South First Street (from Main Street to School Road/Seminole Crossing Trail) in Immokalee. The work includes feasibility studies and conceptual plans for the purpose of relocating existing decorative light poles, considering the future street lighting and pedestrian safety improvements. Additionally, it includes reviewing and providing recommendations for the location of new pedestrian crosswalks and the location of new landscape and hardscape elements. Tom Hollis Engineering Consultants, Inc. will provide sub-consultant assistance for determining lighting requirements, light pole locations, and lighting specifications.

A 3.11.21 coordination meeting with Staff, Consultants, Traffic Operations and Transportation established the recommendation for the Consultants to conduct traffic counts and coordinate lighting strategies with three stakeholders in the existing light poles (DOT, LCEC and FDOT). A Proposal for additional services in the amount of \$8,497.00 was received and Change Order \#2 was approved on 6.1.21 for the additional costs. The Traffic Counts were taken on the corridor on 6.10.21. The total project cost for the evaluation with the revised work is currently $\$ 52,222.60$.

## 4. Trash Cans and Garbage Pickup

Staff is continuing cleanup efforts with our Maintenance Contractor. Many entities joined forces on Earth Day picking up trash to clean up Immokalee.

## 5. Main Street Improvements \& Lighting (Post-FDOT's completed lighting project)

Staff is in the process of ordering banners for the 30 new streetlight poles on W. Main Street from 1st Street to $9^{\text {th }}$ Street. On the 6.7.21 MSTU Walking Tour two 30" X 62.5" flag banners were installed to inspect the quality and fit before ordering banners for 30 poles. One was selected and the Request for Purchase Order is being requested. It was suggested the letters for "Immokalee" be a darker color. The Vendor can do the letters in dark blue like the blue in the flag canton. Request for bids for other seasonal banners will follow.

Banner at Zocalo 6.8.21

Banner Proof with blue lettering 6.17.21

Wright Construction is responsible for the replacement of three (3) lower banner arms and the streetlight pole knocked down 3.15.21. On 6.7.21 Wright Construction advised the delivery of the replacement pole is anticipated 6.15 .21 and the banner arms are to be shipped 7.6.21.

Damaged Grate at Curb Main-4 ${ }^{\text {th }}$ St S. $\quad 6.2 .21$

Damaged Grate at Curb Main-2 ${ }^{\text {nd }}$ St S. 6.2.21

Staff investigating a resolution to the destruction of the new grates that are damaged due to vehicle traffic and become a safety hazard. The damaged grates on $S .2^{\text {nd }}$ and $S 4^{\text {th }}$ have been reported to 311 .

## 6. Main Street Corridor Streetscape Design Plan

Johnson Engineering has been selected as the Contractor to prepare a Proposal for the design improvements to the streetscape of Main Street. The estimated engineering design costs are $\$ 200,000$ and the construction cost estimate is 2 M . The proposed project is for a streetscape to enhance aesthetics of the Main Street corridor as a pedestrian friendly street and to promote downtown revitalization. New hardscape and landscape improvements are to be engineered on both sides of Main Street and the medians from $1^{\text {st }}$ Street to $9^{\text {th }}$ Street. On 6.3.21 the FDOT Plans and Surveys were provided to the Contractor for the preparation of the design Proposal.

## 7. Zocalo Plaza

i. Parks \& Recreation Monthly Maintenance

Park staff continue doing monthly maintenance (painting, trimming, cleaning, and mulch) of plaza; and Staff is billing CRA \& MSTU quarterly. Staff is monitoring the quality of maintenance services being provided.

## ii. CRA Staff

GEC, LLC's quote of $\$ 4,514$ was awarded as lowest bidder to purchase, permit and manage the installation of the kiosk together with the relocation of the pineapple bike rack and restoration of pavers. Due to nonperformance, they were notified to provide by 6.1.21 written confirmation of the kiosk being ordered with the supplier or their Purchase Order will be terminated. Staff is investigating the means to order the kiosk directly from the supplier and have Facilities complete the work order. The pineapple was relocated by Parks and Recreation Staff on 6.10.21.

Simmonds Electric replaced a damaged pull-box and relocated the existing low voltage transform to a concrete post above ground.

New transformer 6.2.21

On 5.7.21 Staff sent photos to Lykins Signtek (Lykins) for the permit and requested Lykins to install the big bird of paradise ( $55.5 " \mathrm{~W} \mathrm{X} 44 " \mathrm{H}$ ) on the back wall on the Zocalo stage. On 6.8.21 Lykins advised the permit was approved and they will schedule the installation of the bird of paradise.

## 8. Roadway Improvements

i. $\quad$ SR 29/Westclox Street

The design for a roundabout for this intersection is completed. FDOT reported that the project is approved and is being authorized for the equipment to be purchased for a full signal light for that intersection. It should be constructed sometime early next year.
ii. $\quad$ SR 82 Road Widening Project Gator Slough Lane to SR 29 (Project \# 430849-1. The Florida Department of Transportation's (FDOT) contractor, Ajax Paving Industries of Florida, began work at the end of the year 2019 to widen SR 82 from Gator Slough Lane to SR 29, from a two-lane undivided roadway to a four-lane divided roadway, while allowing for a future six-lane roadway.

Additional improvements on this 3.2-mile corridor include construction of 5 -foot wide paved shoulders, which will also serve as bike lanes, a 54 -foot wide median, a 10 -foot multi-use trail along the south side, and a 5foot sidewalk along the north side.

The construction is expected to be completed by summer of 2022 . The community outreach manager is Lisa Macias. The Project Manager is Dennis Day.

## 9. CAT Bus Stop \#353 located on Roberts Ave W in front of Roberts Senior Center

Bus stop 353 located on Roberts Avenue West in front of the Roberts Senior Center was originally was planned for ADA improvement but after further review it was determined based on the counts it met the criteria for a bench to be incorporated into the improvements and a shelter. CAT did not have the funds to cover all the construction; and obtained support from the CRA and the MSTU for a total shared cost between the CRA and MSTU of $\$ 30,000$ with each paying a not-to-exceed amount of $\$ 15,000$ to complete bus stop improvement to include ADA compliance, bench, bike rack, trash can, stormwater improvements and a shelter. The Contractor is waiting on the permit.

CAT Roberts Senior Center 5.13.21

## 9. Traffic Light Maintenance

On 3.10.21 Staff identified eleven (11) Mast Arm Poles that need painted at intersections:
(1) Main $\mathrm{St} / \mathrm{g}^{\text {th }} \mathrm{St}$ - at the Handy Store and 2 on south side,
(2) New Market Rd/Charlotte - all 4 poles, and
(3) Main St $/ 1^{\text {st }} \mathrm{St}$ - all 4 poles.

Staff received three quotes from Southern Signal with pricing good through September 2022:
\#1 $\$ 27,108.10$ Main St/ $9^{\text {th }}$ Street ( 3 poles), \#2 \$37,643.56 Main St/ $1^{\text {st }}$ Street (4 poles), and \#3 \$32,883.38 New Market Road/Charlotte.

Total $\$ 97,635.04$ or an average cost of $\$ 8,876 /$ pole for the 11 poles.

On 5.26.21 the Immokalee MSTU Board approved painting the 11 poles. On 6.4.21 the Request for Purchase Order was submitted for approval. Staff will prepare a Budget for approval setting aside $10 \mathrm{~K} /$ year for painting poles in the future.

## 10. Lake Trafford Lighting Maintenance

Staff investigating if Jacobs could be used via a Direct Select to do the lighting analysis.

Report by: Yvonne Blair, Project Manager Dated: June 17, 2021

1. Immokalee Area Master Plan (IAMP) Restudy
(PL201880002258) Approved by BCC for final adoption on 12/10/2019.
Copy of IAMP as amended by Ordinance 2019-47 can be found at www.ImmokaleeToday.com website. Implementation schedule was provided at the November meeting.
County staff discussed IAMP Policy 6.1.3 Downtown Ped Amenities and 3.1.4 Central Business District at the March 17, 2021 CRA Meeting.
First LDC Workshop was held on May 19, 2021 following the CRA meeting.
Next workshop meeting is being coordinated with county staff.
2. CRA Office

CareerSource SWFL building is open by appointment only.
Job Bank Assistant - staff is continuing to use temp service until further action is taken.
CRA office lease goes to the BCC board on June $22^{\text {nd }}$.
3. Redevelopment Plan

Staff issued Notice to Proceed to Johnson Engineering on December 1, 2020 to provide planning support services for the Immokalee Community Redevelopment Plan. Their proposal of $\$ 79,710$ is based on planning support services for the CRA staff's update to the Immokalee Community Redevelopment Plan. This effort is specific to Section 4 of the Collier County Community Redevelopment Agency Community Redevelopment Plan, amended May 2019. The Immokalee Community Redevelopment Plan will be prepared consistent with the policies of the Immokalee Area Master Plan adopted as part of the County's Growth Management Plan on December 10, 2019. Completion of this project is set for March 31, 2022 (485 days).

On February 16, we began a weekly online survey with a variety of questions to solicit public input on the following topics: Cultural Survey, Recreation Survey, Housing Survey, Economic Development Survey, and Transportation Survey. If you haven't taken the survey it is available on our website at https://immokaleecra.com/redevelopment-plan. A Community Kick-Off Hybrid Meeting was held on March 31, 2021 at the CareerSource SWFL.

Over the next several months, there will be various public outreach events to gather additional input and comments on proposed changes.

4. Infrastructure Projects in Immokalee

1) Carson Road Project - Eden park Elementary Safe Routes to School

- 6' Sidewalk on the south and west side of the road.
- Construction costs $\$ 663,000$.
- Funded with Safe Routes to School funds in FY 21/22.
- Construction in FY 22/23 No update

2) Lake Trafford Road

Design of bicycle and pedestrian features on Lake Trafford Road from Little League Road to Laurel Street. The project length is approximately 1.850 miles. Specifically, the design will provide for bicycle lanes on each side of the roadway within the project limits and design of a 6 ' sidewalk on the south side of the roadway from Carson Road to Krystal Lane and from North $18^{\text {th }}$ Street to Laurel Street. Includes adjustment or relocation of the existing signalization at the intersection of Carson Road and $19^{\text {th }}$ Street, if required. Constrained right-of-way at $19^{\text {th }}$ Street intersection may require bike lane tapers to sidewalks and minor incidental intersection improvement at this location. Project 3 is discussed under Stormwater projects.

No update

## 3) TIGER (Transportation Investment Generating Economic Recovery) Grant

Immokalee Complete Streets TIGER Grant - \$16,415,864 Project total. Funding sources are FHWA grand funds $(80 \%)=\$ 13,132,691$ County match funds $(20 \%)=\$ 3,283,173$.

Includes design and construction of 20 Miles of concrete sidewalks, a bike boulevard network, a shared-use path, street lighting, bus shelters, a new transit center, landscaping, drainage improvements, and intersection and traffic calming retreats.
Collier County has provided the CRA with an overview of estimated schedule with milestones. The design/build portion of this project is set to start early 2022 and construction is set to be completed early 2024.

## 4) Stormwater Improvements

The original Immokalee Stormwater Master Plan (ISWMP) was prepared by H.W. Lochner (2005). Camp Dresser \& McKee (CDM) was contracted in 2010 to prepare construction plans for the Downtown Immokalee and Immokalee Drive projects plus update the ISWMP. A draft update document was prepared but not finalized. On November 28, 2018 county staff presented the follow-up analysis.

## Immokalee Stormwater Project updates:

 North $3^{\text {rd. }}$ Street Stormwater Improvements:
The North $3^{\text {rd }}$ Street Drainage proposed project is located on North $3^{\text {rd }}$ Street between $2^{\text {nd }}$ Avenue and Roberts Avenue West. The project would include roadside swales, installation of inlets on $3^{\text {rd }}$ Street, construction of a storm drainpipe system to alleviate ponding and allow conveyance southward to the storm drain system on West Main Street. Cost for repairs is estimated at $\$ 600,000$. The grant funding contract is now finalized, and the project is entering the contractor bidding phase. The new project manager is Brittany Lazo with Collier County Stormwater Management. The contractor procurement process typically takes 5 or 6 months, but the process is moving forward.

## Madison Avenue Channel project:

On the northeastern side of Immokalee, county staff obtained Board of County Commissioners approval to purchase a 6-acre parcel just to the east of the Immokalee Foundation Career Path Learning Lab site. They are still working through the closing with the owner. That site will provide a pond site to improve stormwater quality from the outfalls along Madison Ave. Additionally, county staff is working with FDOT's design firms to coordinate the alignment of the SR-29 bypass loop so they can avoid having to route the stormwater from the Madison Avenue channel all the way around the north and east sides of the airport. So far, this coordination looks favorable.

## Eden Gardens project:

The County has again applied for CDBGDR grant funding for this project. The application is now in the review and response to questions stage. The Eden Garden Bypass Drainage Improvement proposed project is located is the area south of Westclox St., east of Boxwood Dr., west of Carson Rd., and generally north and northeast of Eden Gardens. The project would construct a new ditch along the northern boundary of Eden Gardens, install a 24 " pipe under Boxwood Dr. to tie into the existing ditch along the northwest boundary of Eden Gardens to convey flows further west. Cost for repairs is estimated at $\$ 602,786.32$.

## Lake Trafford Road Area:

Consist of designing both a stormwater treatment facility in the SE corner (Tract 3) of Arrowhead Reserve and drainage improvements along Lake Trafford Road from Little League Road to Tippins Terrace. County staff is looking at phasing the construction, with Phase 1 being the Arrowhead Tract 3 site and Phase 2 being the pathway and drainage west of Little League Road. The goal is to get the Phase 1 design done so county staff can then start bidding for its construction start in FY 21. Staff plan on bidding the Phase 2 construction in the following fiscal year FY 22.

5. Commercial Façade Grant Program

In accordance with objective 1.2 in the Immokalee Area Master Plan, the CRA continues to provide financial incentives to business in Immokalee via the Commercial Facade Improvement grant program. The CRA implanted the Program in October 2008. Since that time, 17 façade grants have been awarded to local businesses for a total of \$294,621.67.
Eligible applicants may receive grant funding up to $\$ 20,000$ as reimbursement, using a one-half (1/2) to 1 match with equal applicant funding for funding for façade improvements to commercial structures.

Program is in place and being reviewed for revisions.

## 6. FHERO

Florida Heartland Economic Region of Opportunity - updates Staff continues to attend monthly meetings.

FHERO was awarded a $\$ 22,000$ grant to prepare an Economic Strategic Plan for Immokalee. Site Tour was conducted by VisonFirst on March 13, 2020. Staff provided VisionFirst with updates to draft Strategic plan. Final copy will be presented at a future meeting.

The new digital flip-book edition of the FHERO Guide is live, active, and public. For complete 32 page guide please visit http://passportpublications.com/FHERO_Guide.html

Staff processed annual membership fee in the amount of $\$ 2,415.40$. Pursuant to Executive Order 16-150, the RAO designation for the area around Immokalee included within the Round II Federal Rural Enterprise Community located in northeast Collier County shall be in effect for five years and will expire on June 27, 2021.

The CRA was awarded through FHERO a Site Improvement Plan DEO Grant totally 13,540 for Professional Services for Airpark Blvd. The Proposed scope of work include general consulting, engineering, planning, and survey services to evaluate the subject site for commercial development.

The CRA was also awarded through FHERO a Retail Demand Analysis DEPO Grant totally $\$ 7,700$ for Professional Services for assessment of retail demand in the Immokalee Community. Retail Demand Analysis is being finalized a draft will be presented to board at a future meeting.
7. Immokalee Unmet Needs Coalition

The Immokalee Unmet Needs Coalition (IUNC) is a long-term recovery group that formed in the fall of 2017 as the result of Hurricane Irma. This group is composed of non-profits, faith based, local, state, or national organizations who work together to meet the unmet of Immokalee residents impacted by disaster. The Housing Committee is updating the Immokalee Disaster Recover Resiliency Plan and funding options for future projects on a quarterly basis. The Housing committee meetings are held the second Friday of every month via zoom at 10:00 a.m.

8. EPA Brownfields Coalition Assessment Grant

Awarded to the Southwest Florida Regional Planning Council. Immokalee site identified in the grant was the Immokalee Regional Airport (165 Airpark Blvd., Immokalee, FL. 34142). Airport staff is coordinating with Terracon to complete assessment. Terracon provided staff with a draft report of the airport sites.
9. Development in Immokalee

1) Guadalupe Center van Otterloo Campus for Learning

The Guadalupe Center broke ground on October $30^{\text {th }}$ for a new educational campus that will create lasting, transformational change for students in Immokalee. The van Otterloo Family Campus for Learning will feature two academic buildings with multiple classrooms, a library, learning lab, cafeteria and kitchen, playground, administrative offices, mentor lounges, commons areas, a medical and dental suite, outdoor gardens and a student wall of fame.

The campus will accommodate up to 154 students in Guadalupe Center's Early Childhood Education Program, as well as 125 high school students in the college-preparatory Tutor Corps Program. Guadalupe Center named the campus in honor of Rose-Marie and Eijk van Otterloo, whose generous $\$ 5$ million matching gift helped launch the project and inspired others to give. Within the campus, Brynne \& Bob Coletti Hall will become the new home for the Tutor Corps Program. Barron Collier Companies donated 9.5 acres for the new campus. For more information please visit www.guadalupecenter.org

## 2) Immokalee Foundation Learning Lab $\mathbf{1 8}$-home subdivision

The Immokalee Foundation Learning Lab 18-home subdivision in currently under construction. Collier Enterprises donated the 8.3 acres of land for a housing subdivision that will serve as a hands-on learning laboratory for student in the foundation's program., Career Pathways: Empowering Students to Succeed. BCB Homes, is serving as the general contractor.

The Immokalee Foundation's students gain hands-on experience at the Career Pathways Learning Lab.

## 3) Immokalee Fair Housing Alliance (IFHA)

The Immokalee Fair Housing Alliance proposed housing development consist of 8 buildings with 16 apartments each or 128 Units in all. Construction will progress in phases. Housing units will be two- and three-bedroom apartments ranging in size from about 750 to 950 square feet. For more information please visit http://www.ifha.info/. Revised rendering will be provided at a future meeting. IFHA received final county approval of Site Development Plan (SDP) and they are currently out for bid. They are hoping to break ground in August 2021.

4) Habitat for Humanity of Collier County Kaicasa Housing Development

Kaicasa will be located at the Southeast corner of Immokalee, on State Road 29 as you enter the agricultural village from the south. The new affordable community will sit adjacent to the existing Farm Workers Village: subsidized housing built in the 1970s for local and migrant farm workers that is often criticized for its conditions. The development will be built within ten years in three phases. Initial infrastructure will soon begin for this sprawling community, with additional infrastructure added as the phases progress. We anticipate phase one construction to last for about 16 months, with families moving into their homes as certificates of occupancy are secured. Once complete, this neighborhood will boast nearly 300 homes, making it the largest Habitat subdivision in the country.

- Two-story home design
- Triplex \& quadruplex configurations
- Contemporary style architecture
- Affordable, no-interest mortgages

- Three and four-bedroom, two-bath homes
- Great room design
- Single-car garage
- Est. purchase price in the mid- $\$ 100,000$ 's

- Estimated 280 homes when complete
- Permit-monitored parking
- Designated visitor parking
- Premium landscaping
- Homeowners Association
- Roughly 3 acres of recreational area with a large central playground and two smaller playgrounds for convenient access
- Access to Village Oaks Elementary via pedestrian walkway \& bridge to keep children safe

## Ten years. Three Phases.

Initial infrastructure will soon begin for this sprawling community, with additional infrastructure added as the phases progress. We anticipate phase one construction to last for about 16 months, with families moving into their homes as certificates of occupancy are secured. Once complete, this neighborhood will boast nearly 300 homes, making it the largest Habitat subdivision in the country.

## Projected Phase Progress:

(estimated to begin late 2021 or mid 2022)
Phase 1: approximately 126 home
Phase 2: approximately 110 homes
Phase 3: approximately 44 homes
For more information please visit https://www.habitatcollier.org/communities/kaicasa/

## 5) Redlands Christian Migrant Association (RCMA) Childcare Development Center and Community Hub

The RCMA proposed childcare center and community hub consist of Childcare classrooms, Area office, and playground. The development will accommodate 234 children and 30 employees. Approximately 8 acres will be designation for housing. Q. Grady Minor presented updated plan for the RCMA Immokalee MPUD (PL20200001827) at the CRA June 16, 2021 Board Meeting. CRA Board supported the proposed development.

## 6) Casa San Juan Diego Multi-Family Affordable Housing Development National Development of America, Inc.

The proposed Casa San Juan Diego Multi-Family affordable housing development in Immokalee is a partnership between the National Development of America, Inc. and the Diocese of Venice to develop 80 affordable rental units on 9.6 acres of land adjacent to Our Lady of Guadalupe Church. National Development of America, Inc. has applied for grant funding to build the Casa San Juan Diego development in Immokalee.

*Casa San Juan Diego will only be 2 story units

7) Proposed 7 Eleven at corner of $9^{\text {th }}$ and Main Street

Proposed development was approved by the CCPC on May 6, 2021. Pending BCC approval. Requested action is to rezone 3.04 acres located on the northwest corner of the intersection of W . Main Street and N. $9^{\text {th }}$ Street and an Automobile Service Station Waiver (ASW) is proposed,

10. The Face of Immokalee

On December 12, 2018 Michelle Tricca, a local Artist, presented The Face of Immokalee, a proposed outdoor photography installation celebrating the soul of Immokalee. CRA board supported the project and have formed a subcommittee to move the project forward.

The subcommittee last met on December 9, 2019 to discuss the art wall options for the old McCrory's building (S\&O Grocery), Lipman Produce (trucks/building), site on $1^{\text {st }}$ Street (Gadsden blue building), and the Zocalo plaza. Committee supported rendering provided by artist with minor changes. Ms. Tricca's photos were selected to be displayed at the BCC Chambers through February 29, 2020.

On October 22, 2020 CRA staff and Lipman staff met with Michelle Tricca to discuss project status. On October 29, 2020 WGCU did a story on Ms. Tricca's public art installation for the Phase 1 portion of the project. Please see link to the WGCU Face of Immokalee story. WGCU Face of Immokalee Story.

On November 18, 2020 both the CRA and MSTU board supported The Face of Immokalee project and made a motion to allow the use of Zocalo Plaza Art Wall as a canvas for the project.

In May 2021 Ms. Tricca provided project updates to staff and announced that the project has started to received donations via her fiscal sponsorship with ASMP Foundation. She also noted that the project was featured in Florida Weekly.

## 12. Collier County Opportunity Zone Program

This program is a community and economic development tool to drive long-term private investment in low-income communities! Collier County hopes to leverage Opportunity Zones as an important tool to support the development of jobs, affordable housing and economic vitality in five areas in Golden Gate, Naples Manor and in and around Immokalee.
Low Tax Opportunity Zones, established by the federal Tax Cut and Jobs Act of 2017, encourage longterm investment and job creation in targeted communities by reducing taxes for many job creators. They enhance the ability to attract businesses, developers and financial institutions to invest in these targeted areas - distressed communities - by allowing investors to defer capital gains taxes through investments Low Tax Opportunity Zones, established by the federal Tax Cut and Jobs Act of 2017, encourage long-term investment and job creation in targeted communities by reducing taxes for many job creators. The zones enhance local communities' ability to attract businesses, developers, and financial institutions to invest in targeted areas by allowing investors to defer capital gains taxes through investments in federally established Opportunity Funds.
It's an economic and community development tax incentive program that provides a new impetus for private investors to support distressed communities through private equity investments in businesses and real estate ventures. The incentive is deferral, reduction, and potential elimination of certain federal capital gains taxes.

To become a Qualified Opportunity Fund, an eligible corporation or partnership self-certifies by filing Form 8996, Qualified Opportunity Fund, with its federal income tax return.
