

OLLIN AMEYALLI

WHERE WOMEN'S VOICES CONNECT
AND SPARK TRANSFORMATION

Our Mission is to create a network of women leaders, entrepreneurs and agents of change following their dreams and uplifting their communities.

ABOUT US:

From the Nahuatl language, **Ollin**, means transformation, deep movement, and **Ameyalli** means spring, source of water; together, they mean the source of transformation.

Ollin Ameyalli emerged to address a structural absence: the need for sustainable frameworks rooted in a feminine perspective—focused, adaptable, and centered on self-realization and agency, rather than productivity.

Our programs offer practical tools and strategic guidance for women to reclaim agency of their paths, reconnect with rhythm and root, and act with intention.

Ollin Ameyalli is a space where women can learn, grow, and take steps toward financial and personal fulfillment.

We support women from minority backgrounds in reaching their aspirations by providing guidance, education, business resources, and well-being programs.
