HOME SWEET GARDEN HOMES

 **GARDENIUM**
BUNGALOWS & DUPLEXES

800 garden homes and 15 unique
gardens spread over 26.7 acres

Homes surrounded by nature, in a project surrounded by nature.

 **GARDENIUM**
BUNGALOWS & DUPLEXES

Live on Rajarhat's
6-lane highway.

Gardenium, more than your 'garden variety' residential project.

We believe gardens must be an essential part of residential living.

Front garden | Backyard lawn | Middle garden
Elevated gardens | Optional Pool area | Private terrace | Private parking

Gardenium brings the full bounty of nature inside your home. Too many residential projects segregate living spaces from outdoor areas; Gardenium breaks this tradition by merging gardens with the daily goings on of our life - within and outside our homes.

With gardens in every bungalow, duplex, simplex, and more than 15 gardens around the project, the residents of Gardenium will grow accustomed to the calming, refreshing atmosphere that only nature can create.
