Dear Parent/Guardian:

For us to continue to improve as a school district and as a school, it is important that we understand stakeholder perceptions of the job we are doing in providing a quality education for all our children. We are seeking information through an 8–10-minute survey that is available now through **March 3rd 2026** .

To access the survey, visit:

https://ceffectiveness.qualtrics.com/jfe/form/SV_0olkBx5ZD1yE1HE

- Choose your language preference on the opening page of the survey.
- Select your child’s school. If you have children in multiple schools, complete one survey per child.
- Complete the survey and click submit

The information that we receive will be reported back to us as a building. This feedback gives us valuable information to support our building’s School Improvement Plans and all our students.

We value your input as we strive to continue to improve our school. Thank you for your feedback.

Sincerely,

Nespelem SD #14
