#### Health & Safety:

MEASLES are currently a threat. If they come to our community the State will require all students to be sent home who are not vaccinated. Please make sure your student's vaccinations are up to date.

Please treat your student for LICE before sending them back to school.

Please do not allow your students to walk to school as the STATE has determined our path unsafe.

The EYESEE Clinic will visit this spring.

Summer lunches will be available through mid-August, including BYTE2GO on the weekends.

If your student comes to school "under the influence" of a substance you will be called to retrieve them immediately. Further, all students caught vaping on campus will be required to complete an instructional program during after school detention. You will be responsible for transportation after detention as well.

#### Academic & Events:

Registration for next year is open. You will be asked to verify correct information from last year. Otherwise, forms will be available online to submit, or you may bring them in-person to the office. Please let your student's teacher know if you are interested in becoming a class Parent Advisor (7<sup>th</sup> – 12<sup>th</sup> only).

#### Employment:

NSD is looking for a Music Coordinator, Office Aide and a full-time Nurse to fill positions opening for the 2025 – 26 School Year, as well as an Elementary Teacher (6<sup>th</sup> grade).

#### Sports:

The next track meet is in Oroville on Thursday, May 8th at 4pm. The team will leave the school around 1pm.

Summer basketball schedules will be out soon. ALL HIGH SCHOOL SPORTS are now open! We will have a parent meeting before the end of the year to discuss summer and fall sports

If you are interested in any coaching position or sports related position, please turn in an application to the office.

#### Facilities & Transportation:

The new CTE Facility plans will be in the school lobby soon.

Sincerely,  
Nespelem S.D.
