Dear Families:

Please see the latest updates below:

Events:

June 6	Seed Planting Field Trip	June 9	Last Day of School (1 hour early release)
June 8	Kinder Promotion	June 13- 30	Summer School

Health & Safety:

Please be aware that we are practicing lockdown drills with your students. All outside doors are to remain locked at all times.

Academic & Events:

We will have a seed planting fieldtrip with the Tribal Environmental Trust on June 6th. The MS will go in the morning and the ELEM in the afternoon.

Please note that students will be released at 2 pm on the last day of school.

Reserve your yearbook now! They are here and the cost is \$20 per book. We also have class pictures still available for \$10 each as well.

Next year, students will not be allowed to bring cell phones in class, as they create a major distraction to the learning environment.

Enrollment packets for next fall will be available in the office soon. If you have a three or four year old, reserve your spot for next year's class now.

Employment:

We have an Elementary Teacher position open for next year, as well as an intern in the Building Office. We are also accepting applications for substitutes. For more information, please look at our website or call the office.

Summer:

We will have summer school available for current grades 4<sup>th</sup> – 8<sup>th</sup>. Call to have your student's name added to the list. Enrollment forms are available in the office and were mailed home with report cards.

Concerns:

If you have a concern, please contact your student's teacher first. Also, you are always welcome to contact me at any time. Please see Nespelem School District policies for more details, which are all posted on our website.

Enjoy the spring weather,

Nespelem S.D.
