# Introduction to Utility

Why spend \$2 dollars only to buy one U.S. Powerball, Mega Millions, or Cash4Life lotto ticket when you can be a part of a lottery group on the Binance Chain and increase your chances of striking the jackpot? With the exact same \$2 dollars, holders of the LOTTOGROUP will be able to play all three games and be part of a weekly distribution pool jackpot.

Join Crypto Lotto Group, and you will be part of a community of lotto enthusiasts that collectively play popular United States lotto games such as Powerball, Mega Millions, and Cash4Life, therefore increasing our chances of hitting the lotto jackpot.

# How It Works

The U.S. Powerball and Mega Millions have a starting jackpot of \$20 million dollars, and the Cash4Life game has a jackpot of \$1,000 per day. Drawing days are as follows:

- Powerball (Mondays, Wednesdays and Saturdays)
- Mega Millions (Tuesdays and Fridays)
- Cash4Life (every day)

1. Each ticket will be stamped with the signature of the U.S.-based company Crypto Lotto Group to ensure that the company is the only legal entity allowed to cash the ticket in compliance with Powerball, Mega Millions and Cash4Life regulations.
2. Purchase any token amount, and you will be included in that week's distribution pool. The distribution pool restarts every Monday.
3. Purchase and hold 1 billion LOTTOGROUP token, and you will be automatically included in the one-year winning distribution pool.
4. Winning ticket prizes will be proportionally distributed to the LOTTOGROUP token holders participating in the weekly pool and holders of 1 billion LOTTOGROUP token.
5. Winning Powerball, Mega Millions and Cash4Life numbers will be checked daily.

# Breakdown of Taxes

The portion of the buy and sale taxes will be used to buy strategically chosen numbers weekly. More taxes = more numbers will be played = more chances of striking the jackpot (going to the moon).

Buy (5%) - Liquidity 2% - Lotto Ticket 3%\* - Marketing 1%  
Sell (5%) - Liquidity 2% - Lotto Ticket 3%\* - Marketing 1%

# Distribution Pool Jackpot

1. Total taxes from the previous week will be used to fund the current week's picked numbers (weekly cut off is every Sunday, 10 pm UTC (See #3 Frequently Asked Questions for more detail))
2. Cumulative winning ticket prizes from \$1 dollar to \$500 dollars will be added to the upcoming lotto funding pool
3. Total winning ticket value from \$501 and above will be proportionally redistributed to the weekly LOTTOGROUP holders, including anyone who purchased LOTTOGROUP during the week and holders of 2.5 billion LOTTOGROUP token.

### 4. Can I buy a LOTTOGROUP token anytime?

You are welcome to buy a LOTTOGROUP token at any time, but to keep a fair balance and avoid anyone buying the token after finding out the group has won, anyone who purchased a token after 10 pm UTC will NOT be included on that day's drawing but will be included in the remaining drawings for that week. For example, if John decides he wants to play on Tuesday. John would have to hold the LOTTOGROUP token before 10 pm UTC on that Tuesday to be included in Tuesday, Wednesday, Thursday, Saturday, and Sunday drawings. On the contrary, if John buys LOTTOGROUP token on Tuesday at 10:01 pm UTC, he will only be included in Wednesday, Thursday, Saturday, and Sunday.

### 5. 1 Billion worth of LOTTOGROUP token rules

Any group member holding 1 billion LOTTOGROUP tokens will be included in the drawing for a year. For example, John owns 500 million tokens, and then he adds on to his position another 500 million the following week, totaling 1 billion. As long as John continues to hold that number of tokens, he will qualify to be included in a weekly payout for a year.

### 6. When will the tickets be stamped and shown to pool participants?

Tickets will be stamped with the group signature and submitted in the Telegram by Monday 1 AM UTC

### 7. Would I still be in the pool if I buy and sell out of my position within the same week?

Yes, but prize distribution is proportional to your holdings.

### 8. We WON! Now What?

After U.S. taxes are paid on the winning amounts, the after-tax prize will be proportionally divided among the eligible LOTTOGROUP weekly holders and 1 billion LOTTOGROUP token holders. Each week recesses a cycle and gives you an opportunity to be a whale for that week's pool.
