PROJECT SCORING FACTOR (DATA SOURCE/CALCULATION)	POINT SCALE	POINTS AWARDED	REVIEW COMMITTEE NOTES
Objective Criteria: Up to 65 Points (65%)			
A. Project Design Aligned With HUD FY 2026 NOFO Priorities			

For New Transitional Housing Projects: - The project will provide and/or partner with other organizations to provide eligible supportive services that are necessary to assist program participants to obtain and maintain housing (i.e., case management, behavioral healthcare, employment training, etc.). - The applicant has prior experience operating transitional housing or other projects that have successfully helped homeless individuals and families exit homelessness within 24 months or has a plan in place to ensure homeless individuals and families will exit homelessness within 24 months. - The applicant has previously operated or currently operates transitional housing or another homelessness project, or has a plan in place to ensure that at least 50 percent of participants exit to a positive destination within 24 months and at least 50 percent of participants exit with employment income as reflected in HMIS or another data system used by the applicant. - The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP. - The project will assess the service needs of program participants, and provide individualized services for program participants as detailed in the NOFO. - The project will create service plans for each program participant as detailed in the NOFO. - Substance use treatment is available on-site. - The applicant has satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project.	Excellent Alignment = 35 Points Very Good Alignment = 25 Points Satisfactory Alignment = 15 Points Slight Alignment = 10 Points Unsatisfactory Alignment = 0 Points		
For New Supportive Services Only Street Outreach Projects: - The project is necessary to assist people in exiting homelessness, addressing barriers to stable housing (e.g., substance use disorder, unemployment, childcare, etc.) and increasing self-sufficiency. - The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP. - The proposed project has a strategy for providing supportive services to eligible program participants including those with histories of unsheltered homelessness and those who do not traditionally engage with supportive services. - The applicant has a history of, or a plan for, partnering with first responders and law enforcement to engage people living in places not meant for human habitation to access emergency shelter, treatment programs, reunification with family, transitional housing or independent living. The applicant must cooperate and not interfere or impede with the enforcement of local laws such as public camping and public drug use laws and assist/be willing to assist first responders in their efforts to engage homeless individuals. - The applicant has experience providing outreach services, or a plan for providing outreach services, consistent with the activity description at 24 CFR 578.53(e)(13) and has a plan for or has demonstrated effectiveness at helping people successfully exit from places not meant for human habitation to emergency shelter, treatment programs, transitional housing or permanent housing programs. - The applicant has satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project.	Excellent Alignment = 35 Points Very Good Alignment = 25 Points Satisfactory Alignment = 15 Points Slight Alignment = 10 Points Unsatisfactory Alignment = 0 Points		
For New Supportive Services Only Standalone Projects: - The project is necessary to assist people in exiting homelessness, addressing barriers to stable housing (e.g., substance use disorder, unemployment, childcare, etc.) and increasing self-sufficiency and the Recipient will conduct an annual assessment of the service needs of the program participants. - The proposed project has a strategy for providing supportive services to eligible program participants including those with histories of unsheltered homelessness and those who do not traditionally engage with supportive services. - The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP. - The applicant has satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project.	Excellent Alignment = 35 Points Very Good Alignment = 25 Points Satisfactory Alignment = 15 Points Slight Alignment = 10 Points Unsatisfactory Alignment = 0 Points		

For New Supportive Services Only Coordinated Entry Projects: - The Coordinated Entry system is easily available and reachable for all persons within the CoC's geographic area who are seeking homelessness assistance. The system must also be accessible for persons with disabilities within the CoC's geographic area. - There is a strategy for advertising that is designed specifically to reach households experiencing homelessness with the highest needs. - There is a standardized assessment process. - The project will ensure program participants are directed to appropriate housing and services that fit their needs. - The applicant has satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project.	Excellent Alignment = 30 Points Very Good Alignment = 20 Points Satisfactory Alignment = 10 Points Slight Alignment = 5 Points Unsatisfactory Alignment = 0 Points		
For New Permanent Supportive Housing Projects: - The type of housing proposed, including the number and configuration of units, will fit the needs of the program participants. - The type of supportive services and assistance that will be offered to program participants will ensure that the participant is able to successfully obtain and retain permanent housing and in a manner that fits their needs (e.g. transportation, safety planning, enhanced case management). If the applicant is proposing to expand an existing PH project, it must demonstrate how they are expanding supportive services to program participants, including where appropriate, on-site supportive services. - The project will serve homeless individuals or families with a disability in accordance with 24 CFR 578.37(a)(1)(i). - The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP.	Excellent Alignment = 30 Points Very Good Alignment = 20 Points Satisfactory Alignment = 10 Points Slight Alignment = 5 Points Unsatisfactory Alignment = 0 Points		
For New Rapid Rehousing Projects: - The provision of tenant-based rental assistance will help individuals and families achieve self- sufficiency within 24 months. - The type of supportive services and assistance that will be offered to program participants (e.g., case management, substance use treatment, Permanent Housing projects that do not receive at least 4 points will be mental health treatment, and employment assistance) will ensure that the participant is able to successfully obtain self-sufficiency and exit homelessness. - The applicant has previously operated or currently operates a homelessness project where, or has a plan in place to have, at least 50 percent of participants exit to permanent housing within 24 months and at least 50 percent of participants exit with employment income as reflected in HMIS or another data system used by the applicant, or has a plan in place to ensure this. - The project will be supplemented with resources from other public or private sources, that may include mainstream health, social, and employment programs such as Medicare, Medicaid, SSI, and SNAP.
