## Coordinated Entry System Information Page

**Coordinated Entry (CE)** is a system level approach to connect people with a housing crisis efficiently and effectively with interventions that will rapidly resolve their crisis and facilitate housing stability.

The CE process is mandated by the U.S. Department of Housing and Urban Development (HUD). In meeting this mandate, the Delaware County CE system aims to provide participant centered housing resolutions through assessments that evaluate vulnerability, severity of needs and housing barriers to resolve the crisis in a timely manner.
