SHALOM!

My husband, Jeff and I went to see the movie *Mission Impossible* over the weekend. It was such a tense movie that after two hours, I told my husband that I just couldn't stand it anymore. I wanted to leave. The situations in which the main character found himself were overwhelming, especially being underwater and not being able to find a way out. I just couldn't stand it. Lately, as I have been listening to some of the news, I have felt the same way, I just can't stand it!

However, God calls us to walk by faith and not by sight. There have been many times that I have not wanted to send out our newsletter because there wasn't any good news regarding Israel. I didn't really want to report on things about the war because they were depressing as well. However, on Saturday night, the impossible became possible. I'm so thankful that Israel flew so many sorties that they were able to get the skies over parts of Iran open. They eliminated many of the IRG (Iranian Revolutionary Guard) leaders. There were four goals that Israel wanted to do: One was to ruin the Iran nuclear program, diminish Iran's rapidly expanding missile program, attacking the Shiite leaders in Iran's proxies (Houthi, Hezbollah and Syria), and to allow inspection and no growth of any nuclear program in Iran. This does not include any plan to topple Iran's regime.

Israel has been careful not to hit any civilian area. Israel hit only military areas that have to do with the nuclear capabilities. Israel was able to dominate the skies over the important nuclear plants and establishments in Iran.

GOD SHOWED UP!!! Many Israelis should have perished but they took heed and hid in the safe rooms. Iran got really crushed. On Saturday, we heard of some US pilots heading to Guam. Why Guam? it was a **DISTRACTION!!!** The pilots from Missouri carried the bunker bombs that took out the Fordow nuclear reactor, buried **DEEP** underground. Seven United States B2 bombers dropped these bombs, along with some tomahawk cruise missiles demolished Iran's nuclear capability for decades to come. This military exercise had never been executed by any B2 plane,, any pilot. It is my belief that this war, some are calling it the 12 Day War, will be studied for years to come.

President Trump announced a cease fire on Monday night. However, Iran shot a missile that hit a building in Beer Sheva, a suburb in southern Israel, four people died. Israel also fired into Iran. However, it is Tuesday afternoon and the cease fire is indeed holding.

Tel Aviv this morning

Sunday morning! not a doctored or AI photo. We have looked upon this building in past Israel trips. SO EXCITING.

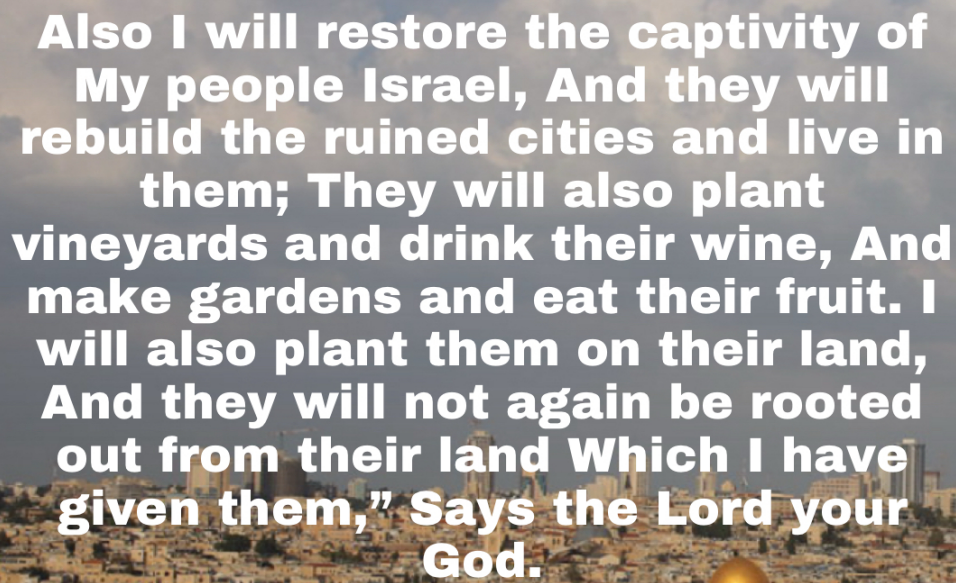

MORE GOOD NEWS

Ben Gurion Airport:
Starting tomorrow, Ben Gurion Airport will open and return to full operation. There are no longer any restrictions on the number of incoming and outgoing flights, as well as the number of passengers on each flight.

THE WESTERN WALL REOPENS

Jerusalem: The Western Wall has now reopened after being closed for over a week. Hundreds of people are now on their way to pray and thank God for the miracles and successes.

**Also I will restore the captivity of
My people Israel, And they will
rebuild the ruined cities and live in
them; They will also plant
vineyards and drink their wine, And
make gardens and eat their fruit. I
will also plant them on their land,
And they will not again be rooted
out from their land Which I have
given them,” Says the Lord your
God.**

The unsure news

There are still over 20 hostages who are alive in Gaza. Over 27 additional hostages are thought to be dead.

Father,

In a beautiful name of Jesus, the name Yeshua , the name Above all names, we say thank You thank You thank You for the victory that Israel has had in this 12 day war. We thank You for giving the country wisdom and insight for preparation for strategic moves for the military might, for the Intel, for the aviation skill of the United States, pilots, for the cooperation between the United States and Israel, and for the cooperation of Israel and the other neighboring countries who helped her, for the leadership with Prime Minister Netanyahu and President Trump, to

eliminate this nuclear threat to the world. We pray for the rebuilding of Iran and we pray for the believers there that they will be strengthened and that You will use them to lead many people to the saving knowledge of Jesus. We pray the same thing for the Israeli citizens; we pray that You will protect the hostages and I pray that they will get to come home soon. Thank You so much that You protected our friends in Israel! All over the country, Lord, not one of them perished, thank You thank You! I pray for great rebuilding, I prayed for a great spirit to be revived in Israel. I pray that they will see that in You there is real redemption. Please Father, I pray that You help us to be strong in You, and believe that You can work outside of time and space in bringing many to the saving knowledge of Jesus. Thank You for the privilege of being able to serve in Your land. We trust that You will bring in the resources so that we can lift up the arms of our fellow brothers and sisters, the Yeshua believers, in Israel, for Your glory only , for we ask in the name of Jesus. amen
