

SAR SHALOM ISRAEL

Shalom,

On Sunday night, the Biblical holiday, Shavuot, begins. It is also known as the feast of weeks. Seven weeks after Passover begins this holiday, it is also known as Pentecost to believers. "You shall celebrate the Feast of Weeks, that is, the first fruits of the wheat harvest, and the Feast of Ingathering at the turn of the year. " (Exodus 34:22) This is a beautiful time of year, as we have said goodbye to winter, and colder weather, with a hearty welcome to warm days. I do not speculate, but I do hold great optimism for events in the Middle East.

Here is a video that tells us who does the videography, Vadim. We have been to this canteen. We have strolled the streets. We believe that God is moving among these men and women in Tel Aviv. [Vadim, the videographer](#)

We continue to hear good news from our dear friends at Aviv ministry. Here is a great video, from Gangster to Minister. We hope you enjoy hearing some good news! [From Gangster to Minister](#)

Father, thank You, that You are working all things together for good, for

us who know You and are called according to Your purpose. Father, at times, we admit that we are weak, and we do not even know how to pray as we should. But the Spirit, the Ruach, intercedes for us, pleads for us, prays for us, with groanings too deep for words. Thank You that the Spirit would intercede with groanings for us! Thank You that the Holy Spirit intercedes for us according to the will of God. Romans 8. We honor the Holy Spirit, not only on Shavuot/ Pentecost, but we honor Him! Thank You, Holy Spirit. Help us not to grieve You, as that would be grieving our own persons, as You live within us. Help us to glorify You more, day by day. Please watch over the country of Israel. Please bring this war to an end on all the different fronts, whether it is Iran, Hamas, the Houthi's, Lebanon. etc. Please be with the hostages who are still alive and help them. Comfort Israel. Comfort all who reside there and LORD, You saved all Israel before in the flood, and we look forward to the day when yet again, ALL ISRAEL WILL BE SAVED. We praise You and thank You for hearing our prayer, for we pray in the name ABOVE ALL NAMES, JESUS!!! WE LOVE YOU!! Yeshua, YOU are the Best!

PNEUMA-SYNTHESIS

My maternal grandpa came to the United States from Rumania, and he and my nana settled in New York City. When Louie Lepke, a Mafioso member approached him to do business with him, my grandpa and grandma Sircus left New York City for Kansas City. He established a coat manufacturing business just south of KC. He was the salesman for the company, too. One rainy night, as he was returning home, he did not realize the slick conditions of rain and wet leaves, he skidded and died in a car accident. Every time now, that I see wet leaves, I always think of him, although I don't remember him.

For the past two months, I have noticed the beautiful spring trees and leaves here in Texas. I am amazed at the beautiful colors, as I did not expect this beauty. It was not too long ago that I lived in Shreveport, and the city always seemed to be green, the leaves were always on the trees.

We can be like Shreveport trees, with the leaves always attached to the trees.

We read in Psalm 1:

How blessed is the man who does not walk in the counsel of the wicked,
Nor stand in the path of sinners,
Nor sit in the seat of scoffers !
But his delight is in the law of the LORD,

And in His law he meditates day and night.
He will be like a tree firmly planted by streams of water,
Which yields its fruit in its season
And its leaf does not wither ;
And in whatever he does , he prospers .

If we are planted in the courts of the LORD, if our whole heart is abiding in Him, our leaf will never wither, and in whatever we do, we will prosper. To prosper means that we will thrive, we will experience success. It means the achievement of something attempted.

Joshua 1:8 says

This book of the law shall not depart from your mouth,
but you shall meditate on it day and night,
so that you may be careful to do according to all that is written in it,
and then you will make your way prosperous
and then you will have success.

God's word is positive, it does not say "then maybe you will have success"

or 'maybe someday pie in the sky your way will be prosperous"
it is affirming, it says you WILL make your way prosperous, you WILL have success.

Hebrews 11:1 says that Faith is the assurance of things hoped for; the evidence of things not seen. By faith, if we stay abiding in the LORD, the answer for us is yes. No questions asked.
The Hebrews passage affirms this.

As photosynthesis allows a green plant to take light, and transform it to energy, we are to take the Light of Yeshua Jesus and allow it to transform our lives into energy for Him. His Spirit, His Pneuma (Greek for spirit) mysteriously empowers us, provokes us, urges us, moves us, empowers us. However, we have to do our part - stay in the word, obey the word, trust the LORD, cling to Him, abide in Him, yield to Him, surrender to Him, die to self. These actions are not easy, yet the only way God can bring promotion to us, is through our death.

Exercise is not pleasant for most of us and exercising our faith muscle has to be the hardest exercise of all. Yet God calls us to exercise our faith muscle probably more than we realize. When we write a check, we are trusting that our financial institution has the money that we put in, to cover the check. We work for two or four weeks before we are paid. We

are trusting by faith, that our employer will pay us.

When God calls us to trust Him by faith, that is where He is allowing us to take what we have learned and transform it by His Spirit into action. I wish I could understand it, but I don't; I just know that it works. Stay in His word, do His will, even when it hurts, even when no one sees. Sometimes you will get 'white knuckle " faith, from clinging so tightly.

But hang on, it will be worth it. Your leaf will not wither and whatever you do, you will prosper.
