Awesome Sexy Sweetheart

I had the pleasure of seeing Glow after another provider dropped the ball. A few texts back and forth along with a screening request and she sent me her hotel address. She was staying at a nice upscale hotel in Anaheim. I arrived at the hotel and asked for her room number. She had to come down to get me and the whole process took about 15 mins (that's why I dinged her 1/2 a star). When we finally met I was pleasantly surprised. She is a ball of energy and loves to talk. She can talk about anything and is adorable. We got to her room and got comfortable.

This girl's head game is off the charts. She had me seeing stars. We moved on to a few positions and the way she moved her body was so erotic. She is a wonderful provider.

Thanks for seeing me so late.

Glo Wow!

All conversations thru text was great and easy. Went thru a few extra screening but no big deal. She gave excellent directions for when I arrived at a nice hotel. She meet me down stairs and took me up to her room. She is the girl in the pictures and she is very sexy. The magic started when we got comfy in the bed. I can't say enough how amazing and into the session she was. It was like we had been together 100 times. She is someone I will see again and again. Thank you for the great time.

Compassion

First review...this angel was so sensual and so funny, I hope other profiles on here take note of how she goes about things. A true GFE, and was amazed at how quickly we connected together. She's both bite size, and a breathe of fresh air...had so much fun with her. If you're reading this, leave your skepticism at the door, as well as your search for upscale (like I tried)...this angel is the one for anyone looking for everything from: compassion, sensuality, sarcasm, or convo about how to land a proper jackknife wrestling move. Can't recommend this girl enough! And this is coming from a super picky guy...SEE HER!

Wow! Amazing!

I texted her and she replied back and we were able to schedule a time that worked out for both of us. I showed up a little late and she had some questions before we go together. I understand it for safety purposes. After everything got cleared up we met and went to her rm. Which was in a nice part of town. She was very safe and accommodating. Started with a little chit chat and then the fun started. AMAZING time. Will not get into detail because ymmv. Can't wait for her to come back and pick up where we left off. Thans sweetie for an AMAZING TIME. I would give more stars but five is max on here.

Glo has to be the best thing that has come through Fresno. I will see her anytime she is in Fresno. Her service blows everyone else away. She is fun and great to talk to. She is non rushed. If you listen to her I guarantee you a great time. I wish I could spend a whole night with her, that is how great she is. Looks wise she is the hottest thing to hit town, no joke. I can't wait until I can see her again.

Great time with a great girl

Meet Glo while on a business trip. She is absolutely gorgeous and hotter than her pictures. She really takes her time to make you happy. We had some fun then laid there and talked about television and other interests and it was like we had known each other for years. Then she went right back to being the little sexual firecracker she naturally is. She was sweet, funny and just all around the type of girl any guy would be lucky to spend time with. Definitely worth seeing.

Even better than I expected! 10

I've seen her ad and have been wanting to connect for awhile. Setting up the appointment was super easy, and she's very responsive via text. Let me start off by saying Glo is not your average girl, she is definitely a step above in both looks and vibe. She is hot I arrived at her incall, she opened the door I was pleasantly surprised. Dressed in black lingerie she greeted me with a big hug. She's 100% the girl in the pics and absolutely exudes sex appeal. Total turn on. We chatted, I undressed, then we moved to the bed; she got fully naked (beautiful) and the fun began She gave me the best bbbj, slow and sensual, all the while she was getting very wet as I was feeling every part of her gorgeous body. I literally almost blew just admiring her perfect little ass. Believe me, IMO it's perfect! She has great skills and is very passionate and an all around awesome girl. Top that off with looks and great personality, what ask for. Will definitely see her again.

I can't wait to see Glo again!

I had the pleasure of meeting Glo in a very nice hotel in Pasadena.

She was pretty quick to respond and I was able to setup a visit with her with relative ease.

I think she looks better than her pics and she's extremely sexy.

She's very nice and is very easy to talk to.

Once we both got comfortable on the bed she asked me to give her a massage by rubbing some lotion on her. I quickly obliged and I was ready for action within 2 minutes. Glo has an amazing body and I thoroughly enjoyed rubbing lotion on her.

She's definitely GFE and I enjoyed returning the favor once she went down on me.

I'm getting hard just thinking about her climbing on me for some amazing RCG. Once I got her into missionary it was extremely hard to hold back. I really enjoyed her dirty talk and before long we had an amazing finish.

Glo is super sexy and extremely beautiful. And she has an amazing personality.

Do yourself a favor and go see her!

Provider Replied *So Repeatable*

I met Glo in the morning at hotel near DisneyLand. I had seen her posting on PrivateDelights, and I liked her great photos and bio. I followed her instructions, and the meeting set up was easy and straight forward.

After arriving at her room that morning, it was clearly visible to me that her photos are current and real, and after our initial conversation, it was obvious that her bio was real and accurate as well

Time together in our own little "Magic Kingdom" was kind of like starting a journey in Fantasy Land with my being entranced by her warmth and natural beauty, and finishing in Adventure Land with Glo's shared passions leaving me speechless.

Glo, you are a definite E Ticket experience!

Complete Knock Out[HELP/FEEDBACK](#)

Made an appointment with her several days before the appointment time. After arriving at an upscale incall location, I walked to the room where she was at and she was breathtaking. After we got comfortable we DFK/LFKd a bit and she started with some killer BBBJ her lips and hips moved so sensually that I got hard in just seconds. We then went CG and reversed CG for a while until she started moaning. We continued some more, and even chatted a bit (had some things in common). It was absolutely amazing to have met her. A real GND type girl, sweet as sugar can be and a real peach. She got me good after the session will definitely see her again sometime. Want a complete KO GFE session, Glo is your girl.

Phenomenal & bubbly GFE!

Sweetheart of a girl full of great energy. From the moment we met until I left we were either chatting like old friends or deep in passionate motions and moans. We started with getting to know one another, I hopped in for a rinse, her hair was wet so I just showered, and when I came out, she did the sexiest thing turned around and asked to unzip/unbutton her outfit. Then it was on like Donkey Kong! Great time, looking forward to seeing her again.

My experience with Glo was great at every step along the way. Setting an appointment with her was easy and painless, I just followed her directions and everything went very smoothly. She was staying at a nice, clean place that was easy to get to and very comfortable. In addition to being a beautiful woman, Glo has a great personality. When we met, she was friendly and charming, with a fun sense of humor that immediately put me at ease and set the tone for our time together. I took a quick shower, and then joined her on the bed. She is very good at what she does, I was completely satisfied. She is thoughtful and attentive, and she made a real effort to figure out what I liked. I would absolutely recommend her services and I'm very happy we got together.

Glo was awesome. Verification process was a breeze since Im a newbie at all this. She was a little late but it wasn't a big deal. Location was at a nice hotel in Anaheim and was very easy to get despite the terrible afternoon traffic but that was expected. When we met lwas

super nevous but kept it relaxing the whole time. She has a dope personality and wouldn't mind repeating when I get a chance.

I did not want to advertise how incredibly sweet and cute this girl is because I wanted to keep her for myself!! But such is life! Anyway, I Met her at a 5 star hotel, she is the girl in the photos, very cute, well spoken and accommodating. Not a clock watcher like most these girls. I only got a hh but next time I will definitely get more time! You will not regret booking anytime with this girl!!
