

TARARUA AQUATIC COMMUNITY TRUST

Date: 22nd June 2021

Dear valued customers

We write to advise you that fees at Wai Splash will increase 1st July 2021.

The increase is consistent with our strategy of maintaining the rising cost of services at a level within our community. We have again done this while continuing to invest in the quality of our service and products.

Despite the increase, we believe Wai Splash continue to offer good value. This is particularly true when fees are compared against other peer swimming complexes. In addition, our fee increase is relatively low when you consider that Wai Splash team work tirelessly to keep our fees low in general.

The increase in our fees and charges will allow us to continue to improve our services and keep in line with government requirements. Details are available at Wai Splash, on the Website and Facebook for our new fees & charges rates.

We are fortunate this year to introduce birthday booking packages and Adult & Baby concession cards. Please ask our staff for more information or refer to our Website (www.waisplash.org) or our Facebook page (Wai Splash Community Pool).
