Dear Prospective Sponsor :

Every football season businesses, families, and individuals contribute to the success of the Norris Youth Football Association (NYFA) through generous donations and sponsorships. It is through these contributions that make our organization possible year-after-year, and allow us to improve the experience for each and every Norris youth football player. Further, we do not measure our successes by touchdowns, wins and losses, or championships. We measure our successes by how many players achieve the best version of themselves through football. And, based on our player participation and player retention numbers we are succeeding!

Your sponsorship funds will be utilized to help fund a variety of needs for our program, including: league fees, player uniforms, helmets, shoulder pads, training equipment, and much more. Coaches and board members are 100-percent volunteers, so all of your contributions goes towards the Norris youth.

If you would like to sponsor the NYFA, please complete the attached form.

Thank you for considering a sponsorship of the Norris Youth Football Association and the Norris community youth.

Sincerely,

The Norris Youth Football Association Board of Directors
