CPR / AED / FIRST-AID COURSE PRICING

- Effective 1/10/2026: Changes in pricing are due to 2025 Nationwide curriculum updates from the American College of Surgeons. These updates are industry standard for the American Heart Association, Health and Safety Institute, and the American Red Cross.
- *BLS certifications are valid for two (2) years. All other CPR/First-Aid certifications are valid for one (1) year.*
- *Prices listed below are per-person. Group discount pricing is available for large classes or organizations requiring multiple sessions.*
