

FLEX 180™

Flex Inserts allow maximum mobility and stretch without the bind.

**Made for the pros, the Flex 180™ line is a true focus on functionality.
The extreme-stretch action back, elasticized elbow inserts and
elasticized underarm gussets reduce bind when moving on the job.
Making this the ultimate workwear solution.**

The Berne ICECAP collection withstands the harshest, frigid conditions. The waterproof, heavyweight nylon shell features abrasion and wind resistance for maximum protection against the elements. Designed with arctic-weight insulation, the ICECAP collection provides superior warmth. Don't let sub-zero temps stop you from getting the job done. Block the cold and stay dry with Berne's warmest, most durable workwear to date.
