

ATHLETIC FIELD STRIPING & MAINTENANCE 2025

PROUDLY MADE IN THE USA SINCE 1981

LOCAL MANUFACTURING

Our founder Ralph Newman started **Newstripe** in 1981 in his Denver, Colorado garage. His first products were simple, inexpensive line striping machines that filled a customer need for a better product.

From that humble beginning 40+ years ago, Newstripe has grown into a comprehensive product design and development company that manufactures more than 50 high-quality machines and over 450 stock stencil designs.

And yes, we still make all of our products locally in our Aurora, Colorado factory and we proudly label them **Made in the USA**.

4600 SP Airless™ Self-Propelled Striping Machine

Item# 10003031

- Precision and efficiency in a high quality, self-propelled, walk behind line striper for athletic fields.
- Achieve bright field lines effortlessly with the fully adjustable 0.44 gpm, 3000 psi spray pump.
- Durable Briggs & Stratton 550XR engine with optional Honda GX120 engine upgrade.
- Four wheel design and 10" pneumatic tires ensure greater stability and straighter lines over uneven field conditions.
- Optional cleaning tank for easy cleanup and optional rear flip down swivel caster attachment for easy circles & arcs.

4400 Airless™ Striping Machine

Item# 10003566

- This high pressure airless line striping machine gives you big league performance in a compact and easy to use design.
- Use it to stripe perfectly straight lines (2" to 6" wide) on athletic fields without pushing a bulky machine.
- Fully adjustable 0-3000 psi (0.44 gpm) pump lets you spray consistent lines without wasting paint.
- Reliable Briggs & Stratton 550XR engine with optional Honda GX120 engine upgrade.
- Quickly remove the detachable spray gun to paint stencils and hard to reach areas.

4250 Airless™ Striping Machine

Item# 10003947

- Newstripe's most economical high pressure airless line striper for athletic fields.
- Stripes professional quality lines (2" to 6" wide) on both smooth and uneven surfaces.
- Lightweight design makes it easy to push across the roughest athletic fields.
- Built with proven airless technology that is both dependable and easy to use.
- Dual position spray gun mount for added versatility.
- Detachable spray gun with 25 ft extension hose for stencils.

NewRider™ 5000 Airless Riding Field Line Striper

Item# 10003033

- Built to handle the demands of medium to large size athletic field complexes.
- Rear wheel steering for tighter turning radius and increased maneuverability. Stripes 2" to 6" wide lines.
- Foot operated controls provide optimal command of the airless spray system from comfort of the driver's seat.
- Innovative lower deck height design optimizes the operators line of sight for straighter, more accurate lines.
- 50-gallon tank stripes 3 football fields or 6 soccer fields with just one fill.
- Onboard purge tank makes clean up a snap.
- System pressure gauge and hour meter help keep your machine maintained and running smoothly.

NewRider™ 1700 Airless Riding Field Line Striper

Item# 10004026

- The perfect solution to quickly paint small to medium size sports facilities.
- Uses reliable airless spray technology to stripe 2" to 6" wide lines with unsurpassed quality.
- Sturdy construction for years of dependable operation.
- Integrated 2.5 gallon purge tank cleans the spraying system to eliminate clogged spray gun and hoses.
- Compact design with low center of gravity provides increased stability and control.
- 25-gallon tank stripes an entire football field or up to 3 soccer fields without stopping to refill paint.
- System pressure gauge and hour meter help keep your machine maintained and running smoothly.

LineRider™ Electric UTV Mounted Line Striper

Item# 10005241

- One of the most efficient electric riding field strippers available.
- Simply slide it into your UTV's bed, anchor it down, and let it do the work for you.
- Fits most popular UTVs on the market from John Deere, Kabota, Ranger & others.
- Low pressure spray pump (0-35 psi) with 25-gallon paint tank.
- Powered by a standard Group 24 Deep Cycle RV Battery (not included).
- Works with all types of bulk athletic paint.
- Easy to install or remove in less than 10 minutes.

LineRider™ UTV Mounted Airless Line Striper

Item# 10005171

- One of the fastest, most durable, and economical riding field striping systems available.
- Simply slide it into your UTV's bed and let it do the work for you.
- Fits most popular UTVs on the market from John Deere, Kabota, Ranger & others.
- Stripe up to 8mph. That's 3x faster than walk-behind strippers.
- Fully adjustable (0-3000 psi) airless paint pump allows you to select the best pressure to apply your paint.
- Accommodates all types of bulk athletic paint in 25-gallon tank.
- Innovative floating caster allows the spray gun to follow ground contours for consistent lines over uneven terrain.

EcoLiner™ Standard Battery Powered Field Striper

Item# 10004483

- Simple & easy to use so you can stripe athletic fields like a pro.
- Low pressure 1.8 gpm spray pump powered by a 12V deep cycle battery (not included).
- Detachable spray gun for field stencils and corners
- Dual handles with cushioned grips and welded steel construction.
- Innovative design is easy and inexpensive to maintain.
- 120V plug-in battery charger is included.

EcoLiner™ Plus Battery Powered Field Striper

Item# 10004484

- Our popular electric EcoLiner uses a standard motorcycle battery and comes with a RapidCharge 120V battery charger.
- Onboard clean water reservoir for instantaneous purging of the spraying system.
- Detachable spray gun with 12ft hose sprays 2" to 6" wide lines.
- 10" flat-free tires easily roll over uneven turf.
- Easily paint professional quality lines for hours on a single battery charge (battery sold separately).

EcoLiner™ LT Field Striping Machine

Item# 10005159

- At 82 lbs, this field striper is engineered for weight savings, making it easy to transport between locations.
- 5-gallon standard pail makes for easy cleanup and quick color changes.
- Heavy duty 45 psi low pressure spray pump with detachable spray gun for stencils and hard to reach areas.
- Recirculating pump keeps paint mixed while striping
- Durable Pro Series Briggs & Stratton engine.

EcoLiner™ SP Self-Propelled Field Striping Machine

Item# 10004621

- No more pushing with the easy to use variable speed friction drive system allowing for effortless striping.
- Heavy duty 45 psi low pressure spray pump with detachable spray gun for stencils and hard to reach areas.
- Durable Pro Series Briggs & Stratton engine with optional upgrade to Honda GX120 engine.
- Optional cleaning tank for fast and easy cleanup on the field.
- Optional rear flip down swivel caster for effortless circles & arcs.

NewLiner™ Heavy Duty Dry Line Marker 50 lb

Item# 10001744

- This popular 50 lb capacity dry line field marker is heavy duty and extremely durable.
- Ideal for baseball infields, running tracks, cross country courses, and any special event.
- Galvanized steel material container prevent rusting and feature a line sight window in rear frame.
- Lever and rod with positive stop plate for precise 2 inch or 4 inch wide lines.
- The four wheel design and 10" flat-free tires provide straighter and more accurate lines.

NewLiner™ Heavy Duty Dry Line Marker 100 lb

Item# 10001745

- One of the most durable dry line field markers available on the market with a 100 lb capacity bucket.
- It's easy to operate and ideal for baseball infields, running tracks, and cross country courses.
- Galvanized steel material container prevent rusting and features a line sight window in rear frame.
- Lever and rod with positive stop plate for precise 2" or 4" wide lines.
- The four wheel design and 10" flat-free tires provide straighter and more accurate lines.

DirtDoctor™ Tow Behind Infield Drag & Groomer

Item# 10003679

- Designed for use with 4-wheel drive utility vehicles or tractors with 1,100lb minimum towing capacity.
- Plow, pulverize, drag, and compact in just one pass with a 48" wide cutting path.
- Quickly adjusts to your infield grooming needs without needing any tools.
- Maintain the perfect playing surface with multiple height positions and pulverizing depths up to 3 inches.
- Alternative 3pt Hitch model is available.

DirtMedic™ Infield Drag & Groomer

Item# 10003315

- Designed for use with garden tractors, lightweight utility vehicles and ATV's.
- Perfect for filling, leveling, and finishing infields in a single pass with 42" wide cutting path
- Quickly adjusts to your desired grooming depth.
- Finishing brush effortlessly grooms the playing surface and provides an attractive finish to your infield.

DragKing™ Deluxe Infield Drag & Groomer

Item# 10001592

- For use with light weight utility vehicles and ATV's.
- Features a flexible 3-section component design that adjust for different levels of grooming.
- Combines the aggressive field conditioning benefits of heavier tractor pulled equipment with the freshly groomed finish of hand pulled drags.
- Scarifier cuts up to 1" deep or simply flip over or remove for finishing. 48" wide cutting path.
- Remove high spots or fill in low areas.
- Unique Stow & Tow feature makes for it easy to move your DragKing between fields.

DragLite™ Infield Drag Mats

Item# 10004485 (3 Ft)

Item# 10004486 (6 Ft)

- Our popular baseball infield drags employ a unique adjustable scarifying blade that breaks up hard packed surfaces.
- The attached drag mat then grooms the infield surface to a “Ready to Play” condition.
- 3/4” reinforced corded rubber, 11 gauge lead bar & reversible planer blade with smooth and serrated edges.
- May be pulled by hand or lawn tractor and features a unique flip over design for a mat only grooming.
- 3 Ft model measures 36” W x 24” L and 6 Ft model measures 72” W x 24” L.

Custom Field Logo & Mascot Stencils

Quickly and easily paint large (up to 100’ wide) multi-colored school logos, mascots or company names on athletic fields, large outdoor areas, or rooftops. Three different design formats to choose from and all are reusable and easy to operate.
