

PARKING LOT & WAREHOUSE STRIPING 2025

PROUDLY MADE IN THE USA SINCE 1981

4250 Airless™ Striping Machine

Item# 10003947

- Newstripe's most economical high pressure airless line striper for parking lots & athletic fields.
- Stripes professional quality lines (2" to 6" wide) using water-based or oil/solvent-based paint.
- Lightweight design makes it easy to push across both smooth pavement or uneven athletic fields.
- Built with proven airless technology that is both dependable and easy to use.
- Dual position spray gun mount (8" in front of wheel or front of wheel aligned) for added versatility.
- Detachable spray gun with 25 ft extension hose for painting stencils and hard to reach areas.

4400 Airless™ Striping Machine

Item# 10003566

- This high pressure airless line striping machine gives you big league performance in a compact and easy to use design.
- Use it to stripe perfectly straight lines (2" to 6" wide) on pavement and parking lots without pushing a bulky machine.
- Fully adjustable 0-3000 psi (0.44 gpm) pump lets you spray consistent lines without wasting paint.
- Reliable Briggs & Stratton 550XR engine with optional Honda GX120 engine upgrade.
- Quickly remove the detachable spray gun to paint stencils and hard to reach areas.

4600 SP Airless™ Self-Propelled Striping Machine

Item# 10003031

- Precision and efficiency in a high quality, self-propelled, walk behind line striper.
- Achieve bright lines effortlessly with the fully adjustable 0.44 gpm, 3000 psi spray pump.
- Durable Briggs & Stratton 550XR engine with optional Honda GX120 engine upgrade.
- Four wheel design and 10" pneumatic tires ensure greater stability and straighter lines over uneven surfaces.
- Optional cleaning tank for easy cleanup and optional rear flip down swivel caster attachment for easy circles & arcs.

Airless Striping Accessories

Rear Flip Down Swivel Caster
Item# 10001231

With this handy accessory, you can create perfect circles and arcs. It easily lowers when needed to paint curves, then locks in the upright position for painting straight lines.

Optional 1-Gallon Cleaning Tank
Left Side Mount Item# 10004831
Right Side Mount Item# 10004832

Attach our add-on cleaning tanks to your airless striper and you can clean your spray gun and hoses out in the field. Tanks can also be used for a secondary paint color.

5-Gallon Reusable Paint Strainer 5 Pack
Item# 10003569

Perfect for removing debris and sediment from your line striping paint to ensure a more consistent paint application. They fit snugly in a standard 5-gallon bucket to prevent spilling.

RollMaster™ 1000 Line Painting Machine

Item# 10003856

- Budget-friendly line striper is perfect for parking lots, warehouses and factories.
- Mechanically-driven peristaltic pump does not touch paint for quick, no-hassle clean up.
- Lightweight (only 30 lbs) with foldable handle makes it easy to transport and store.
- You can quickly stripe up to 400 line feet with a single gallon of water-based paint.
- Includes 4" Roller Kit with 3 rollers.
- 3" and 2" Roller Kits are sold separately.

RollMaster™ 5000 Battery Powered Line Painter

Item# 10003068

- Innovative high-capacity line striper for larger parking lots, warehouses and factories.
- Low pressure, battery powered peristaltic pump sends paint directly from standard 5-gallon paint pail directly to the roller.
- Built-in battery charger allows 24 hours of striping per charge (battery not included).
- You can quickly stripe up to 2,000 line feet with a 5-gallon pail of water-based paint.
- Includes 4" Roller Kit with 3 rollers.
- 3" and 2" Roller Kits are sold separately.

RollMaster Roller Kits & Accessories

RollMaster Roller Kits include: (3) roller covers, (6) concrete discs, (6) asphalt discs, and (1) paint hose cut for your RollMaster model.
