

COACH BRITT

Coach Britt is a current stay-at-home mom, where she is actively involved in her daughter Aiden's school and swimming activities. Her daughter is on the Deerfield Swim team and has made tremendous growth from private lessons with From Sink2Swim. She has a background in education, with a specialty in Math and Science, grades 4-8. She likes to go shopping, spend time with her daughter, referee soccer games, and loves to swim! She is also a coach at the JCC. Coach Britt was a swimmer on swim team growing up as a child from age of 4 through age 15, and has worked with children teaching them how to swim for the past 12 years. Coach Britt was a lifeguard for 7 years as well, and is one of our lead instructors. One thing she looks forward to this summer is helping motivate kids to swim at their best levels. Coach Britt is available for private lessons.
