

COACH TREY

Coach Trey is currently a freshman at Churchill HS and a resident and lifeguard at Vista del Norte. He joined the neighborhood swim team in 3rd grade and is still actively swimming for VDN. Swimming is a hobby of Coach Trey, and he enjoys swimming competitively in the summer. When he is not swimming, he enjoys playing golf. He will be lifeguarding at VDN and Deerfield this summer, so you will see him around at two of our locations often! Coach Trey is really excited to teach lessons and interact with people through swimming. Coach Trey is available for private lessons.
