

COACH TAYLOR

Coach Taylor is a senior of Johnson High School, and she will be attending Texas A&M in the fall studying Early Childhood Education! Two of her most favorite hobbies are dancing and being in the outdoors! Coach Taylor is excited to begin another year on her journey as a swim instructor this summer. One thing she looks forward to with lessons is seeing the progress and enjoyment in the kiddos and watching returning swimmers continue to grow in their confidence. Coach Taylor is available for private lessons.
