

Low-Cost Veterinary Services

Thank you for reaching out to Maricopa County Animal Care and Control (MCACC) for resources to help keep your beloved pet(s) as part of your family. Responsible pet ownership is a community issue that requires community support.

While MCACC provides resources and contact information in the spirit of helpfulness, they are not endorsements. Our community has hundreds of organizations that may have merit and could provide assistance to you and your pet(s) in a time of need. These organizations do not provide MCACC with updated information. Please contact each resource directly to determine if they will be able to meet your needs.
