Membership is \$15.00 for Lawton Bluff residents not on the lake. You may download Lake Frances membership applications via <http://lakefrances.org> or complete the form below. Worthy notes:

1. In 2021 we successfully restocked 1500 [Blue Tilapia](#) and 150 [Sterile Grass Carp](#) in Lake Frances. Total 2021 restocking costs were \$3,675. These fish prove to be natural aquatic weed control solution to address the filamentous algae outbreak we experienced last few years.
  - a. **Between 2017 and 2021 we spent \$11,420 in Blue Tilapia and Grass Carp** to help with the algae blooms.
2. It is imperative we continue to practice [catch and release of all fish](#) caught in Lake Frances.
3. Your paid membership helps us with the cost of fish restocking, lake biologist consultant fees, insurance, taxes, web site maintenance, and other lake management projects.

We appreciate your support in preserving Lake Frances as a healthy ecosystem. Please visit our website @ <http://lakefrances.org/> for more information about Lake Frances.
