Ledgeview Junior Night 2026

Welcome to the 2026 Junior Night Golf Season!

Ledgeview Golf Club's Junior Nights played a pivotal role in the club winning the 2024 Junior Golf Opportunity Award at the Golf Canada National Facility Awards, highlighting their commitment to fostering youth development and providing accessible golf opportunities for the next generation.

There is no cost to play for junior members and a \$40 green fee for non-members. Prizes are up for grabs for everybody! All skill levels are encouraged to participate as we will be separating the flights into four separate divisions: Novice, Intermediate, Competitive, and Advanced. However, all juniors must be able to play nine holes unsupervised and keep up to the group in front.

If you would like to play, please call the golf shop at 604-859-8993. Juniors can book their tee time one week in advance and are encouraged to add their names to the tee sheet the week prior.

We thank The Honda Way Abbotsford for once again stepping up to support our junior golf program.

Race To The Honda Way Cup
