

Shell Offshore Pioneers Golf Event
Wednesday, April 10, 2024

Moody Gardens Golf Course

\$75 green fee includes cart fee and range balls
Shotgun start at 9:00 am – 19th hole celebration at 1:30 pm

Check the “Yes” box and enter the number of players in item 4 on the Reunion Registration Form sent to you by Peter Velez on January 8, 202. The golf event organizers will contact you for more information to set up the groups.

The main goal for this event is for everyone to have fun. The format will be a **Texas Scramble**. There will be no requirements to use any preset number of each golfer's tee shots. We'll arrange the teams by your preferences for teammates, while striving to assure that each team has one or more golfers who are good enough to get your team around the course. To further reduce any “pressure factors”, bogey (one over par) will be the maximum team score allowed.

We have reserved the course for a shotgun start with up to 2 groups of 4 players who want to play only 9 holes and for 9 groups of 4 players who want to play 18 holes. The course may not be able to accommodate more players, so register early because **the 44 available tee times will be assigned as confirmed reservation requests arrive.**
